George McClellan The Disposable Patriot:

George B. McClellan Michael J. McHugh, 1998 This biography by Michael J. McHugh presents a unique analysis of the life of Civil War general McClellan. Readers will gain valuable insight into the virtue and patriotism of this military legend. Book 224 pages Grade 9th and above Stories of West Orange Joseph Fagan, 2014-05-13 West Orange is one of New Jersey's most loved communities and the remarkable stories from its past reveal why Civil War general McClellan lived here while he ran for president against Abraham Lincoln in 1864. Amos Alonzo Stagg the Grand Old Man of Football grew up in town. Franklin and Eleanor Roosevelt discovered their romantic interest for each other here. West Orange also had its share of intrigue. An alleged love affair between two star-crossed residents led to murder with as many subplots as a dime-store romance novel. Discover the stories of the future mayor who escaped the Nazis, the town employee who fired the first shot of World War II, the railroad tycoon, the hometown Olympic champion, Liberace's early rise to fame and more as local history columnist Joseph Fagan tells West Orange's most fascinating tales.

Death, Disease, and Life at War Christopher Loperfido, 2017-07-19 A collection of letters from a Union surgeon in the American Civil War revealing what life was like for a doctor and a soldier in that era. Union surgeon James Dana Benton witnessed firsthand the suffering and death brought about by the ghastly wounds, infections, and diseases that wreaked havoc to both the Union and Confederate armies. A native of New York, Dr. Benton penned a series of letters throughout the war to his family relating his experiences with the 111th New York Infantry as an assistant surgeon and later with the 98th New York as surgeon. This unique correspondence, which covers a wide array of topics beyond medicine and the treatment of the injured, is the basis of *Death, Disease, and Life at War: The Civil War Letters of Surgeon James D. Benton, 111th and 98th New York Infantry Regiments, 1862-1865*. Dr. Benton was present for some of the war's most gruesome and important battles, including Gettysburg, Cold Harbor, and the siege of Petersburg. He was also present for the fall of Harper's Ferry, Abraham Lincoln's second Inaugural address, and the collapse of Richmond. His pen offers an insightful and honest look into the everyday life of not only a Union surgeon but also an officer who suffered the same basic hardships other soldiers in the ranks endured. Chris Loperfido's *Death, Disease, and Life at War* is a valuable addition to the Civil War bookshelf. More than 600,000 men perished in the Civil War, and many more were wounded or fell ill. Prompt and timely attention from an army surgeon was often the difference between life and death. James Benton's letters home provide a compelling glimpse into the everyday life of these doctors, their concerns and frustrations, their patients and colleagues, the places visited, and their opinions on the war. I commend Christopher Loperfido for bringing this interesting slice of the war to light. Scott L. Mingus Sr., award-winning author of *Confederate General William B. Smith: From Virginia's Statehouse to Gettysburg Scapegoat*. Loperfido's excellent arrangement of Benton's letters provides a compelling look at the life of a Union doctor during a time when the practice of medicine was still primitive and an understanding of health in general was scanty at best. *Death, Disease, and Life at War* is another valuable piece to the puzzle of understanding
