George Crabbe An English Life 1754 1832

William Wale

George Crabbe An English Life 1754 1832:

George Crabbe Neil Powell, 2004 The English poet George Crabbe best known as the author of *Peter Grimes* and *The Village* was also a surgeon clergyman botanist and novelist An ambitious resourceful self made professional man he devoted his middle years to his children and his increasingly ill wife after whose death he embarked at 60 on an astonishing second life This new biography charts Crabbe's progress from an impoverished provincial childhood to the excitement and sophistication of late 18th century London through his career as a ducal chaplain and country parson whose addictions included theater going and opium to his final years when as a rector he traveled widely met major literary figures and fell in love with some remarkable young women **The Donna Angelica and the British Enlightenment Poets** A.D.

Cousins, 2024-08-29 The aim of the book is to propose new interpretations of poets who are among the most valued and discussed in the British Enlightenment In fulfilling its aim the book covers English poetry and intellectual history from the Restoration to the later eighteenth century It examines how the myth of the *donna angelica* the angelic lady ancient in origin but given its best known form within the medieval literature of *fin amor* lives on beyond the Middle Ages and the Renaissance into the Enlightenment To be more precise it studies how some major Augustan poets appropriate and recreate what for convenience can be called the *donna angelica* topos or the angelic lady motif They do so for a great many reasons linked with quite diverse circumstances Nevertheless the myth's intellectual richness emotional intensity and inherent ambiguities mean that it offers each of them a powerful way for articulating interpreting exploring refractions of eros whether singly or diversely directed concerned with sexuality or spirituality informing personal or public experience The myth has as many faces so to speak as does desire it is one and yet many Thus the book pursues a particular fable of eros that appears in a multiplicity of texts in a multiplicity of guises It studies how some of the most interesting poets from Dryden to Crabbe bring the angelic lady motif into modernity **Eighteenth-Century Poetry** David Fairer, Christine Gerrard, 2014-09-30 Currently

the definitive text in the field and now available in an expanded third edition *Eighteenth Century Poetry* presents the rich diversity of English poetry from 1700 1800 in authoritative texts and with full scholarly annotation Balanced to reflect current interests and favorites including prominent poets like Finch Swift Pope Montagu Johnson Gray Burns and Cowper as well as less familiar material offering a variety of voices and new directions for research and learning Includes 46 new poems with more texts by women poets and the inclusion of four additional poets Mary Barber Mehetabel Wright Anna Seward and Mary Robinson poems reflecting new ecological approaches to 18th century literature and poems on the art of writing Accessible and user friendly with generous head notes full foot of page annotations an expanded thematic index and a visually appealing text design *The Oxford Encyclopedia of British Literature* David Scott Kastan, 2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of

Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/ebl
