

German Offensives Of 1918

Holger Afflerbach

German Offensives Of 1918:

The German Offensives of 1918 Ian Passingham, 2008-09-22 The author of *All the Kaiser's Men* provides a very helpful reference to the battles which finally led to the German Army's defeat in the field. The Western Front Association. Few pivotal years in history are less understood than that of 1918. It was a momentous period which began with Germany's desperate gamble to win the Great War through a sequence of offensives on the Western Front. Ian Passingham's graphic new study draws on a wide range of original German, British and French sources and it features previously unpublished eyewitness accounts and photographs. He boldly reassesses German military doctrine, the strategic thinking behind the offensives and the effectiveness of the stormtroop tactics used. He also considers how the poor state of German military morale and the privations and unrest of the German people contributed to the army's defeat. **1918** John Sheen, 2008-03-21 Serves to illustrate the carnage of battle throughout the three critical months of 1918: March, April and May. An amazing archive. *The Great War Magazine*. In March 1918 the German Army launched a series of offensives that brought them very close to winning the war. Military photographers followed their advance and took many photographs of the operations as they progressed. This is the war seen from the German perspective. British and French soldiers lie dead on the battlefield and Allied prisoners are escorted to the rear as the German Artillery pound away covering the advance of the Feldgrau. These photographs are seldom seen in books dealing with the allied point of view. Many scarce and rare photographs show the carnage of battle throughout March, April and May 1918. The author has also included group photographs of some of the units involved as well as memorial cards of individuals who fell or died of wounds. This book will be a useful reference to anyone with an interest in the German Army during the First World War. Provides a good close up look at soldiers, guns, shells, small arms and other points of interest. Over the Front. It is like watching a well made documentary unfold before your eyes. The whole book is a superb piece of work, highly recommended. *Destructive Music*. Particularly atmospheric. This is an unusual and welcome selection of illustrations. *Military Illustrated*. *The German 1918 Offensives* David T. Zabecki, 2006-09-27 This is the first study of the Ludendorff Offensives of 1918 based extensively on key German records presumed to be lost forever after Potsdam was bombed in 1944. In 1997 David T. Zabecki discovered translated copies of these files in a collection of old instructional material at the U.S. Army Command and General Staff College at Fort Leavenworth, Kansas. He presents his findings here for the first time with a thorough review of the surviving original operational plans and orders to offer a wealth of fresh insights to the German Offensives of 1918. David T. Zabecki clearly demonstrates how the German failure to exploit the vulnerabilities in the BEF's rail system led to the failure of the first two offensives and how inadequacies in the German rail system determined the outcome of the last three offensives. This is a window into the mind of the German General Staff of World War I with thorough analysis of the German planning and decision making processes during the execution of battles. This is also the first study in English or in German to analyze the specifics of the aborted Operation HAGEN plan. This is also

the first study of the 1918 Offensives to focus on the operational level of war and on the body of military activity known as the operational art rather than on the conventional tactical or strategic levels This book will be of great interest to all students of World War I the German Army and of strategic studies and military theory in general **Kaiserschlacht 1918**

Randal Gray,2004 This title describes how using new Storm Trooper units and high mobility tactics the German Operation Kaiserschlacht shattered the front line broke into open country and came within a hair s breadth of winning the First World War *The German 1918 Offensives in France & Flanders* John Sheen,2008 In March 1918 the German Army launched a series of offensives that brought them very close to winning the war Military photographers followed their advance and took many photographs of the operations as they progressed This is the war seen from the German perspective British and French soldiers lie dead on the battlefield and Allied prisoners are escorted to the rear as the German Artillery pound away covering the advance of the Feldgrau These photographs are seldom seen in books dealing with the allied point of view Many scarce and rare photographs show the carnage of battle throughout March April and May 1918 The author has also included group photographs of some of the units involved as well as memorial cards of individuals who fell or died of wounds This book will be a useful reference to anyone with an interest in the German Army during the First World War **The German**

Offensives of 1918 Martin Kitchen,2001 A campaign history of the Kaiser s 1918 Western front offensives attacks that very nearly won the first world war for imperial Germany The Paris Gun Henry Willard Miller,1930 1918 Trevor Nevitt Dupuy,Julia Crick,1967 *Paris Gun. the Bombardment of Paris by the German Long-Range Guns and the Great German Offensives of 1918* Henry W. Miller,2003-07 This is the story of a unique gun called by the Germans the Pariskanone and mistakenly referred to by our troops as Big Bertha The gun was 210mm calibre with a barrel length of 130 feet an overall weight of 142 tons and a maximum range of about 80 miles It was designed to fire on Paris bringing alarm and despondency to a population which though subject to air bombardment had no reason to suppose they were threatened by enemy artillery The design manufacture the training of the crews and the preparation of the firing sites are all described but the main aim of the book is to describe the four bombardments that were carried out by this weapon and the effects material and morale wise The use of the Paris Gun was incorporated in the planning of the major German offensives of the first half of 1918 March 21st was the first day of the assault and at 7 20 am on 23rd March the first shot was fired The four periods during which the gun was in action were 23 April 1 May 27 May 11 June 15 19 July and 5 9August on which day the last round was fired The author a Lt Col in the US Ordnance describes each of these bombardments against a background of the ongoing German offensive and the progress of the ground forces There are differing figures as to the total number of rounds fired but it was at least 300 and according to The Times Diary and Index of the War the total casualty figures were 196 killed 417 wounded though how accurate these figures are may be open to question the author doesn t give any that could be found On the whole he appears to admire the Germans in their achievements the last sentence in the book reads And events of the years since the Armistice

only prove how wise the Germans have been in refusing ever to admit defeat

The Cambridge History of the First World War: Volume 1, Global War Jay Winter, 2014-01-09 This first volume of The Cambridge History of the First World War provides a comprehensive account of the war's military history. An international team of leading historians charts how a war made possible by globalization and imperial expansion unfolded into catastrophe growing year by year in scale and destructive power far beyond that which anyone had anticipated in 1914. Adopting a global perspective, the volume analyses the spatial impact of the war and the subsequent ripple effects that occurred both regionally and across the world. It explores how imperial powers devoted vast reserves of manpower and material to their war efforts and how by doing so they changed the political landscape of the world order. It also charts the moral, political and legal implications of the changing character of war and in particular the collapse of the distinction between civilian and military targets.

The Meuse-Argonne Offensive 1918 Brian Lane Herder, 2020-12-24 This detailed study reveals the history of the Meuse-Argonne campaign, the US Army's first full-scale offensive against German forces in France. When the United States declared war on Germany in April 1917, the tiny US Army did not even have a standing division. A huge national army worthy of the Western Front was quickly enlisted, trained, and then transported to France to fight against the Germans. In September 1918, the American Expeditionary Force under General John Pershing began its first full-scale offensive against German forces in Lorraine, in which the US First Army and eventually the US Second Army would drive north between the Argonne Forest and the Meuse river towards Sedan. The Meuse-Argonne was excellent defensive terrain, being hilly, steep, heavily wooded, and fortified by the Germans over a three-year period. The offensive began on 26 September 1918. A largely inexperienced US First Army with mid-level officers, including Harry S. Truman, Douglas MacArthur, and George Patton, suffered setbacks and heavy casualties during its straight-ahead offensive against a still potent but fading German Fifth Army. However, by early November, 1.2 million Americans and several hundred thousand French were engaged at the Meuse-Argonne, and the Hindenburg Line had been decisively broken. The German withdrawal from Sedan approached a rout, and the Americans finally had the Germans on the run until the Armistice ended the offensive on 11 November 1918. This engaging book tells the full story of this key offensive, illustrating and explaining the troops, weapons, and tactics of both the American Expeditionary Force and the German Fifth Army in stunning detail.

1918: The German offensives, by T. N. Dupuy and J. Crick Trevor Nevitt Dupuy, 1967

The Die-hards in the Great War: 1916-1919 Everard Wyrall, 1926

German Tactics In The Michael Offensive March 1918 Major Patrick T. Stackpole, 2014-08-15 This study investigates the German spring offensive of 1918 to determine how the Germans achieved tactical success yet failed to reach their strategic objective. The study covers the development of new German infantry tactics during limited offensive operations and conduct of the elastic defense on the western front. It investigates the development of artillery tactics on the eastern front and the incorporation of these artillery and infantry tactics into larger-scale offensives at Caporetto. The study describes the preparation of both the infantry and artillery units for the Michael

offensive The relationship between the infantry and artillery tactics combined with the British defense is the key to determine the causes for success and failure The German tactical system used in Operation Michael was a brilliant adaptation to the lethality of the World War I battlefield The German techniques were superb tools for conducting a breakthrough of a defensive zone However the lack of German mobility following the breakthrough foiled the German strategic goal to envelop the British Army German techniques and lessons learned in this offensive have direct application to U S Army infiltration doctrine

The Military History of World War One Trevor Nevitt Dupuy,1967 **An Outline of Recent European History, 1815-1921** Clarence Perkins,1921 *An Outline of Recent European History, 1815-1927* Clarence Perkins,1927

Artillery in the Great War Paul Strong,Sanders Marble,2011-05-18 A year by year examination of key WWI battles and how the ongoing advances in artillery shaped strategy tactics and oprations includes battlefield maps World War I is often said to have been an artillery war yet the decisive role artillery played in shaping military decisions and therefor the war itself has rarely been examined Artillery in the Great War traces the development of this all important technology the differing approaches to its use the many innovations it underwent on both sides and how those approaches and innovations in turn effected key battles such as the Battle of the Somme This highly readable and informative history is perfect for any reader interested in understanding the legacy of World War I or the evolution of modern warfare **Germany at War** David T. Zabecki,2014-10-28 Written by experts for use by nonexperts this monumental work probes Germany s Genius for War and the unmistakable pattern of tactical and operational innovation and excellence evident throughout the nation s military history Despite having the best military forces in the world some of the most advanced weapons available and unparalleled tactical proficiency Germany still lost both World Wars This landmark four volume encyclopedia explores how and why that happened at the same time examining Germany as a military power from the start of the Thirty Years War in 1618 to the present day Coverage includes the Federal Republic of Germany its predecessor states and the kingdoms and principalities that combined to form Imperial Germany in 1871 The Seven Years War is discussed as are the Napoleonic Wars the Wars of German Unification including the Franco Prussian War World War I World War II and the Cold War In all more than 1 000 entries illuminate battles organizations leaders armies weapons and other aspects of war and military life The most comprehensive overview of German military history ever to appear in English this work will enable students and others interested in military history to better understand the sociopolitical history of Germany the complex role conflict has played in the nation throughout its history and why Germany continues to be an important player on the European continent *On a Knife Edge* Holger Afflerbach,2022-10-20 A fundamental reassessment of German politics and strategy during the First World War and why it was that Germany lost

As recognized, adventure as skillfully as experience just about lesson, amusement, as capably as promise can be gotten by just checking out a books **German Offensives Of 1918** also it is not directly done, you could believe even more all but this life, as regards the world.

German Offensives Of 1918 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading German Offensives Of 1918 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading German Offensives Of 1918 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading German Offensives Of 1918 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available

for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading German Offensives Of 1918. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading German Offensives Of 1918 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About German Offensives Of 1918 Books

1. Where can I buy German Offensives Of 1918 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a German Offensives Of 1918 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
