Mary S. Palmer

George Wallace:

George Wallace Stephan Leshner, 1994-01-20 The first full scale biography of one of the most pivotal and complex political figures in American history George Wallace formulated the themes that have helped elect every president from Nixon to Clinton and fueled the third party candidacy of Ross Perot A revealing look that reveals both good and bad

Wallace Marshall Frady, 2009-06-03 A sensitive informed and funny feat of high journalism that is a classic of the kind The New York Times Book Review Wallace is a classic portrait of one of the century's most fiery and controversial political figures Initially conceived as a novel Marshall Frady's biography of George Wallace retains the narrative force and descriptive powers of fiction Elizabeth Hardwick noted on Wallace's first publication in 1968 There is a palpable Faulknerian mood to the reporting and The New Republic observed Frady has established new standards in political biography This is a wonderfully crafted depiction of a seminal figure whose influence altered the course of national politics Stand Up for Alabama Jeff Frederick, 2007-11-11 Whereas other studies have focused on George Wallace's career as a national figure Stand Up for Alabama provides a detailed comprehensive and analytical study of Wallace's political life that emphasizes his activities and their impact within the state of Alabama Jeff Frederick examines the development of policy during the Wallace administrations and documents relationships with his constituents in ways that go beyond racial politics He also analyzes the connections between Wallace's career and Alabamians understanding of their history sense of morality and class system

George Wallace... No Friend of Working People George Corley Wallace, 1972 **George Wallace** George Corley Wallace, 1968 **George Wallace: An Enigma: The Complex Life of Alabama's Most Divisive and Controversial Governor** Mary S. Palmer, 2016-08 A Biography of Alabama Governor George C Wallace **Governor George Wallace** George Wallace, Patrick V. Cagle, 2011 **The Politics of Rage** Dan T. Carter, 2000-02-01 Combining biography with regional and national history Dan T. Carter chronicles the dramatic rise and fall of George Wallace a populist who abandoned his ideals to become a national symbol of racism and later begged for forgiveness In The Politics of Rage Carter argues persuasively that the four time Alabama governor and four time presidential candidate helped to establish the conservative political movement that put Ronald Reagan in the White House in 1980 and gave Newt Gingrich and the Republicans control of Congress in 1994 In this second edition Carter updates Wallace's story with a look at the politician's death and the nation's reaction to it and gives a summary of his own sense of the legacy of the most important loser in twentieth century American politics George Wallace Lloyd Rohler, 2004-10-30 The story of George Wallace is the odyssey of a young war veteran who entered politics to support progressive policies but instead descended into the politics of racism following the loss of his lifetime dream of being elected Governor of Alabama in 1958 His political career demonstrates the ability of a demagogue and agitator to exploit racial fears to achieve political power This work traces the career of the man who symbolized Southern opposition to integration but ironically ended up gaining overwhelming support from black voters in his final

election campaign He ultimately returned the favor by appointing a large number of blacks to state boards and commissions
