Georgia O'Keeffe. In the West Nicholas Callaway, Doris Bry, 1989 **Marsden Hartley and the West** Heather Hole, Georgia O'Keeffe Museum, 2007-01-01 A revelatory look at Hartley's New Mexico landscapes and the darker side of postwar American modernism Considered to be among the greatest early American modernists the painter Marsden Hartley 1877-1943 traveled the United States and Europe in his search for a distinctive American aesthetic His stay in New Mexico resulted in an extraordinary series of landscape paintings created in New Mexico New York and Europe between 1918 and 1924 that show an evolution in style and thinking that is important for understanding both Hartley's oeuvre and American modernism in the postwar years *Marsden Hartley and the West* examines this pivotal stage of the painter's career drawing upon his writings and providing illustrations of rarely seen and previously unpublished works The author considers Hartley's involvement with the Stieglitz circle and its soil and spirit philosophy the Taos art colony New York Dada and the impact of historical events such as World War I Within this setting she analyzes the pastels and oil paintings that suggest Hartley's increasingly ambivalent response to the land Beginning with optimistic naturalistic views the New Mexico works grew progressively darker and more tumultuous increasingly reflecting a sense of loss brought on by war The paintings become a site where the landscapes of memory self and nation merge while reflecting broader modernist debates about American-ness and a usable past **Full Bloom: The Art and Life of Georgia O'Keeffe** Hunter Drohojowska-Philp, 2005-11-15 Offers a portrait of the twentieth century woman artist through discussions of her marriage to art photography pioneer Alfred Stieglitz the impact of his infidelity on her psyche and her relocation to New Mexico where she created her signature works

Georgia O'Keeffe Lisa Mintz Messinger, 2017 **Georgia O'Keeffe** Charles C. friends back east during the years she lived in Texas Amy Von Lintel brings to readers the collected O Keeffe correspondence and added commentary and analysis shining fresh light on a period of the artist s life she characterizes as some of the least appreciated in the vast O Keeffe scholarship but also as a time when she discovered her own voice as a young successful and independent woman a dedicated faculty member at a brand new college a vibrant social butterfly a progressive woman who spoke her mind and fought for her beliefs to be heard Although selected paintings by O Keeffe that support the narrative are featured this work focuses on O Keeffe s words By doing so Von Lintel aims to allow the artist s voice to emerge as a powerful witness of her own life but also of western America in a pivotal moment of its development The result is an important new examination of one of our most beloved artists during a time when she was in the process of discovering her future identity
