Fritz R. Stern

German Theories Of The Corporative State With Special Reference To The Period 1870 1919:

German Theories of the Corporative State Ralph H. Bowen, 1971 German Theories of the Corporative State Ralph Henry Bowen, 1971 The Politics of Cultural Despair Fritz Richard Stern, 1961 **The Politics of Cultural Despair** Fritz R. Stern, 2023-09-01 This is a study in the pathology of cultural criticism By analyzing the thought and influence of three leading critics of modern Germany this study will demonstrate the dangers and dilemmas of a particular type of cultural despair Lagarde Langbehn and Moeller van den Bruck their active lives spanning the years from the middle of the past century to the threshold of Hitler s Third Reich attacked often incisively and justly the deficiencies of German culture and the German spirit But they were more than the critics of Germany s cultural crisis they were its symptoms and victims as well Unable to endure the ills which they diagnosed and which they had experienced in their own lives they sought to become prophets who would point the way to a national rebirth Hence they propounded all manner of reforms ruthless and idealistic nationalistic and utopian It was this leap from despair to utopia across all existing reality that gave their thought its fantastic quality This is a study in the pathology of cultural criticism By analyzing the thought and influence of three leading critics of modern Germany this study will demonstrate the dangers and dilemmas of a particular type of cultural despair Lagarde Langbehn an **Political Ideals** Houston Stewart Chamberlain, 2005-03 This edition of Houston Stewart Chamberlain s Politische Ideale 1915 reveals the historical significance of Chamberlain in German conservative political philosophy Contrasting the vital nationalistic state with the sterile commercialism of liberal democracies moral freedom with the unruly selfishness of democratic parties and the decaying culture of the Anglo Saxon peoples with the relatively pure Teutonic Chamberlain evokes in this work with the deftest of strokes the principal elements of a genuinely conservative state Apart from studying the salient points of Chamberlain s political doctrine of state formation the Introduction to this translation surveys the Prussian intellectual antecedents of Chamberlain Paul de Lagarde and Heinrich von Treitschke The works also examines the legacy of Chamberlain s political thought in the Neoconservatism and Prussianism of the Weimar conservatives Oswald Spengler Arthur Moeller van den Bruck and Edgar Julius Jung as well as in the work of the National Socialist ideologue Alfred Rosenberg **Max Weber's Politics of Civil Society** Sung Ho Kim, 2004-06-07 This book is an in depth interpretation of Max Weber as a political theorist of civil society On the one hand it reads Weber s ideas from the perspective of modern political thought rather than the modern social sciences on the other it offers a liberal assessment of this complex political thinker without attempting to apologize for his shortcomings Through an alternative reading of Weber s religious epistemological and political writings the book shows Weber s concern with public citizenship in a modern mass democracy and civil society as its cultivating ground Kim argues Weber s political thought thus recast was deeply informed by Kant Hegel Nietzsche and other German political thinkers and also reveals an affinity to the liberal republican tradition best represented by Mill and Tocqueville Kim has effectively resuscitated Weber as a political thinker for our time in which

civic virtues and civil society have once again become one of the dominant issues The German Werkbund Joan Campbell,2015-03-08 For years one of Germany's foremost cultural organizations the Werkbund included in its membership such pioneers of the modern movement as Henry van de Velde Hermann Muthesius Walter Gropius and Mies van der Rohe Joan Campbell traces its history from its founding in 1907 to 1934 when it was absorbed into the bureaucracy of the National Socialist State The Werkbund set out to prove that organized effort could revitalize the applied arts and architecture In addition to acting as an agent of reform it provided a forum for the debate of such broad concerns as the need to restore joy and dignity to work in modern industry Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 German Peasants and Agrarian Politics, 1914-1924 Robert G. Moeller,2017-10-10 Robert Moeller investigates the German peasantry's rejection of the Weimar Republic in the 1920s and provides a new interpretation of Catholic peasant conservatism in western Germany According to Moeller rural support for conservative political solutions to the troubled Weimar Republic was the result of a series of severe economic jolts that began in 1914 and continued unabated until 1933 During the late nineteenth century peasant farmers in the Rhineland and Westphalia adjusted their production to a capitalist market and enjoyed an unprecedented period of prosperity that lasted until the outbreak of World War I After August 1914 peasant producers confronted state intervention in the agricultural sector regulation of prices and markets and the subordination of agrarian interests to the demands of urban consumers A controlled economy for many agricultural products continued into the postwar period Focusing on the Catholic peasantry Moeller shows that peasant rejection of the Weimar Republic was firmly grounded in the immediate circumstances of the war economy and the uneven process of postwar recovery He challenges the dominant view that rural support for conservative political solutions was primarily the product of the peasantry's hostility toward industrial capitalism and of long term social and political affinities dating from the nineteenth century Moeller's findings show that conservative agrarian ideology was carefully formulated in response to the specific peasant grievances that originated in this period of continuing economic and political crisis Originally published in 1986 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Taylorism Transformed** Stephen P. Waring,2016-08-01 This intellectual history interprets recent American business management ideas as political theory describing their underlying assumptions about power and value According to Stephen Waring most business

management theory descends from either Frederick Taylor's bureaucratic theory of scientific management or Elton Mayo's corporatist idea of human relations. Waring discusses the subsequent evolution of several management theories and techniques including organization theory, computer simulation, management by objectives, sensitivity training, job enrichment, and innovations usually attributed to the Japanese such as quality control circles.

Ordering Medieval Society Bernhard Jussen, 2001. These essays challenge a once dominant mode of German medieval studies: constitutional history. In doing so, they reimagine a more dynamic and less hierarchical Middle Ages. *Medieval Review*

Social Conservatism and the Middle Class in Germany, 1914-1933 Herman Lebowits, 2015-12-08. Uprooted by the war, exposed to the full brunt of economic dislocation and fearful of losing status in face of the growing might of big business and organized labor, the middle classes in Weimar Germany longed for a solution to their plight that neither the capitalism nor the socialism of their day could offer. This work examines the attempts of a number of scholars and publicists: Sombart, Salin, Spann, Niekisch, Spengler, and Fried, to provide such a solution in the form of an ideology of social conservatism. Originally published in 1969, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Law and Competition in Twentieth Century Europe David J. Gerber, 1998. Protecting economic competition has become a major objective of European governments. David Gerber explains the framework of competition law and emphasises the political and economic issues it raises.

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1947. Includes Part 1A Books, Part 1B Pamphlets, Serials and Contributions to Periodicals, and Part 2 Periodicals. Part 2 Periodicals incorporates Part 2 Volume 41, 1946 New Series.

Entrepreneurs of Ideology Gary D. Stark, 2018-08-25. Stark examines the importance of publishers and the book industry in the rise of twentieth-century Germany's radical right-wing cultural movements. He shows that these men thought their professional calling conferred upon them the right and responsibility to provide guidance for the German nation. The book industry created new currents of thought, fused them into a coherent ideological system, and spread this system to a wide audience. Originally published in 1981, A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value.

The Commercial Society Samuel Gregg, 2007-03-29. Once relatively confined to parts of Europe and North America, commercial societies are now found in many other cultures and continents. Yet despite the international spread and growth of commercial order, the moral, economic, and legal foundations of commercial society remain poorly understood, especially in those countries

where it first took root Guided by the thoughts of Alexis de Tocqueville Samuel Gregg's *The Commercial Society* identifies and explores the key foundational elements that must exist within a society for commercial order to take root and flourish Gregg studies the challenges that have consistently impeded and occasionally undermined commercial order including the persistence of corporatist values and political movements seeking to equalize social conditions This book offers a historically grounded analysis for modern audiences interested in philosophy or the history of economics

The Origins of Nonliberal Capitalism Wolfgang Streeck, Kozo Yamamura, 2005 In this book German sociologists and American and Japanese political scientists draw extensively on the work of economists and historians from their home countries as well as from the United Kingdom and France

Political Theory in Modern Germany Chris Thornhill, 2013-06-10 This book provides an accessible and comprehensive introduction to the major political thinkers of modern Germany It includes chapters on the works of Max Weber Carl Schmitt Franz Neumann Otto Kirchheimer Jürgen Habermas and Niklas Luhmann These works are examined in their social and historical contexts ranging from the period of Bismarck to the present day A clear picture is presented of the connections between individual theoretical positions and the general political conditions of modern Germany Areas of political history covered in particular depth include nineteenth century legal and parliamentary history aspects of German liberalism Weimar social democracy political Catholicism Adenauer and Erhard Brandt's reforms and the Tendenzwende of the late 1970s By closely linking intellectual and political history this work examines how recent German political theory has developed as a set of varying responses to recurring aspects and problems of political life in modern Germany At the same time it addresses the philosophical and political implications of the works which it treats and it critically examines how modern German political theory has contributed to broader attempts to theorize political legitimacy and politics itself This book will be of interest to students of political theory German studies and European political history

Army, Industry and Labour in Germany, 1914-1918 Gerald Feldman, 2014-03-04 This innovative study by one of the leading specialists in the field examines the social and economic role of the German army in the nation's internal affairs during the First World War This was the area in which the influence of the army was most direct and profound Germany's wartime economic mobilisation was both planned and directed by the army and as a consequence of this largely unanticipated responsibility the army was compelled to cope with the great social conflicts of Imperial Germany In the process of confronting the groups representing army and labour the army paved the way for the establishment of collective bargaining in Germany and also created the foundations for the postwar inflation

Religion and Politics in the Nineteenth-Century Kimberly Cowell-Meyers, 2002-06-30 Cowell-Meyers examines the continued sectarian conflict on the island of Ireland from a comparative and historical framework Analyzing the process through which sectarian conflict was managed on the continent she identifies the unique evolution of the Irish situation Whereas European Catholics such as those in the new Germany developed an institutional pillar to defend themselves and protect their interests in the modern plural state Irish Catholics

developed a radical nationalist movement in the same period at the end of the 19th century As elements of the British political system pushed the Irish Catholic mobilization toward more separatist goals and means they thwarted the process of accommodation seen in other European settings The shape and dynamics of Catholic mobilization in the last three decades of the 19th century set Catholics and Protestants on a path toward the management of sectarian conflict in Germany and continental Europe and toward the perpetuation of conflict in Ireland Much like conflict resolution literature as well as liberal and pluralist theory mischaracterizes the role of exclusive voluntary associations in the amelioration of conflict Cowell Meyers asserts that voluntary organizations if they are encouraged to do so as they were in continental Europe in the late 19th century can provide the channels through which intense conflicts are managed Although exclusive mobilizations reinforce social cleavages careful handling may make them constructive political formations that allow for the channeling of differences Of particular interest to scholars students and other researchers involved with peace and conflict resolution religion and politics and the history of modern Ireland and Germany *The Papal Ideology of Social Reform*

German Theories Of The Corporative State With Special Reference To The Period 1870 1919 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading German Theories Of The Corporative State With Special Reference To The Period 1870 1919 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading German Theories Of The Corporative State With Special Reference To The Period 1870 1919 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading German Theories Of The Corporative State With Special Reference To The Period 1870 1919 free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading German Theories Of The Corporative State With Special Reference To The Period 1870 1919. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading German Theories Of The Corporative State With Special Reference To The Period 1870 1919 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About German Theories Of The Corporative State With Special Reference To The Period 1870 1919 Books

1. Where can I buy German Theories Of The Corporative State With Special Reference To The Period 1870 1919 books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
