Dead shows for the first time how Egyptology's development over the century that followed the decipherment of the hieroglyphic script in 1822 can be understood only through its intimate entanglement with the historical scientific and religious contentions which defined the era *The Seven Souls of Man and Their Culmination in Christ!* Gerald Massey, 1887 Madame Blavatsky on the history and tribulations of the Zohar Helena Petrovna Blavatsky, 2019-09-17

The European Occultists see in the Jewish Kabbalah alone the universal well of wisdom and find in it the secret lore of nearly all the mysteries of Nature For them the Zohar is an Esoteric Thesaurus of all the mysteries of the Christian Gospel The Esoteric language used by the Alchemists was their own given out as a blind necessitated by the dangers of the epoch they lived in and not as the Mystery language as used by the Pagan Initiates which the Alchemists had re translated and re veiled once more Some believe that the substance of the Kabbalah is the basis upon which Masonry is built since modern Masonry is undeniably the dim and hazy reflection of primeval Occult Masonry of the teaching of those divine Masons who established the Mysteries of the prehistoric and prediluvian Temples of Initiation Others maintain that the numerical language of the Kabbalistic works teaches universal truths and not any one Religion in particular Those who make this statement are perfectly right in saying that the Mystery language used in the Zohar and in other Kabbalistic literature was once the universal language of Humanity But they become entirely wrong if to this fact they add the untenable theory that this language was invented by or was the original property of the Hebrews from whom all the other nations allegedly borrowed it The writings which pass today under the title of the Zohar of Rabbi Shimon are not authentic Moreover the lore found in Kabbalistic literature was never recorded in writing before the first century of the modern era There was at all times a Kabbalistic literature among the Jews though historically it can be traced only from the time of the Captivity Yet from the Pentateuch down to the Talmud the documents of that literature were ever written in a kind of Mystery language a series of symbolical records which the Jews had copied from the Egyptian and the Chaldean Sanctuaries only adapting them to their own national history Jews and Christians rely on a phonograph of a dead and almost unknown language There are scholars who do not carry the now known Hebrew square letters beyond the late period of the fourth century The real Hebrew of Moses was lost after the seventy years captivity and ceased from that time to be a spoken language The Lost Tribes of Israel is a pure invention of the Rabbis Not only are there no proofs of the twelve tribes of Israel having ever existed but Herodotus the most accurate of historians who was in Assyria when Ezra flourished never mentions the Israelites at all and Herodotus was born in B C It is now becoming apparent that the Kabbalah of the Jews is but the distorted echo of the Secret Doctrine of the Chaldeans and that the real Kabbalah is found only in the Chaldean Book of Numbers now in the possession of certain Persian Sufis Hebrew cannot be called an old language merely because Adam is supposed to have used it in the Garden of Eden Linguistic analysis shows that the old Egyptian tongue was only old Hebrew and that the two nations lived together for centuries Before adopting the Chaldean for their phonetic tongue the Jews had already adopted the old Coptic or Egyptian

The Hebrew Scriptures had been tampered with and remodelled had been lost and rewritten a dozen times before the days of Ezra In its hidden meaning from Genesis to the last word of Deuteronomy the Pentateuch is the symbolical narrative of the sexes and an apotheosis of Phallicism under astronomical and physiological personations The wise King of Israel who succeeded his father King David was noticed neither by Herodotus nor by Plato nor by Diodorus Siculus nor by any writer of standing The Bible as it is now i e the Hebrew texts depends for its accuracy on the authenticity of the Septuagint written miraculously by the Seventy in Greek and the original copy having been lost since our texts have been re translated backward into Hebrew So little indeed was Hebrew known that both the Septuagint and the New Testament had to be written in Greek a heathen language and no better reasons for it given than that the Holy Ghost chose to write the New Testament in Greek The new system of the Masoretic points has made the Hebrew characters a sphinx like riddle for all Punctuation is now to be found everywhere in all later manuscripts and by means of it anything can be made of a text a Hebrew scholar can put on the texts any interpretation he likes The Tower of Babel myth relates to enforced secrecy Men falling into sin were regarded as no longer trustworthy for the reception of such esoteric knowledge and from being universal it became limited to the few One of the chief Lords or Hierophants of the Mysteries of Yava Aleim had confounded the languages of the earth so that the sinners could understand one another s speech no longer There are two distinct styles two antagonistic schools plainly traceable in the Hebrew Scriptures the Elohist and the Jehovist The one taught strictly esoteric doctrines the other theological doctrines The Elohist identified their Deity as in the Secret Doctrine with Nature The Jehovists made of Jehovah a personal God and used the term simply as a phallic symbol The original Mosaic text have been tampered with and replaced by that of the later Levites who practiced degenerate mysteries and veiled Pantheism under Monotheism The Ain Soph of the Chaldeans and later of the Jews is a copy of the Vedic Deity while the Heavenly Adam the Macrocosm which unites in itself the totality of beings and is the Spirit of the visible universe finds his original in the Puranic Brahm The Zohar places Ain Soph or Absolute Unity outside human thought and appreciation and in the Sepher Yetzirah the Spirit of God Logos not the Deity itself is called The One The true meaning of the compound name of Jehovah of which unvowelled you can make almost anything is men and women or humanity composed of two sexes A Kabbalist traces Jehovah from the Adam of earth to Seth the third son or rather race of Adam Thus Seth is Jehovah male and Enos being a permutation of Cain and Abel is Jehovah male and female or mankind Eve stands as the evolution and the never ceasing becoming of Nature If we call Jehovah by his divine name then he becomes at best and forthwith a female passive potency in Chaos And if we view him as a male God he is no more than one of many angels There are four Adams one for each of the preceding Root Races Thus the Kabbalah as we have it now is of the greatest importance in explaining the allegories and dark sayings of the Bible As an Esoteric work upon the mysteries of creation however it is almost worthless as it is now disfigured unless cross checked by the Chaldean Book of Numbers or by the tenets of the Eastern Secret Science We have

shown that the Hebrew Bible exists no more and hat uninitiated have to content with the garbled accounts and falsified copies of the real Mosaic Bible of the Initiates The Temple of King Solomon exists to this day as a stupendous living monument of Esoteric records while the famous temple has never existed outside of the far later Hebrew scrolls The letters in the Hebrew sacred scrolls are musical notes In the Sanskrit language letters are continually arranged in the sacred ollas so that they may become musical notes Thus the Devanagari are the speech of the Gods and Sanskrit is the divine language Sanskrit is the perfect form of the most perfect language on earth Hebrew the roughest and the poorest The six days of the week and the seventh the Sabbath are based primarily on the seven creations of the Hindu Brahm the seventh being that of man and secondarily on the number of generation The Sabbath is pre eminently and most conspicuously phallic The mystery of the woman who was made from the man is repeated in every national religion and in Scriptures far antedating the Jewish Genesis does not begin at the beginning Neither the septiform chronology nor the septiform theogony and evolution of all things is of divine origin in the Bible The Jews never had more than three keys out of the seven in mind while composing their national allegories the astronomical the numerical and above all the purely anthropological or rather physiological key This resulted in the most phallic religion of all and has now passed part and parcel into Christian theology History in Black Yaacov Shavit,2013-11-12 The development of Afrocentric historical writing is explored in this study which traces this recording of history from the Hellenistic Roman period to the 19th century Afrocentric writers are depicted as searching for the unique primary source of culture from one period to the next Such passing on of cultural traits from the ancient model from the classical period to the origin of culture in Egypt and Africa is shown as being a product purely of creative history

Ghetto Religiosity II Khalil Amani,2001-08 The primary focus of this book is our religious understanding of sex It is the author s premise that the sexual attitudes of today were erroneously and maliciously set up by men whose ultimate aim was to control the sexual practices of the ancient Jews and the rights of women Most controversial is our present view of homosexuality and how the Bible has thoroughly misshaped our ideas about homosexual love The case is made that homosexuality is not a sin against God but rather a conspiracy conjured up by the machinations of the ancient Levitical priests It s high time someone came along with a voice that speaks the truth about our Western brainwashing without trying to proselytize to a particular brand of religion Someone that doesn t skirt the issues because of denominational ties I cannot be excommunicated defrocked or untenured Neither am I bound by the Masonic sword I speak freely Many preachers merely parrot the party line to keep their congregation in a religious coma extracting thousands and millions of dollars to feed their ostentatious lifestyle If you want to know the truth here it is Peep it and recognize The Author **The Meaning of Hotep** Anpu Unnefer Amen,2012 Hotep is a word associated with recognizing that there is a Creative Force eminent in all things Hotep deals with the commemoration of the ancestors some of whom are great figures that stand out in history such as Imhotep the world s first known multigenius and true father of medicine Ptahhotep the author or the world s oldest book of

instruction Neithhotep the First Dynasty queen and wife of Pharaoh Menes and Amenhotep who designed the Ipet Isut Temple in the west All the major Western religions teach that man wound up being cast out of his heavenly abode due to woman's ungodly act of enticing him to eat of the fruit of the forbidden tree of the knowledge of good and evil thereby incurring the wrath of God The Meaning of Hotep traces the historical records that have left an indelible proof that before God was conceived of in his masculine forms that are known of in the worlds today God was primarily a woman The Meaning of Hotep presents evidence that the Ten Commandments existed long before Moses and the Psalms before David This book is for anyone interested in learning about spirituality in general Modern Magick Donald Michael Kraig, 2010 A step by step guide to magick including twelve lessons on concepts techniques and rituals and covering meditation ethics astral projection the tarot alchemy and more *Ghetto Religiosity 2000* Khalil Amani, 2000 *Ghetto Religiosity 2000* is the first of a three part series It is the result of Mr Amani's many years of study and disillusionment with organized religion Often angry and filled with ebonics and gangsta language the author's quest is to reach those who have been removed from religion those of us who have seen the church and the preacher manipulate the laity for their own selfish filthy lucre If you're looking to read a watered down Jesus loves the world text this is not for you This book is a hardcore tellin' it like it is new jack diatribe on the errors of Judeo Christian Thought WHO SHALL MAKE IT PLAIN WHO SHALL TEACH THE YOUTH WHO SHALL SET THEM FREE Khalil Amani a religious gangsta Khalil Amani is a native of Miami Florida where he was baptized at the age of seven into the Baptist Church After high school Khalil was introduced to Black Nationalism fraternal brotherhood Freemasonry the Nation of Islam and the Five Percent Nation None of these held his attention until he was introduced to the Nation of Yahweh where he joined and quickly rose to the rank of Elder By age 23 Khalil headed the Temple of Yahweh in Newark New Jersey After five years and the realization that he was part of a murderous cult headed by a man claiming to be God he left the sect in search of his identity and the true meaning of religion Left spiritually devastated by this experience Khalil resorted to the street life where he indulged in every vice from selling drugs to becoming an exotic dancer to stick up man to womanizer Finally Khalil became the Unofficial Spokesman for ex members of the Yahweh cult and testified against the man he once called father For this he had to enter the Witness Protection Program This brotha has been through some sect At the University of Nebraska at Omaha he majored in Black Studies and Religion and graduated from San Diego Mesa College San Diego California with a degree in English *This Is the Sun?: Zeitgeist and Religion (Volume I: Comparative Religion)* Albert McIlhenny, 2011-12-07 The film *Zeitgeist* became an overnight internet sensation with its claims Christianity was based upon a pagan solar mythology This idea developed in the eighteenth century but dismissed as ridiculous by scholars has held support among anti religious and occultic thinkers and recently was popularized by conspiracy theorists In the first of a two volume critique of these ideas Albert McIlhenny takes on the claims of its best known supporters By the end of this volume the theory of astrotheology is shown to be based on various historical mistakes popular in early modernity but since shown to

be erroneous It is demonstrated the source of its current support is not based upon any evidence but the wild claims of conspiracy theorists dressed up to look like scholarship Ghetto Religiosity III Khalil Amani,2003-01-15 Khalil Amani has done it again With his third installment of the Ghetto Religiosity series Amani brings it home like fish grits He has done to religion what your mama does in the kitchen Put his foot all up in it Of great interest is Amani s critique and analysis of his former teacher Yahweh Ben Yahweh Amani cogently deconstructs Yahweh theology with the precision of a neurosurgeon giving us a detailed account of Yahweh teachings which have been exposed as plagiarisms from the Nation of Islam among others Perhaps most controversial is Amani s scathing and blistering attack on 9 11 and our religious and secular perceptions ideas about why this tragedy occurred Amani takes exception to and rejects the pseudo religiosity of 9 11 In his usual hard core fashion Amani puts God s business on front street and asks the critical questions about God s whereabouts in our time of need This book is not for the faint of heart Truths Hurt *The Secret Chamber of Osiris* Scott Creighton,2014-12-15 Reveals the true purpose behind the pyramids of Giza and the location of the secret vault of Egyptian treasures hidden on the Giza plateau Details how the first 16 pyramids represent the allegorical dismembered body of Osiris and the legendary missing part is a secret underground chamber Explains how the pyramids were built as recovery vaults and with the secret chamber contained everything needed to rebuild civilization after the Deluge Examines the technology used to build the pyramids and fly the stones into place After nearly 200 years of the pyramid as tomb theory a growing body of evidence suggests the first 16 pyramids of ancient Egypt were not royal tombs but nearly indestructible recovery vaults designed to revive civilization after an anticipated major catastrophe the Deluge of Thoth Scott Creighton examines the prophecy of catastrophe and the ancient Egyptians massive undertaking to ensure the survival of their civilization He explains how the pyramids acted as easily located storehouses for seeds tools and civilizing knowledge yet they would have been too visible to house the precious treasures necessary to restore the rich culture of ancient Egypt For this the ancients created a secret chamber whose existence was hidden in myth and whose location was encoded in the Giza pyramids Creighton shows how collectively the first 16 pyramids represent the allegorical dismembered body of Osiris the Egyptian god of agriculture and rebirth and as in the myth of Osiris one part is missing or hidden a secret chamber under the sands of the Giza plateau Creighton reveals how the 3 great pyramids of Giza point to the secret location and how they were built with technology akin to modern hot air balloons used to fly the stones into place as cited in Egyptian legends and shown in ancient art Offering a new understanding of this remarkable civilization the author concludes with a startling revelation shortly after he revealed the location of the secret chamber of Osiris a location never before explored it became the site of a major excavation by the Egyptian authorities the results of which have yet to be made public
