**Helga Herzog Godfrey, Eugen J. Herzog**

## **German Soldier In World War II:**

**The German Soldier in World War II** Dr Stephen Hart, Professor Russell A. Hart, Dr Matthew Hughes, 2023-06-15 The German Soldier in World War II is a graphic portrait of the life of the private soldier in the army of the Third Reich containing first hand accounts from German Army veterans who served in the war This book is for anyone interested in the history of World War II and the Third Reich

**WWII Diary of a German Soldier** Helga Herzog Godfrey, 2006-06-28 I was born and raised in Germany After my father's death my mother spent many winters with my husband and I here in Florida During these visits she and I transcribed my father's World War II diaries into German from the old Gabelsberger shorthand which only Mama was able to read Subsequently I translated them into English These diaries fortunately were discovered by my sister Sigrid in the attic upon the sale of the old family home after my father's passing in 1989 She felt Mama and I should translate these books for the family At a later point many friends and acquaintances encouraged me to publish this diary to document his thoughts experiences and innermost feelings from the beginning of his conscripted military service in 1939 through 1946 when he returned home after being released from a French POW labor camp During the latter part of 1946 and into 1947 an epilog describes his daily struggles to return to normalcy the resumption of his teaching career and the search for food to feed his family He describes his touching love for his family as well as his anger and hatred for the insane war and its inept leaders A war he was forced to participate in as an ordinary German soldier Many times he naively commented very unfavorably sometimes using choice words about Hitler the Nazi Party and his superiors a risk if found out could have cost him his life I myself have many memories of the war and its horrors as a little girl without a father spending night after night in a bunker the liberation of our small town by the Americans This has left deep and lasting impressions on me Later on I met a wonderful American with whom I fell in love and married with my father proudly walking me down the aisle This in spite of the resentment he held against Americans for shamefully turning him over to the French as a forced labor POW I remember his sadness when his little Murschel as he used to call me left for America with his conviction that if he was lucky he may be able to see me only once more during his lifetime However he was able to enjoy many trips to the United States and I with my family visited my parents often in Germany After reading his legacy I knew I have my beloved father's permission to share his writings with others and by doing so honor his memory

**The German Soldier in World War II** Michael Olive, Robert Edwards, 2014-09-15 A visual history of the German soldier on the Eastern Front of World War II Hundreds of photos many of them rare and never published before Photos of army and Waffen SS soldiers uniforms weapons equipment tanks and other vehicles aircraft villages life on the front lines and more Perfect complement to the narrative accounts in the Stackpole Military History Series Ideal reference for military history fans scholars modelers and reenactors

[Infantry Aces](#),

**Wwii Diary of a German Soldier** Helga Herzog Godfrey, Eugen J. Herzog, 2006 Born in Bronx New York growing up where there is now health issue but to survive Growing up on welfare and anything that life had to offer Projects housing a

little something to keep you warm from the cold not to have heat from the furnace but from the oven I wondering was the food acidic or not back then and it just build up in my system over the years Reading many books about cancer I learn that there is hope after all for those of us willing to take a chance By sticking to a balance diet certain herbs I was able to be cancer free      *Personal Effects of the German Soldier in World War II* Chris Mason,2006 A glimpse into the mundane minutia of the daily lives of ordinary German soldiers just before and during World War II It covers the little things they carried in their pockets and backpacks to make a sometimes terrifying often boring existence seem a little more bearable

**The German Soldier in World War II** Stephen Hart,Russell Hart,Matthew Hughes,2000 This historical narrative by two top scholars of World War II German military captures the daily life of a typical German infantryman from 1939 through 1945 Topics covered range from training indoctrination and life on leave to life on the Russian Front service in the Afrika Korps commanders and imprisonment in Allied POW camps A wealth of first person accounts provides the most minute details of life in the Third Reich during training and in combat on the Eastern Front and in North Africa with Rommel Occupational units Panzer forces and the major battles are all covered      **Frontsoldaten** Stephen G. Fritz,1997-06-19 Drawn from letters diaries and memoirs this impressive study presents a rounded detailed picture of the daily life for frontline Nazi soldiers Publishers Weekly Stephen G Fritz explores the day to day reality of the average German infantryman or Landser during World War II Through letters diaries memoirs and oral histories most of which describe life on the Russian front Fritz presents a richly textured portrait of the Landser that illustrates the complexity and paradox of his daily life Although clinging to a self image as a decent fellow the German soldier nonetheless committed terrible crimes in the name of The Third Reich When the war was finally over and his country lay in ruins the Landser faced a bitter truth all his exertions and sacrifices had been in the name of a deplorable regime that had committed unprecedented crimes With chapters on training images of combat living conditions combat stress the personal sensations of war the bonds of comradeship and ideology and motivation Fritz reveals war through the eyes of these self styled little men      *Soldaten - On Fighting, Killing and Dying* Sonke Neitzel,Harald Welzer,2012-09-25 In November 2001 as the world still reeled from the attack on the Twin Towers German historian Sonke Neitzel discovered an extraordinary cache of documents from the Second World War The documents were the transcripts of German prisoners of war talking among themselves in prisoner of war camps and secretly recorded by the allies In these apparently private conversations the soldiers talked freely and openly about their hopes and fears their concerns and their day to day lives With a banality and ease which to the modern reader can appear shocking they also talked about the horrors of war about rape death and killing Sonke Neitzel shared the material with renowned and bestselling psychologist Harald Wezler and they set about trying to make sense of the vast piles of documents the hours of transcripts The result is SOLDATEN a landmark book which will change the way we look at soldiers and war and is as relevant to our modern conflicts in Iraq and Afghanistan as it was to the soldiers of the German Army in 1945 Published to

huge acclaim and controversy in Germany it was a number one bestseller there and reignited the debate about the banality of evil under the Nazi regime      **The German War Machine in World War II** David T. Zabecki, 2019-12-02 This invaluable resource offers students a comprehensive overview of the German war machine that overran much of Europe during World War II with close to 300 entries on a variety of topics and a number of key primary source documents This book provides everything the reader needs to know about the German war machine that developed into the potent armed force under Adolf Hitler This expansive encyclopedia covers the period of the German Third Reich from January 1933 to the end of World War II in Europe in May 1945 Dozens of entries on key battles and military campaigns military and political leaders military and intelligence organizations and social and political topics that shaped German military conduct during World War II are followed by an illuminating epilogue that outlines why Germany lost World War II A documents section includes more than a dozen fascinating primary sources on such significant events as the Tripartite Pact among Germany Italy and Japan the Battle of Stalingrad the Normandy Invasion the Ardennes Offensive and Germany's surrender In addition six appendices provide detailed information on a variety of topics such as German army military commanders and military medals and decorations The book ends with a chronology and a bibliography of print resources      **Disobedience and Conspiracy in the German**

**Army, 1918-1945** Robert B. Kane, 2008-04-24 This work examines among other topics the personal oath of loyalty that the officers of the German army swore to Adolf Hitler on August 2 1934 It discusses how the majority of officers those who did not become conspirators against him complied with Hitler's orders until May 1945 despite his cruel treatment of soldiers militarily unsound strategy and tactics and the widespread destruction and crimes he and his forces committed The oath taken by the officers had a strong psychological effect among a proud corps with a long history of obedience and honor They followed Hitler to the end even though they knew they were fighting a losing battle The author also examines why and how only a few officers the conspirators began to break away lose trust in Hitler oppose him and finally stage an assassination attempt This history traces the development within the German army from 1918 of the philosophies of loyalty and disloyalty and obedience and disobedience as challenged by the Hitlerian oath of loyalty      **Boy Soldier** Gerhardt B.

Thamm, 2015-09-02 As a 15 year old boy I fought briefly in a war My fight was neither noble nor heroic I saw the horrors that no 15 year old boy should ever see I came into war purely by happenstance and survived it purely by luck Gerhardt B Thamm grew up on his grandfather's farm in Lower Silesia the hinterlands of Germany In early 1945 this land near the Czechoslovakian and Polish borders became a battleground The Soviets captured Lower Silesia in February and Thamm like many of his Hitler Youth high school classmates was conscripted to fight on the Eastern Front until the last few days of World War II experiencing firsthand fearsome barbarity and atrocity Thamm's family was deported from Silesia in 1946 to West Germany Gerhardt Thamm arrived in the United States in 1948 The 17 year old Thamm joined the U S Army the same year and served more than 20 years as an enlisted man Maybe just maybe I fought in this war to escape the barbarity Maybe I

wrote this book to still the memories      **German Military Vehicles of World War II** Jean-Denis G.G. Lepage,2014-11-18 This volume presents a cross section of the most common transport vehicles produced and used by the German army Tanks plus auxiliary vehicles such as cars motorcycles vans ambulances trucks and tractors made it possible for the troops to keep moving These lightly armored or unarmored vehicles aka soft skins operated behind the front lines maintaining supply lines connecting armies with their home bases and ultimately determining the outcome of battle Beginning with the development of military vehicles in the early 1930s this volume discusses the ways in which this new technology influenced and to some extent facilitated Hitler s program of rearmament Nomenclature standard equipment camouflage and the combat roles of the various vehicles are thoroughly examined Individual vehicle types are arranged and discussed by the following classifications cars and motorcycles trucks and tractors half tracks and wheeled combat vehicles Accompanied by well researched detailed line drawings each section deals with a number of individual vehicles describing their design manufacture and specific use

**US Soldier vs German Soldier** Chris McNab,2020-05-28 During World War II the US Army and its allies faced a formidable challenge the need to assault Hitler s Fortress Europe from the sea As a result during 1941-45 the US Army had to add amphibious assault to its list of combat capabilities Officers and troops from across the US Armed Forces had to develop the techniques and technologies to assault the coasts of Axis occupied Europe from logistics to beach assault and beachhead consolidation and more In order to win and hold a contested beachhead in the face of bitter enemy resistance the amphibious warfare specialists played a variety of essential battlefield roles if the US troops could not establish a beachhead quickly they risked being thrown back into the sea For their part the Germans had to devise a practical defensive doctrine that made the most of the limited resources and troops available and the terrain The German infantry defenders immediately around the landing areas had to be able to call upon support from nearby artillery mechanized troops and armoured forces to have a chance of containing the enemy beachhead This illustrated study analyses the specialist beach landing troops involved in three key battles the Allied amphibious landings at Salerno and Anzio in Italy and Omaha Beach in Normandy focusing upon the US Army s various types of beach assault specialists and their German opponents whose combat experience and effectiveness varied considerably Each of the three featured battles is then examined in detail exploring how the Germans made defensive preparations how the US troops planned to overcome them and the immediate actions undertaken by the US amphibious specialists and their German opponents both during and following the main assault landings      **The Eastern Front, 1941-45, German Troops and the Barbarisation of Warfare** O. Bartov,2001-07-30 Based largely upon unpublished sources Omer Bartov s study looks closely at the background of the German army on the Eastern Front during the Second World War He describes the physical hardship the discipline and morale at the front and analyses the social educational and political background of the junior officers who formed the backbone of the German army Only with these factors in mind together with the knowledge of the extent of National Socialist indoctrination can we begin to explain the

criminal activities of the German army in Russia and the extent of involvement of the army in the execution of Hitler's brutal policies

**World War 2** Ryan Jenkins, 2014-11 UPDATE THIRD EDITION WITH EVEN MORE ADDED CONTENT Few would argue that the Nazi Germany Regime was brutal and inhumane The atrocities that were committed by the Nazis will remain a shameful chapter in history for possibly centuries to come Beyond that though are the humans behind the swastika This book takes a look at those men In Poland the Germans fought for ground taking a beating on all sides At times they were forced back but eventually prevailed While we do not celebrate their win the story behind it is a tactical lesson A lesson that even modern military leaders can take note of This story is not just about the Germans though but the valor of the Polish men who fought back against them as well There is the story of a German soldier that earned one of the highest medals for combat action after fighting for over 50 days of close combat until he was injured and captured by the Soviets Read about his war actions and the other honors that he earned Find out if he survived the war or if he was lost forever in Soviet hands Then there is the chilling story of Stalingrad and the dreaded Kessel This was not just a battle of a city but of a larger scale The horrors that awaited the soldiers there were some of the worst in the war outside of the Germans own concentration camps Read about what desperate measures desperate men took in order to survive This book takes a look at the other side of the lines without judgement or endorsement If you ever wondered what happened on the other side of the battle this is the perfect place to start

Comments from Other Readers I have read many of Ryan Jenkins book I appreciate the style and their succinct structure More than the ease in which I am able to read these books I love the content I enjoy being regaled with history I don't like books that are overwrought or the cover something common I read the first 2 parts of soldier stories and I enjoyed them When I learned about part 2 I had to buy In this installment I learned about the war from the German perspective Oftentimes we learn about the evils of the Third Reich but told from another perspective It's good to get that insight I feel I have a better understanding of that part of history as a result of reading this Rob Columbus USA There are plenty of stories that you may not know about that happened during World War 2 since the main focus is on the survivors and those whose accounts were written before death This is a great book if you want to know more about the German side Not all of them were bad people so this is very interesting to me This book accounts for only a few soldiers but it's very detailed on what they went through during the course of the war Ashleigh San Diego USA

**German Soldiers of World War Two** Jean De La Garde, 2014 Every soldier is shown on a full page front and back with numerous detail shots of head gear equipment etc The chronological order of the original edition is retained while the widest selection of types of Third Reich armed forces members is featured from the most famous uniforms to the more obscure In addition to land forces this book also offers a wide selection of airmen and sailor uniforms

*US Airborne Soldier vs German Soldier* David Campbell, 2018-06-28 The US Airborne force fielded some of the toughest best trained and most resourceful troops of World War II all necessary qualities in a force that was lightly armed and which would in most operational circumstances be

surrounded from the moment it landed on the battlefield The German Wehrmacht grew to rely on a series of defensive measures to combat the airborne threat including fortifications localized reserves and special training to help intercept and disrupt airborne troops both in the air and on the ground Despite such methods it was cool headed command and control that would prove to be the real key to blunting the Airborne s edge Using specially commissioned artwork this book examines the development of the American airborne forces that spearheaded the Allied effort in Sicily Normandy and Operation Market Garden and the German countermeasures that evolved in response to the threat of Allied airborne landings *The Organization and Order of Battle of Militaries in World War II* D. Pettibone Charles D. Pettibone, Charles D. Pettibone, 2009-11 [German Infantryman \(2\) Eastern Front 1941-43](#) David Westwood, 2012-10-20 In this second volume examining the German infantryman before and during World War 2 post 1941 training weapons equipment combat experiences and medical care are examined The faceless German soldier who struggled through bitter fighting up to and including Stalingrad retains his identity both as a human being and as a vital part of the Wehrmacht s order of battle Containing a full array of previously unpublished photographs taken by German soldiers during the invasion of Russia this book shows in superb detail daily life and duties the soldiers themselves and combat action

### German Soldier In World War Ii Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading German Soldier In World War Ii free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading German Soldier In World War Ii free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading German Soldier In World War Ii free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading German Soldier In World War Ii. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading German Soldier In World War Ii any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About German Soldier In World War Ii Books

**What is a German Soldier In World War Ii PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a German Soldier In World War Ii PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a German Soldier In World War Ii PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a German Soldier In World War Ii PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a German Soldier In World War Ii PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
