German Foreign Policy 1917-1933 Continuity Or Break

Stephen J. Lee

German Foreign Policy 1917-1933 Continuity Or Break:

German Foreign Policy, 1918-1945 Christoph M. Kimmich, 2013-03-14 Christoph Kimmich's *German Foreign Policy 1918-1945: A Guide to Current Research and Resources* is a comprehensive guide to archival resources and published materials on the foreign policy of Weimar and Nazi Germany. It catalogues the archives, libraries, and research institutes both public and private that house important collections, especially in Germany but also elsewhere in Europe and in the United States, and describes their holdings, terms of access and use, and guides and inventories available. *German Foreign Policy 1918-1945* also includes a substantial annotated bibliography of published sources ranging from documentary series to significant contemporary accounts from memoirs to secondary works. The bibliography reflects current scholarship and draws attention to works that are innovative and accessible. It also describes the various series of the Nuremberg War Crimes Trial Records and the original trial documents available in archives and libraries. The guide canvasses the vast and growing offering of materials on the Web, digitized print materials, archival inventories, and source materials. In order to expedite work in the archives, the guide also explains the organization and functioning of the German foreign ministry between 1918 and 1945 and how it kept and stored its records. This third edition offers new information on German archives, many of which were consolidated and relocated after German reunification, on recently discovered archival holdings, and on materials posted on the Web. It is a reference source for both established scholars and young researchers, offering quick and efficient access to the voluminous research and research materials that are now available.

The Tragedy of Great Power Politics (Updated Edition) John J. Mearsheimer, 2003-01-17 A superb book, Mearsheimer has made a significant contribution to our understanding of the behavior of great powers. Barry R. Posen, *The National Interest*. The updated edition of this classic treatise on the behavior of great powers takes a penetrating look at the question likely to dominate international relations in the twenty-first century: Can China rise peacefully? In clear, eloquent prose, John Mearsheimer explains why the answer is no: a rising China will seek to dominate Asia, while the United States, determined to remain the world's sole regional hegemon, will go to great lengths to prevent that from happening. The tragedy of great power politics is inescapable.

Organizing the 20th-Century World Karen Gram-Skjoldager, Haakon Andreas Ikonomou, Torsten Kahlert, 2020-11-12 International Organizations play a pivotal role on the modern global stage, and, as this book argues, since the beginning of the 20th century. This volume offers the first historical exploration into the formative years of international public administrations, covering the birth of the League of Nations and the emergence of the second generation that still shape international politics today, such as the UN, NATO, and OECD. Centring on Europe, where the multilateralization of international relations played out more intensely in the mid-20th century than in other parts of the world, it demonstrates a broad range of historiographical and methodological approaches to institutions in international history. The book argues that, after several turns, cultural, linguistic, material, transnational, and international history is now better equipped to restate its core questions of policy and power.

with a view to their institutional dimensions Making use of new approaches in the field this book develops an understanding of the specific powers and roles of IO administrations by delving into their institutional make up The Origins of the First World War Annika Mombauer,2013-12-02 The seminal event of the 20th century the origins of the First World War have always been difficult to establish and have aroused deep controversy Annika Mombauer tracks the impassioned debates as they developed at critical points through the twentieth century The book focuses on the controversy itself rather than the specific events leading up to the war Emotive and emotional from the very beginning of the conflict the debate and the passions aroused in response to such issues as the war guilt paragraph of the treaty of Versailles are set in the context of the times in which they were proposed Similarly the argument has been fuelled by concerns over the sacrifices that were made and the casualties that were suffered Were they really justified *Germany and Europe 1919-1939* John Hiden,2014-09-25 This is the only short study in English to survey Germany's foreign policy from a German viewpoint across the entire inter war period The approach which sets Germany in her full European context is not narrowly diplomatic and it gives as much attention to the Weimar years of the 1920s as it gives to the more familiar story of Germany's international relations under the Third Reich John Hiden has now thoroughly revised his text to take account of new scholarship since the book first appeared in 1977 The Weimar Republic Stephen J. Lee,2013-09-13 The Weimar Republic provides a comprehensive introduction to Germany in the aftermath of the First World War Exploring themes including the formation of the Republic the impact of the Treaty of Versailles and the Republic's problems and achievements it is an invaluable study guide This second edition includes two new chapters the first looks at the Chancellors and Presidents of the Republic the second assesses the career of Gustav Stresemann It also contains a timeline and updated analysis to enhance readers understanding of events and controversies Integrating historical interpretation exam style questions and evaluation of sources this book provides students with a clear understanding and a foundation for examination success **Romanian Policy Towards Germany, 1936-40** R. Haynes,2016-01-20 This new book based on archival research contests the assumptions that Romania remained pro Western in the late 1930s and only joined the Axis as a result of Western negligence and German pressure Instead Germany was drawn by Romanian politicians into political and economic cooperation with Bucharest In the event this proved Romania's undoing Let down by her German protector she was forced to cede territory to the Soviet Union Hungary and Bulgaria Subsequently Romania was allowed into the alliance she sought with Germany **The Lost Man** Peter J. Hempenstall,Paula Tanaka Mochida,2005 This new and innovative biography portrays the life of Wilhelm Heinrich Solf a man who lived from Bismarck to Hitler 1862 1936 and whose life was deeply entangled with the ups and downs of Germany's domestic and in particular foreign and international policies Solf went from carving out a name for himself as a liberal and successful colonial Governor to becoming the imperial colonial minister of the Kaiserreich before World War I During the war he struggled to influence the Kaiser's ruling circle away from its aggressive military policies towards a negotiated peace

rising to become imperial Germany's last Foreign Minister. He was appointed Weimar's ambassador to Japan and turned out to be the Republic's most successful and cultured diplomat overseas, restoring the relationship between the two former enemies. On his return to Germany, Solf became involved with several political attempts to forestall Hitler's rise to power. He and his family worked against the Nazis' anti-Semitic policies. In fact, the Solf circle became an important opposition group. After Solf's death, his wife Hanna and daughter Lagi, who was born in Samoa, continued this work and were imprisoned by the Nazis. While their accomplices were executed during the war, the Solf women escaped by the barest of margins as the Russians invaded Berlin in the last stages of the war.

Text in English with a German summary **The German-speaking Countries of Europe** Margrit Beran Krewson, 1989 Germany and Eastern Europe, 2023-08-14

The opening up and subsequent tearing down of the Berlin Wall in 1989 effectively ended a historically unique period for Europe that had drastically changed its face over a period of fifty years and redefined in all sorts of ways what was meant by East and West. For Germany in particular, this radical change meant much more than unification of the divided country, although initially this process seemed to consume all of the country's energies and emotions. While the period of the Cold War saw the emergence of a Federal Republic distinctly Western in orientation, the coming down of the Iron Curtain meant that Germany's relationship with its traditional neighbours to the East and the South East, which had been essentially frozen or redefined in different ways for the two German states by the Cold War, had to be rediscovered.

This volume, which brings together scholars in German Studies from the United States, Germany, and other European countries, examines the history of the relationship between Germany and Eastern Europe and the opportunities presented by the changes of the 1990s, drawing particular attention to the interaction between the willingness of German and its Eastern neighbours to work for political and economic integration on the one hand and the cultural and social problems that stem from old prejudices and unresolved disputes left over from the Second World War on the other.

A History of Modern Germany Martin Kitchen, Lauren Faulkner Rossi, 2023-08-15

A HISTORY OF MODERN GERMANY A History of Modern Germany provides a comprehensive account of the social, political, and economic history of Germany from 1800 to the present. Written in an engaging and accessible narrative style, this popular textbook offers an expansive view of the nation's complex and fragmented past, tracing the development of the German national consciousness through Napoleonic rule, the unification of Germany, the German Empire, the Weimar Republic, the Third Reich, post-war division, the collapse of Communism, reunification, and the first two decades of the 21st century. Throughout the text, the authors discuss the tensions prompted by structural changes within Germany, long-term shifts in demographics, social and economic reforms, and more. Now in its third edition, A History of Modern Germany offers richer coverage of German cultural history, the German Democratic Republic, modernization, class, religion, and gender. Updated chapters explore continuity in imperial projects from Bismarck to Hitler, memory and commemoration since 1945, the distinct but intertwined histories of the two Germanys between 1949 and 1989, and the experience of diversity after the

Second World into the post unification era A History of Modern Germany 1800 to the Present Third Edition is an excellent textbook for undergraduate students taking courses in modern German history or modern European history as well as general readers with an interest in the subject

On the Origins of War Donald Kagan, 1996-01-01 A brilliant and vitally important history of why states go to war by the acclaimed award winning author of The Peloponnesian War War has been a fact of life for centuries By lucidly revealing the common threads that connect the ancient confrontations between Athens and Sparta and between Rome and Carthage with the two calamitous World Wars of the twentieth century renowned historian Donald Kagan reveals new and surprising insights into the nature of war and peace Vivid incisive and accessible Kagan s powerful narrative warns against complacency and urgently reminds us of the importance of preparedness in times of peace

While America Sleeps Donald Kagan, Frederick Kagan, 2014-09-30 In While England Slept Winston Churchill revealed in 1938 how the inadequacy of Britain s military forces to cope with worldwide responsibilities in a peaceful but tense era crippled its ability to deter or even adequately prepare for World War II In While America Sleeps historians Donald and Frederick Kagan retrace Britain s international and defense policies during the years after World War I leading up to World War II showing in persuasive detail how self delusion and an unwillingness to face the inescapable responsibilities on which their security and the peace of the world depended cost the British dearly The Kagans then turn their attention to America and argue that our nation finds itself in a position similar to that of Britain in the 1920s For all its emergency interventions the U S has not yet accepted its unique responsibility to take the lead in preserving the peace Years of military cutbacks the peace dividend following the buildup and triumph over Communism of the Reagan years have weakened our armed forces and left us with too few armed forces to cover too many possible threats This has caused us to bank everything on high tech smart weapons some of which have not yet been invented and others that we are not acquiring or deploying as opposed to the long term commitment of money fighting men and women and planning that the deterrence of a major war would require This failure to shape a policy and to commit the resources needed to maintain peace has cost valuable time in shaping a peaceful world and has placed America s long term security in danger The policies of the Bush and Clinton administrations have left us in a position where we cannot avoid war and keep the peace in areas vital to our security Neither have the post Cold War policies sent clear signals to would be aggressors that the U S can and will resist them Tensions in the Middle East instability in eastern Europe and the former Soviet Union the nuclear confrontation between India and Pakistan the development of nuclear weapons and missiles by North Korea and the menacing threats and actions of China with its immense population resentful sense of grievance and years of military buildup all hint that the current peaceful era will not last forever Can we make it last as long as possible Are we prepared to face its collapse While America Sleeps is a sobering fascinating work of history that poses a thoughtful challenge to policy makers and will interest military buffs as well as readers interested in history and international relations

A Short History of the Weimar Republic Colin

Storer,2013-04-10 It is impossible to understand the history of modern Europe without some knowledge of the Weimar Republic The brief fourteen year period of democracy between the Treaty of Versailles and the advent of the Third Reich was marked by unstable government economic crisis and hyperinflation and the rise of extremist political movements At the same time however a vibrant cultural scene flourished which continues to influence the international art world through the aesthetics of Expressionism and the Bauhaus movement In the fields of art literature theatre cinema music and architecture not to mention science Germany became a world leader during the 1920s while her perilous political and economic position ensured that no US or European statesman could afford to ignore her Incorporating original research and a synthesis of the existing historiography this book will provide students and a general readership with a clear and concise introduction to the history of the first German Republic **Britain and the Problem of International Disarmament** Carolyn J.

Kitching,2003-05-20 In the aftermath of the Great War multilateral disarmament was placed at the top of the international agenda by the Treaty of Versailles and the Covenant of the League of Nations This book analyzes the naval air and land disarmament policies of successive British governments from 1919 to 1934 articulating their dilemma either to fulfil their obligations or to avoid them Daring and controversial the present study challenges the hitherto accepted view that Britain occupied the high moral ground by drastically reducing its armaments and argues that during this period British disarmament policy was reactive and generally failed to provide the leadership that this extremely sensitive time in international politics demanded **The Routledge Companion to Nazi Germany** Roderick Stackelberg,2007-12-12 Combines

a narrative overview with chronological bibliographical and tabular information to cover major aspects of Nazi Germany This guide provides a survey of topics such as origins and consolidation of the Nazi regime **A History of Germany 1918 - 2008**

Mary Fulbrook,2011-08-10 The third edition of A History of Germany traces the dramatic social cultural and political tensions in Germany since 1918 Offers a persuasive interpretation of the dynamics of twentieth century German history Treats German history from 1918 2008 from the perspective of division and reunification covering East and West German history in equal depth Covers the self destructive Weimar Republic the extremes of genocide and military aggression in the Nazi era the division of the nation in the Cold War and the collapse of communist East Germany and unification in 1990 New edition includes updates throughout especially covering the Nazi period and the Holocaust a new chapter on Germany since the 1990s and a substantially revised and updated bibliography **A Companion to Europe, 1900 - 1945** Gordon

Martel,2011-03-21 This volume brings together a distinguished group of international scholars to discuss the major debates in the study of early twentieth century Europe Brings together contributions from a distinguished group of international scholars Provides an overview of current thinking on the period Traces the great political social and economic upheavals of the time Illuminates perennial themes as well as new areas of enquiry Takes a pan European approach highlighting similarities and differences across nations and regions **The Rise and Fall of the Great Powers** Paul

Kennedy,2010-10-27 About national and international power in the modern or Post Renaissance period Explains how the various powers have risen and fallen over the 5 centuries since the formation of the new monarchies in W Europe

Europe Sven Tägil,2001-01-01 This anthology gives an overview and an in depth description of Europe in historical terms providing explanation for the current period of dramatic development and integration process that has led to the increased strength of the European Union It also explores the simultaneous trend towards disintegration with an increased number of nationalist strivings of the traditional kind attempting to foresee the future structures by understanding the underlying processes through an analysis of the historical background

German Foreign Policy 19171933 Continuity Or Break Introduction

In the digital age, access to information has become easier than ever before. The ability to download German Foreign Policy 19171933 Continuity Or Break has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download German Foreign Policy 19171933 Continuity Or Break has opened up a world of possibilities.

Downloading German Foreign Policy 19171933 Continuity Or Break provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading German Foreign Policy 19171933 Continuity Or Break has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download German Foreign Policy 19171933 Continuity Or Break. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading German Foreign Policy 19171933 Continuity Or Break. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers,

and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading German Foreign Policy 19171933 Continuity Or Break, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download German Foreign Policy 19171933 Continuity Or Break has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About German Foreign Policy 19171933 Continuity Or Break Books

1. Where can I buy German Foreign Policy 19171933 Continuity Or Break books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
