

German Anglophobia

and the Great War, 1914–1918

MATTHEW STIBBE

German Anglophobia And The Great War 1914 1918

Benjamin Frommer

German Anglophobia And The Great War 1914 1918:

German Anglophobia and the Great War, 1914-1918 Matthew Stibbe, 2006-06-22 This volume focuses on the extremity of anti English feeling in Germany in the early years of the Great War and on the attempt by writers propagandists and cartoonists to redefine Britain as the chief enemy of the people and their cultural heritage German Anglophobia and the Great War, 1914-1918 Matthew Stibbe, 2001

Germans as Minorities during the First World War Panikos Panayi, 2016-04-15 Offering a global comparative perspective on the relationship between German minorities and the majority populations amongst which they found themselves during the First World War this collection addresses how public opinion the press parliament and ordinary citizens reacted towards Germans in their midst The volume uses the experience of Germans to explore whether the War can be regarded as a turning point in the mistreatment of minorities one that would lead to worse manifestations of racism nationalism and xenophobia later in the twentieth century **The First World War**

and German National Identity Jan Vermeiren, 2016-07-18 An innovative study of the impact of the wartime alliance between Imperial Germany and Austria Hungary on German national identity Female Intelligence Tammy M Proctor, 2003-06-01 A history of women who spied for Britain during WWI that retells forgotten stories and unearths new evidence of intrepid female field agents London Review of Books When the Germans invaded her small Belgian village in 1914 Marthe Cnockaert's home was burned and her family separated After getting a job at a German hospital and winning the Iron Cross for her service to the Reich she was approached by a neighbor and invited to become an intelligence agent for the British Not without trepidation Cnockaert embarked on a career as a spy providing information and engaging in sabotage before her capture and imprisonment in 1916 After the war she was paid and decorated by a grateful British government for her service Cnockaert's is only one of the surprising and gripping stories that comprise Female Intelligence This is the first history of the female spies who served Britain during World War I focusing on both the powerful cultural images of these women and the realities challenges and contradictions of intelligence service Between the founding of modern British intelligence organizations in 1909 and the demobilization of 1919 more than 6 000 women served the British government in either civil or military occupations as members of the intelligence community These women performed a variety of services and represented an astonishing diversity of nationality age and class From Aphra Behn in the seventeenth century to the famed Mata Hari female spies have a long history existing in stark juxtaposition to the folkloric notion of women as chatty gossipy and indiscreet Using personal accounts letters official documents and newspaper reports Female Intelligence interrogates different and apparently contradictory constructions of gender in the competing spheres of espionage activity Proctor attempts to rescue female spies from clichés that classed them as either sexual predators or martyred virgins manipulators or dupes heartless vamps or emotional basket cases The New Yorker Useful and engaging an important contribution to the history of British intelligence that sheds light on the unglamorous reality of a highly romanticized aspect

of women's work American Historical Review Includes illustration *The Short Story and the First World War* Ann-Marie Einhaus, 2013-07-31 The poetry of the First World War has come to dominate our understanding of its literature while genres such as the short story which are just as vital to the literary heritage of the era have largely been neglected In this study Ann Marie Einhaus challenges deeply embedded cultural conceptions about the literature of the First World War using a corpus of several hundred short stories that until now have not undergone any systematic critical analysis From early wartime stories to late twentieth century narratives and spanning a wide spectrum of literary styles and movements Einhaus's work reveals a range of responses to the war through fiction from pacifism to militarism Going beyond the household names of Owen Sassoon and Graves Einhaus offers scholars and students unprecedented access to new frontiers in twentieth century literary studies

A Deadly Legacy Tim Grady, 2017-09-26 Shortlisted for the Wolfson History Prize 2018 This book is the first to offer a full account of the varied contributions of German Jews to Imperial Germany's endeavors during the Great War Historian Tim Grady examines the efforts of the 100 000 Jewish soldiers who served in the German military 12 000 of whom died as well as the various activities Jewish communities supported at home such as raising funds for the war effort and securing vital food supplies However Grady's research goes much deeper he shows that German Jews were never at the periphery of Germany's warfare but were in fact heavily involved The author finds that many German Jews were committed to the same brutal and destructive war that other Germans endorsed and he discusses how the conflict was in many ways lived by both groups alike What none could have foreseen was the dangerous legacy they created together a legacy that enabled Hitler's rise to power and planted the seeds of the Holocaust to come

Dynamic of Destruction , 2008-11-06 On 26 August 1914 the world famous university library in the Belgian town of Louvain was looted and destroyed by German troops The international community reacted in horror Holocaust at Louvain proclaimed the Daily Mail and the behaviour of the Germans at Louvain came to be seen as the beginning of a different style of war without the rules that had governed military conflict up to that point a more total war in which enemy civilians and their entire culture were now legitimate targets Yet the destruction at Louvain was simply one symbolic moment in a wider wave of cultural destruction and mass killing that swept Europe in the era of the First World War Using a wide range of examples and eye witness accounts from across Europe at this time award winning historian Alan Kramer paints a picture of an entire continent plunging into a chilling new world of mass mobilization total warfare and the celebration of nationalist or ethnic violence often directed expressly at the enemy's civilian population

Wilhelm II John C. G. Röhl, 2017-03-30 This final volume of John Röhl's acclaimed biography of Kaiser Wilhelm II reveals the Kaiser's central role in the origins of the First World War The book examines the Kaiser's part in the Boer War the Russo Japanese War the naval arms race with Britain and Germany's rivalry with the United States as well as in the crises over Morocco Bosnia and Agadir It also sheds new light on the public scandals which accompanied his reign from the allegations of homosexuality made against his intimate friends to the Daily Telegraph

Affair Above all John Ruhl scrutinises the mounting tension between Germany and Britain and the increasing pressure the Kaiser exerted on his Austro Hungarian ally from 1912 onwards to resolve the Serbian problem Following Germany's defeat and Wilhelm's enforced abdication he charts the Kaiser's bitter experience of exile in Holland and his frustrated hopes that Hitler would restore him to the throne

Burying the Enemy Tim Grady, 2025-03-25 A fascinating and moving history of the British and German war dead buried on enemy soil in the two world wars Why do societies only remember their own national war dead Today the enemy dead might be largely hidden from view but this wasn't always the case During both world wars Germans and Britons died in their thousands in enemy territory From Berlin to Bath London to Leipzig civilian communities buried the enemy in the closest parish churchyard Perhaps surprisingly local people embraced these graves often caring for them with considerable tenderness Tim Grady explores the history of this curious aspect of postwar community He reveals how as the two states moved bodies to new military cemeteries local people protested at the disturbance of the dead and ties between the bereaved families and those who cared for the graves were severed forever With the enemy out of sight and mind the British and Germans concentrated solely on commemorating their own war dead and their own sacrifices Today's insular public memory of the world wars was only made possible by clearing away signs of the enemy allowing people to tell themselves much simpler narratives of the recent past as a result

The Legacy of the French Revolutionary Wars Alan Forrest, 2009-05-28 A major contribution to the study of collective identity and memory in France this book examines a French republican myth the belief that the nation can be adequately defended only by its own citizens in the manner of the French revolutionaries of 1793 Alan Forrest examines the image of the citizen army reflected in political speeches school textbooks art and literature across the nineteenth century He reveals that the image appealed to notions of equality and social justice and with time it expanded to incorporate Napoleon's victorious legions the partisans who repelled the German invader in 1814 and the people of Paris who rose in arms to defend the Republic in 1870 More recently it has risked being marginalized by military technology and by the realities of colonial warfare but its influence can still be seen in the propaganda of the Great War and of the French Resistance under Vichy

The Purpose of the First World War Holger Afflerbach, 2015-07-01 Nearly fourteen million people died during the First World War But why and for what reason Already many contemporaries saw the Great War as a pointless carnage Pope Benedict XV 1917 Was there a point at least in the eyes of the political and military decision makers How did they justify the losses and why did they not try to end the war earlier In this volume twelve international specialists analyses and compares the hopes and expectations of the political and military leaders of the main belligerent countries and of their respective societies It shows that the war aims adopted during the First World War were not for the most part the cause of the conflict but a reaction to it an attempt to give the tragedy a purpose even if the consequence was to oblige the belligerents to go on fighting until victory The volume tries to explain why and for what the contemporaries thought that they had to fight the Great War

The Crucible of German

Democracy Robert E. Norton, 2021-02-09 Robert E Norton offers the first comprehensive study in any language devoted to Ernst Troeltsch 1865 1923 and his activities during the First World War Troeltsch was one of the most famous figures of his day a renowned historian philosopher sociologist and theologian But he did not just comment on events he also actively served in a number of public roles before during and after the war Throughout the last decade of his life Troeltsch was a central participant in many of the most significant political debates and struggles that took place in his country and in the process he became one of the most forceful and committed proponents of democracy in Germany Tracing the gradual rise and growth of democratic thought during the war Robert E Norton shows how democracy itself emerged as the pivotal question within German domestic politics around which everything else came to revolve In this process Ernst Troeltsch emerged as one of the most eloquent and persuasive voices advocating for democracy and peace and always promoting the ideals of freedom and human dignity for all peoples

National Cleansing Benjamin Frommer, 2005 National Cleansing examines the prosecution of more than one hundred thousand suspected war criminals and collaborators by Czech courts and tribunals after the Second World War As the first comprehensive history of postwar Czech retribution this book provides a new perspective on Czechoslovakia's transition from Nazi occupation to Stalinist rule in the turbulent decade from the Munich Pact of September 1938 to the Communist coup d'état of February 1948 Based on archival sources that remained inaccessible during the Cold War National Cleansing demonstrates retribution's central role in the postwar power struggle and the contemporary expulsion of the Sudeten Germans

America and the Armenian Genocide of 1915 Jay Winter, 2004-01-08 Before Rwanda and Bosnia and before the Holocaust the first genocide of the twentieth century happened in Turkish Armenia in 1915 when approximately one million people were killed This volume is an account of the American response to this atrocity The first part sets up the framework for understanding the genocide Sir Martin Gilbert Vahakn Dadrian and Jay Winter provide an analytical setting for nine scholarly essays examining how Americans learned of this catastrophe and how they tried to help its victims Knowledge and compassion though were not enough to stop the killings A terrible precedent was born in 1915 one which has come to haunt the United States and other Western countries throughout the twentieth century and beyond To read the essays in this volume is chastening the dilemmas Americans faced when confronting evil on an unprecedented scale are not very different from the dilemmas we face today

German Strategy and the Path to Verdun Robert T. Foley, Robert Thomas Foley, 2005-01-06 Almost 90 years since its conclusion the battle of Verdun is still little understood German Strategy and the Path to Verdun is a detailed examination of this seminal battle based on research conducted in archives long thought lost Material returned to Germany from the former Soviet Union has allowed for a reinterpretation of Erich von Falkenhayn's overall strategy for the war and of the development of German operational and tactical concepts to fit this new strategy of attrition By taking a long view of the development of German military ideas from the end of the Franco German War in 1871 German Strategy and the Path to Verdun also gives much

needed context to Falkenhayn's ideas and the course of one of the greatest battles of attrition the world has ever known

Beyond Inclusion and Exclusion Jason Crouthamel, Michael Geheran, Tim Grady, Julia Barbara Köhne, 2018-11-29 During the First World War the Jewish population of Central Europe was politically, socially, and experientially diverse to an extent that resists containment within a simple historical narrative. While antisemitism and Jewish disillusionment have dominated many previous studies of the topic, this collection aims to recapture the multifariousness of Central European Jewish life in the experiences of soldiers and civilians alike during the First World War. Here scholars from multiple disciplines explore rare sources and employ innovative methods to illuminate four interconnected themes: minorities and the meaning of military service; Jewish-Gentile relations; cultural legacies of the war; and memory politics.

The Jesuit Specter in Imperial Germany Róisín Healy, 2021-11-22 From 1872 to 1917 legislation banned Jesuits from Imperial Germany. Believing the Jesuits sought to control the social, political, and religious realms, the Protestant bourgeoisie championed the ban and promoted a politics of paranoia against the Jesuits. By exploiting widespread fears of the specter of Jesuitism, Protestants pushed their own confessional nationalist and often liberal agenda. Author Roisin Healy charts the path of anti-Jesuitism against the background of society, politics, and religion in Imperial Germany. The core of the book is evenly divided between an analysis of the political struggle over the passage, gradual dilution, and eventual repeal of the Jesuit Law and the main themes of anti-Jesuitism: the order's internationalism, moral theology, and scholarship. This book will interest all scholars of modern Germany, particularly those specializing in religion, nationalism, liberalism, and political mobilization.

Warfare and Belligerence Pierre Purseigle, 2005-06-01 The essays collected here suggest some of the ways in which an interdisciplinary perspective may contribute to our understanding of the Great War. Contributors examine the relationship between the character of the war and the nature of belligerent societies and present original research on the comparative history of the First World War. In 1914-1918 the front lines did not only separate warring nations but also cut across belligerent societies and ultimately determined the social responses to the conflict. Indeed, the totalizing logic of the First World War entailed the blurring of boundaries between combatants and non-combatants, soldier and civilian. Subjects included are operational and tactical evolution, social mobilization, military discipline, and morale; prisoners of war, veterans, and demobilization; religion and politics; war literature and cinema; memory and commemoration. Contributors: Pierre Purseigle, Patrick Porter, Dennis Showalter, Leonard V. Smith, Nicolas Ginsburger, Elise Julien, Paul Mulvey, Keith Grieves, Leen Engelen, Nicolas Beaupre, Jennifer D. Keene, Elizabeth Fordham, Vanda Wilcox, Heather Jones, Gearoid Barry.

Heligoland Jan Rüger, 2017 The story of Heligoland, the North Sea island which for generations stood as a symbol of Anglo-German conflict. A fascinating microcosm of a long and often troubled relationship covering two centuries and two world wars.

German Anglophobia And The Great War 1914 1918 Introduction

In today's digital age, the availability of German Anglophobia And The Great War 1914 1918 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of German Anglophobia And The Great War 1914 1918 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of German Anglophobia And The Great War 1914 1918 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing German Anglophobia And The Great War 1914 1918 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, German Anglophobia And The Great War 1914 1918 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing German Anglophobia And The Great War 1914 1918 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for German Anglophobia And The Great War 1914 1918 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, German Anglophobia And The Great War 1914 1918 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of German Anglophobia And The Great War 1914 1918 books and manuals for download and embark on your journey of knowledge?

FAQs About German Anglophobia And The Great War 1914 1918 Books

1. Where can I buy German Anglophobia And The Great War 1914 1918 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
