George Whitefield The Awakener A Modern:

George Whitefield the Awakener Rev. Albert Belden, 1953 **George Whitefield, the Awakener** Albert David Belden, 1953 George Whitefield Geordan Hammond, David Ceri Jones, 2016-05-13 George Whitefield 1714-70 was one of the best known and most widely travelled evangelical revivalists in the eighteenth century. For a time in the middle decades of the eighteenth century Whitefield was the most famous person on both sides of the Atlantic. An Anglican clergyman, Whitefield soon transcended his denominational context as his itinerant ministry fuelled a Protestant renewal movement in Britain and the American colonies. He was one of the founders of Methodism, establishing a distinct brand of the movement with a Calvinist orientation but also the leading itinerant and international preacher of the evangelical movement in its early phase. Called the Apostle of the English empire, he preached throughout the whole of the British Isles and criss-crossed the Atlantic seven times, preaching in nearly every town along the eastern seaboard of America. His own fame and popularity were such that he has been dubbed Anglo-America's first religious celebrity and even one of the Founding Fathers of the American Revolution. This collection offers a major reassessment of Whitefield's life, context and legacy, bringing together a distinguished interdisciplinary team of scholars from both sides of the Atlantic. In chapters that cover historical, theological and literary themes, many addressed for the first time, the volume suggests that Whitefield was a highly complex figure who has been much misunderstood. Highly malleable, Whitefield's persona was shaped by many audiences during his lifetime and continues to be highly contested.

George Whitefield Arnold A. Dallimore, 2010-03-04 God's accomplishments through George Whitefield are to this day virtually unparalleled. In an era when many ministers were timid and apologetic in their preaching, he preached the gospel with zeal and undaunted courage. In the wake of his fearless preaching, revival swept across the British Isles and the Great Awakening transformed the American colonies. The previous two-volume work *George Whitefield: The Life and Times of the Great Evangelist of the Eighteenth Century Revival* is now condensed into this single volume filled with primary source quotations from the eighteenth century, not only from Whitefield but also from prominent figures such as John and Charles Wesley, Benjamin Franklin and William Cowper.

The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 5 Hughes Oliphant Old, 2004 *The Reading and Preaching of the Scriptures in the Worship of the Christian Church* is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times. In Volume 1, *The Biblical Period*, Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel. He then examines the preaching of Christ and the Apostles. Finally, Old looks at the development and practice of Christian preaching in the second and third centuries, concluding with the ministry of Origen.

A Will to Choose J. Gordon Melton, 2007 *A Will to Choose* traces the history of African American Methodism beginning with their emergence in the fledgling American Methodist movement in the 1760s Responding to Methodism's anti slavery stance African Americans joined the new movement in large numbers and by the end of the eighteenth century had made up the largest minority in the Methodist church filling positions of authority as class leaders exhorters and preachers Through the first half of the nineteenth century African Americans used the resources of the church in their struggle for liberation from slavery and racism in the secular culture From publisher description

A History of the Methodist Church in Great Britain, Volume Four Rupert E. Davies, A. Raymond George, Gordon Rupp, 2017-06-14 With this volume the publication of *A History of the Methodist Church in Great Britain* comes to its appointed end The project of writing it was initiated by the Methodist Conference of 1953 and the lapse of time since then has made it possible to include at appropriate points the results of the continuing research into the origins and nature of Methodism but the chance and changes of this mortal life which are bound to impinge on the progress of so complex an enterprise together with the heavy involvement of all the contributors in ecclesiastical ecumenical and academic affairs have made this period much longer than the General Editors would have wished From the Preface

Reformed Evangelicalism and the Search for a Usable Past Ian Hugh Clary, 2020-09-07 The question of how theology shapes a Christian historian's reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject's theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian's profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian

A Third Great Disappointment for the Remnant Canute R. Birch, 2012 Do you remember singing Jesus Loves the Little Children in Sabbath School as a young child Red and yellow black and white all are precious in His sight Jesus loves the little children of

the world Jesus loves everyone but as His followers we often struggle to follow His example In A Third Great Disappointment for the Remnant Pastor Birch presents his research findings on race relations the Millerite movement slavery the Civil War segregation the evangelical movement and much more addressing how these events have impacted and shaped the Seventh day Adventist Church He goes on to examine current race relations in the Adventist Church and the creation of ethnic conferences and warns against a final great disappointment of lost souls at Christ s second coming if we do not reconcile ourselves with each other and finish the work as one unified body With a passion for racial and ethnic reconciliation Birch offers recommendations on how to strengthen the Adventist Church through understanding and healing We are precious in God s sight but we should also be precious in each other s sight George Whitefield Tercentenary Essays ,2015-10-20 This special issue of The Journal of Religious History Literature and Culture comprises some of the papers delivered at the George Whitefield after Three Hundred Years International Conference held in June 2014 at Pembroke College Oxford commemorating the tercentenary of George Whitefield s birth in 1714 The Revd George Whitefield 1714 70 was a very important early Methodist leader clergyman and writer who has not attracted as much scholarly attention as John and Charles Wesley This interdisciplinary volume contains articles on George Whitefield and the Secession Movement s Reaction to the Cambuslang Revival by Kenneth B E Roxburgh George Whitefield and Anti Methodist Allegations of Popery c 1738 c 1750 by Simon Lewis Latitudinarian responses to Whitefield c 1740 1790 by G M Ditchfield Preachers prints and portraits Methodists and image in Georgian Britain by Peter S Forsaith with eight attractive images George Whitefield s Journals A Publishing Phenomenon by Digby James and George Whitefield s Reception in Twentieth Century German Speaking Theology by Maximilian J H Izi

God's Generals Roberts Liardon,2008-05-23 The Generals Who Shook Nations Roberts Liardon chronicles compelling spiritual biographies of some of the most powerful preachers ever to ignite the fires of revival Follow the faith journeys and lives of the great generals of God including George Whitefield whose dramatic flair and passionate preaching needed no modern conveniences like microphones to reach crowds of more than sixty thousand people Charles Finney the skeptical lawyer turned evangelist whose ministry was marked by deep prayer and divine healing William and Catherine Booth who gave food to the hungry fought to free those trapped in sex trafficking and founded the Salvation Army now the largest charitable organization in the world Billy Graham counselor and confidant of eleven U S presidents who preached God s unconditional love and saving grace to millions Liardon goes beyond history drawing crucial life application and inspiration from the lives of these mighty warriors so that you can learn how to Fulfill God s call on your life Discern the voice of God to follow His guidance Be led by the Spirit of God Let these revivalists inspire your life and revitalize your ministry

George Whitefield Nigel D Scotland,2019-06-21 George Whitefield proclaimed the Christian message to more people in history than anyone else before or since who spoke with an unaided voice A preacher of revival almost from his childhood when he prophesied his own destiny he had a profound impact on the social religious and political life of both

Britain and America He crossed the Atlantic thirteen times and merged as a celebrity figure whose message captivated both rich and poor alike Whitefield heralded a new kind of revival that was both spiritually powerful and entertaining at the same time He was also a man of contradictions He loved the Anglican liturgy but would happily break canon law He was a devoted Puritan yet he was also able to befriend those with more liberal morals Above all Whitefield was a driven man and his overwhelming passion was to preach New Birth in Christ the theme he was to speak on over a thousand times He valued education opposed slavery cared for orphan children and changed the course of both British and American history

Making It in America Elliott Robert Barkan,2001-05-01 This collection of over 400 biographies of eminent ethnic Americans celebrates a wide array of inspiring individuals and their contributions to U S history The stories of these 400 eminent ethnic Americans are a testimony to the enduring power of the American dream These men and women from 90 different ethnic groups certainly faced unequal access to opportunities Yet they all became renowned artists writers political and religious leaders scientists and athletes Kahlil Gibran Daniel Inouye Zbigniew Brzezinski Thurgood Marshall Madeleine Albright and many others are living proof that the land of opportunity sometimes lives up to its name Alongside these success stories as historian Elliot R Barkan notes in his introduction to this volume there have been many failures and many immigrants who did not stay in the United States Nevertheless the stories of these trailblazers visionaries and champions portray the breadth of possibilities from organizing a nascent community to winning the Nobel prize They also provide irrefutable evidence that no single generation and no single cultural heritage can claim credit for what America is

Evangelical Gothic Christopher Herbert,2019-11-22 *Evangelical Gothic* explores the bitter antagonism that prevailed between two defining institutions of nineteenth century Britain Evangelicalism and the popular novel Christopher Herbert begins by retrieving from near oblivion a rich anti Evangelical polemical literature in which the great religious revival often lauded in later scholarship as a moral revolution is depicted as an evil conspiracy centered on the attempted dismantling of the humanitarian moral culture of the nation Examining foundational Evangelical writings by John Wesley and William Wilberforce alongside novels by Charles Dickens George Eliot Bram Stoker and others Herbert contends that the realistic popular novel of the time was constitutionally alien to Evangelical ideology and even to some extent took its opposition to that ideology as its core function This provocative argument illuminates the frequent linkage of Evangelicalism in nineteenth century fiction with the characteristic imagery of the Gothic with black magic with themes of demonic visitation and vampirism and with a distinctive mood of hysteria and panic *The Nation and the Athenaeum* ,1929 **Books on Early**

British Supporters of the American Revolution, 1775-1783 Sheldon Samuel Cohen, 2004 America s Declaration of Independence while endeavouring to justify a break with Great Britain simultaneously proclaimed that the colonists had not been wanting in attention to our British brethren but that they had been deaf to the voice of justice and consanguinity This overstatement has since been modified in comprehensive histories of the American Revolution Gradually a more balanced portrait of British attitudes towards the conflict has emerged In particular studies of pro American Britons have exemplified this fact by concentrating on only a small upper class minority In contrast this work focuses on five unrenowned men of Britain s middling orders These individuals actively endeavoured to

aid the American cause Their efforts often unlawful brought them into contact with Benjamin Franklin for whom they befriended rebel seamen confined in British gaols Their stories rendered here open up new areas for study of the American War on this middling segment of Britain's social structure *Evangelical Dictionary of Theology (Baker Reference Library)*

Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the *Evangelical Dictionary of Theology* Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics **Sanctifying Slavery and Politics in South Carolina** Fred E Witzig, 2018-04-30 A vivid portrait of a Scottish religious leader and the South Carolina colony he helped shape When Alexander Garden a Scottish minister of the Church of England arrived in South Carolina in 1720 he found a colony smoldering from the devastation of the Yamasee War and still suffering from economic upheaval political factionalism and rampant disease It was also a colony turning enthusiastically toward plantation agriculture made possible by African slave labor In *Sanctifying Slavery and Politics in South Carolina* the first published biography of Garden Fred E Witzig paints a vivid portrait of the religious leader and the South Carolina colony he helped shape Shortly after his arrival Garden a representative of the bishop of London became the rector of St Philip's Church in Charleston the first Anglican parish in the colony The ambitious clergyman quickly married into a Charleston slave trading family and allied himself with the political and social elite From the pulpit Garden reinforced the social norms and economic demands of the southern planters and merchants and he disciplined recalcitrant missionaries who dared challenge the prevailing social order As a way of defending the morality of southern slaveholders he found himself having to establish the first large scale school for slaves in Charles Town in the 1740s Garden also led a spirited and largely successful resistance to the Great Awakening evangelical movement championed by the revivalist minister George Whitefield whose message of personal salvation and a more democratic Christianity was anathema to the social fabric of the slaveholding South which continually feared a slave rebellion As a minister Garden helped make slavery morally defensible in the eyes of his peers giving the appearance that the spiritual obligations of his slaveholding and slave trading friends were met as they all became extraordinarily wealthy Witzig's lively cultural history bolstered by numerous primary sources maps and illustrations helps illuminate both the roots of the Old South and the Church of England's role in sanctifying slavery in South Carolina
