George Washington Cable An Annotated Bibliography

**Barbara C. Ewell, Pamela Glenn
Menke, Andrea Humphrey**

George Washington Cable An Annotated Bibliography:

George Washington Cable, an Annotated Bibliography William H. Roberson, 1982 **Annotated Bibliography of Southern American English** James B. McMillan, Michael B. Montgomery, 2018-12-11 A collection of the total range of scholarly and popular writing on English as spoken from Maryland to Texas and from Kentucky to Florida. The only book-length bibliography on the speech of the American South, this volume focuses on the pronunciation vocabulary, grammar, naming practices, word play, and other aspects of language that have interested researchers and writers for two centuries. Compiled here are the works of linguists, historians, anthropologists, sociologists, and educators, as well as popular commentators. With over 3,800 entries, this invaluable resource is a testament to the significance of Southern speech, long recognized as a distinguishing feature of the South and the abiding interest of Southerners in their speech as a mark of their identity. The entries encompass Southern dialects in all their distinctive varieties, from Appalachian to African American and sea islander to urbanite.

The Undergraduate's Companion to American Writers and Their Web Sites Larry G. Hinman, 2000-12-15 An outstanding research guide for undergraduate students of American literature, this best-selling book is essential when it comes to researching American authors. Bracken and Hinman identify and describe the best and most current sources, both in print and online, for nearly 300 American writers whose works are included in the most frequently used literary anthologies. Students will know exactly what information is available and where to find it.

Imagining the Creole City Rien Fertel, 2014-11-17 In the early years of the nineteenth century, the burgeoning cultural pride of white Creoles in New Orleans intersected with America's golden age of print to explosive effect. *Imagining the Creole City* reveals the profusion of literary output: histories and novels, poetry and plays that white Creoles used to imagine themselves as a unified community of writers and readers. Rien Fertel argues that Charles Gayarr's English language histories of Louisiana, which emphasized the state's dual connection to America and to France, provided the foundation of a white Creole print culture predicated on Louisiana's exceptionalism. The writings of authors like Grace King, Adrien Rouquette, and Alfred Mercier consciously fostered an image of Louisiana as a particular social space and of themselves as the true inheritors of its history and culture. In turn, the forging of this white Creole identity created a close-knit community of cosmopolitan Creole elites who reviewed each other's books, attended the same salons, crusaded against the popular fiction of George Washington Cable, and worked together to preserve the French language in local and state governmental institutions. Together they reimagined the definition of Creole and used it as a marker of status and power. By the end of this group's era of cultural prominence, Creole exceptionalism had become a cornerstone in the myth of Louisiana in general and of New Orleans in particular. In defining themselves, the authors in the white Creole print community also fashioned a literary identity that resonates even today.

Southern Local Color Barbara C. Ewell, Pamela Glenn Menke, Andrea Humphrey, 2002 Conflict, exoticism, sensuality, eccentricity, and the sheer differences of the American South pervade this lively anthology, the first in

fifty years to focus exclusively on the nineteenth century tradition of southern local color. Its thirty-one stories spanning the 1870s through the early 1900s represent some of the best southern fiction to appear during the great flowering of American local color writing. The fifteen authors included here are those most admired by their contemporaries. Modern readers may recognize Kate Chopin, author of *The Awakening*; Charles Chesnutt, the courageous and gifted African American writer; or Joel Chandler Harris, whose *Uncle Remus* and *Br'er Rabbit* tales have remained continually in print. However, some authors like suffragist Sarah Barnwell Elliott are virtually unknown today, while others like African Americans Paul Laurence Dunbar and Alice Dunbar Nelson are known primarily as poets or diarists. The editors' extensive introduction locates the stories in the context of contemporary and current history and culture, and each selection of tales begins with detailed information on the author. Also included are bibliographies and extensive notes. Showcasing the many styles, topics, and settings of southern local color, the anthology reconnects us to an unjustly neglected literary tradition. As the editors make clear, such tales of the South were essential to post-Civil War America's struggle to address yet contain cultural and geographic variety, racial mixtures, and the just clamor of women and African Americans for equality. From George Washington Cable's New Orleans to Thomas Nelson Page's Tidewater Virginia to the Appalachians imagined by Sherwood Bonner, these stories engage nation-shaping themes: war, segregation, immigration, depression, and suffrage at the personal and community levels. In *Southern Local Color*, we have a unique forum for pondering a timeless American question: how to reconcile our diversities with a unified national identity.

Was Huck Black? Shelley Fisher Fishkin, 1994-05-05. Published in 1884, *Huckleberry Finn* has become one of the most widely taught novels in American curricula. But where did *Huckleberry Finn* come from, and what made it so distinctive? Shelley Fisher Fishkin suggests that in *Huckleberry Finn*, more than in any other work, Mark Twain let African American voices, language, and rhetorical traditions play a major role in the creation of his art. In *Was Huck Black?*, Fishkin combines close readings of published and unpublished writing by Twain with intensive biographical and historical research and insights gleaned from linguistics, literary theory, and folklore to shed new light on the role African American speech played in the genesis of *Huckleberry Finn*. Given that book's importance in American culture, her analysis illuminates as well how the voices of African Americans have shaped our sense of what is distinctively American about American literature. Fishkin shows that Mark Twain was surrounded throughout his life by richly talented African American speakers whose rhetorical gifts Twain admired candidly and profusely. A black child named Jimmy, whom Twain called the most artless, sociable, and exhaustless talker he ever came across, helped Twain understand the potential of a vernacular narrator in the years before he began writing *Huckleberry Finn* and served as a model for the voice with which Twain would transform American literature. A slave named Jerry, whom Twain referred to as an impudent and satirical and delightful young black man, taught Twain about signifying satire in an African American vein when Twain was a teenager. Later, Twain would recall that he thought him the greatest man in the United States at the time. Other African American voices left their mark on Twain's imagination as well.

but their role in the creation of his art has never been recognized Was Huck Black adds a new dimension to current debates over multiculturalism and the canon American literary historians have told a largely segregated story white writers come from white literary ancestors black writers from black ones The truth is more complicated and more interesting While African American culture shaped Huckleberry Finn that novel in turn helped shape African American writing in the twentieth century As Ralph Ellison commented in an interview with Fishkin Twain made it possible for many of us to find our own voices Was Huck Black dramatizes the crucial role of black voices in Twain s art and takes the first steps beyond traditional cultural boundaries to unveil an American literary heritage that is infinitely richer and more complex than we had thought

Historical Dictionary of the Gilded Age T. Adams Upchurch, 2009-04-13 The Gilded Age was an important three decade period in American history It was a time of transition when the United States began to recover from its Civil War and post war rebuilding phase It was as a time of progress in technology and industry of regression in race relations and of stagnation in politics and foreign affairs It was a time when poor southerners began farming for a mere share of the crop rather than for wages when pioneers settled in the harsh land and climate of the Great Plains and when hopeful prospectors set out in search of riches in the gold fields out West The Historical Dictionary of the Gilded Age relates the history of the major events issues people and themes of the American Gilded Age 1869 1899 This period of unprecedented economic growth and technical advancement is chronicled in this reference and includes a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries

Annotated Bibliography of the Literature on Resource Sharing Computer Networks Helen M. Wood, Shirley Ward Watkins, Ira W. Cotton, 1976 *Fifty Southern Writers Before 1900* Robert Bain, Joseph M. Flora, 1987-09-18 This collection deserves a long review in order to get the attention it has earned But how would a reviewer do rounded justice in say five hundred words to fifty entries by fifty different scholar critics on Southerners whose careers ended before 1900 or thereabouts Furthermore each entry was required to follow a five part pattern a biographical sketch a discussion of major themes an assessment of the scholarship a chronological list of the author s works and a bibliography of selected criticism That pattern reinforces a reference work effect that the precise and experienced editors intended Only a pedant will quibble yet will also regularly use the book and send students to it It will outlast any reviewer now alive American Literature A companion volume to *Fifty Southern Writers After 1900* this collection focuses on the work of writers whose careers ended before or about 1900 whose works are often anthologized and whose writing figures prominently in the history of Southern letters Each essay written by a specialist in the field contains five parts a biographical sketch a discussion of the author s major themes an assessment of the scholarship on the author s works a chronological list of works and a bibliography of selected criticism The selected essays treat the individual writers in substantial detail and offer a fresh attempt to estimate the achievements of the authors included as well as a valuable assessment of the secondary work and scholarship to date

Recent Publications in the Social and Behavioral

Sciences Sam Stuart, 2013-10-22 Recent Publications in the Social and Behavioral Sciences presents a guide to books articles some government reports and a few pamphlets and unbound items about the theory methodology the principal areas of investigation and areas of investigation of potential reward and about the role of the social sciences in contemporary society The book provides a list of cited periodicals bibliography and title and subject indices The text also covers a bibliography of special issues of The American Behavioral Scientist The book will be useful to behavioral scientists psychologists and psychiatrists

The New Orleans of Fiction James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In *The New Orleans of Fiction: A Research Guide* James A Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included

George Washington Cable An Annotated Bibliography Introduction

In the digital age, access to information has become easier than ever before. The ability to download George Washington Cable An Annotated Bibliography has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download George Washington Cable An Annotated Bibliography has opened up a world of possibilities.

Downloading George Washington Cable An Annotated Bibliography provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading George Washington Cable An Annotated Bibliography has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download George Washington Cable An Annotated Bibliography. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading George Washington Cable An Annotated Bibliography. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading George Washington Cable An Annotated Bibliography, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected

websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download George Washington Cable An Annotated Bibliography has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About George Washington Cable An Annotated Bibliography Books

1. Where can I buy George Washington Cable An Annotated Bibliography books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
