Germany. Auswärtiges Amt

German Question Since 1919 An Introduction With Key Documents:

American Soldiers Overseas Anni Baker, 2004-09-30 Over the past 60 years the U S armed forces have created a web of military bases all over the world from Australia to Iceland to Saudi Arabia This is the aspect of military service that the majority of soldiers know and remember Interaction between U S personnel and local populations is almost a given and it is inevitable that the American and host communities will influence each other in numerous ways This book looks at the history and impact of American military communities overseas It discusses how U S bases affected economic and political life in the host communities how host societies shape the profile and activities of military communities and what happens when relations break down Through case studies of communities around the world Baker shows that the U S armed forces have had a surprisingly large impact both positive and negative on the affairs of many but not all host societies including economic revitalization cultural change and sometimes tragic social consequences In not a few cases the U S military presence has become politically controversial on a national level On the other hand many host nations have successfully circumscribed the activities of military communities rendering their potentially disruptive presence almost invisible

Islam and Nationalism in Modern Greece, 1821-1940 Stefanos Katsikas, 2021 Islam and Nationalism in Modern Greece 1821 1940 provides an empirically rich account of the Greek state formation and territorial expansion in areas containing Muslim communities Katsikas examines how state rule influenced the development of the Muslim population s collective identity as a minority and affected Muslim relations not only with the Greek authorities but other ethnic and religious groups such as Jews and Orthodox Christians

The Last Ottomans K. Featherstone, D. Papadimitriou, A. Mamarelis, G. Niarchos, 2011-01-11 A new study of the international and local politics surrounding the Muslim minority of Western Thrace Greece in the 1940s based on previously unseen archival material Addresses the minority s complex identity its relations with other communities in the area the international diplomacy of WWII and strategic considerations of the Cold War

Ethnic Germans and National Socialism in Yugoslavia in World War II Mirna Zakić, 2017-03-21 This is an in depth study of the ethnic German minority in the Serbian Banat Southeast Europe and its experiences under German occupation in World War II Mirna Zaki argues that the Banat Germans exercised great agency within the constraints imposed on them by Nazi ideology with its expectations that ethnic Germans would collaborate with the invading Nazis The book examines the incentives that the Nazis offered to collaboration and social dynamics within the Banat German community between their Nazified leadership and the rank and file as well as the various and ever more damning forms collaboration took The Banat Germans provided administrative and economic aid to the Nazi war effort and took part in Nazi military operations in Yugoslav lands the Holocaust and Aryanization They ruled the Banat on the Nazis behalf between 1941 and 1944 yet their wartime choices led ultimately to their disenfranchisement and persecution following the Nazis defeat

The Law and Practice of Piracy at Sea Panos Koutrakos, Achilles Skordas, 2014-12-01 This collection of essays provides a comprehensive assessment of the legal and policy

approaches to maritime counter piracy adopted by the EU and other international actors over the last few years As the financial cost of Somali piracy for the maritime industry and the world economy as a whole was estimated to have reached 18 billion by 2010 the phenomenon of piracy at sea has steadily grown in significance and has recently attracted the attention of international policy makers Moreover piracy is intrinsically linked to state failure and other pathologies bred by it such as organised crime and terrorism This book adopts a holistic approach to the topic examining approaches to piracy as these emerge in different geographical areas as well as tackling the central issues which counter piracy raises in terms of the most topical aspects of international law international humanitarian law and armed conflict piracy and terrorism use of force It also focuses on the approach of the EU placing counter piracy in its broader legal context Providing a detailed doctrinal exploration of the issues which counter piracy raises it emphasises and draws upon the insights of the practice of counter piracy by bringing together academic lawyers and the legal advisers of the main actors in the area EU US NATO UK The book raises fundamental questions about the law and practice of international law are the rules of the international law of the sea on piracy still relevant To what extent has the shared interest of international actors in tackling piracy given rise to common practices Do the interactions among the actors examined in the book suggest fragmentation or unity of the international legal order Is it premature to view these interactions as signalling the gradual emergence of global law in the area This common analytical frame of reference is underlined by the concluding part which draws these threads together The book will be of interest to legal scholars political scientists and international relations theorists as well as decision makers and students of law politics and international relations

Homelands Nadav G. Shelef, 2020-07-15 Why are some territorial partitions accepted as the appropriate borders of a nation's homeland whereas in other places conflict continues despite or even because of division of territory In *Homelands* Nadav G. Shelef develops a theory of what homelands are that acknowledges both their importance in domestic and international politics and their change over time These changes he argues driven by domestic political competition and help explain the variation in whether partitions resolve conflict *Homelands* also provides systematic comparable data about the homeland status of lost territory over time that allow it to bridge the persistent gap between constructivist theories of nationalism and positivist empirical analyses of international relations

Documents on German Foreign Policy, 1918-1945, from the Archives of the German Foreign Ministry Germany. Auswärtiges Amt, 1959

Documents on British Foreign Policy, 1919-1939 Great Britain. Foreign Office, 1946 Her Majesty's government in the United Kingdom have decided to publish the most important documents in the Foreign Office archives relating to British foreign policy between 1919 and 1939 in three series the 1st ser covering from 1919 1930 the 2d from 1930 39 the 3d from Mar 1938 to the outbreak of the War

Britain, Germany and the Cold War R. Gerald Hughes, 2007-06-11 This well researched book details the ambiguity in British policy towards Europe in the Cold War as it sought to pursue détente with the Soviet Union whilst upholding its commitments to its NATO allies From the early 1950s

Britain pursued a dual policy of strengthening the West whilst seeking détente with the Soviet Union. British statesmen realized that only through compromise with Moscow over the German question could the elusive East-West balance be achieved. Against this the West German hard line towards the East endorsed by the United States was seen by the British as perpetuating tension between the two blocs. This cast British policy onto an insoluble dilemma as it was caught between its alliance obligations to the West German state and its search for compromise with the Soviet bloc. Charting Britain's attempts to reconcile this contradiction, this book argues that Britain successfully adapted to the new realities and made hitherto unknown contributions towards détente in the early 1960s whilst drawing towards Western Europe and applying for membership of the EEC in 1961. Drawing on unpublished US and UK archives, Britain, Germany and the Cold War casts new light on the Cold War, the history of détente and the evolution of European integration. This book will appeal to students of Cold War history, British foreign policy, German politics and international history.

A Call to Arms Troy Paddock, 2004-12-30. A comparative view of the role of newspapers in Great Britain, France, Russia, Germany and Austria-Hungary during the Great War; this volume goes beyond atrocity stories to look at how war itself, the objectives and the enemy were all defined by the national presses.

Document on German Foreign Policy, 1918-1945 United States Department of State, 1949.

Documents on German foreign policy, 1983.

The Capital of Europe Carola Hein, 2004-12-30. What makes up a capital city? In this first comprehensive look at the architectural and urban visions for a European capital, Hein examines how these visions compare to the reality of the three headquarter cities for the European Union: Strasbourg, Luxembourg and Brussels. Tracing the history of the EU and its creation of the new political entity of the polycentric capital, Hein explores the impact that European unification has on visionary projects and the transformation of EU member cities. Widely researched, the book also brings in architectural projects that have remained largely unknown until now. Using architectural and urban history as a lens, Hein examines the past five decades of European unification. Also analyzed for the first time are the debates, plans, projects and constructions both realized and failed that accompanied this process. Looking to the future, Hein asserts that the task of these three capital cities is to balance the needs of a collective Europe with national, local and increasingly regional demands.

Forthcoming Books Rose Army, 2003-04.

An Introduction to Russian History Robert Auty, Dimitri Obolensky, 1976.

Tricolor and Crescent William E. Watson, 2003-06-30. France's contacts with Islam and Moslem populations, especially its fallen Empire and domestic population of Algerians, Turks and other Muslim immigrants, have conditioned French foreign and domestic policies. After briefly discussing the Crusades, Napoleon's campaigns in Egypt, the French Foreign Legion's campaigns in Algeria and Morocco and other pre-World War I events, Watson's history, Immaculata College, reviews contacts during the 20th century, notably the rise and fall of the French Islamic Empire and the Algerian Crisis.

Documents on German Foreign Policy 1918-1945, Series C. United States Department of State, 1957.

Books In Print 2004-2005 Ed Bowker, Staff, Staff Bowker, Ed, 2004.

Documents on

German Foreign Policy, 1918-1945: The aftermath of Munich, Oct. 1938-March 1939 Germania. Auswärtiges Amt, 1950 Rückkehr in die Fremde? Birgit Menzel, Christine Engel, 2014-10-23 Welche spezifischen Chancen und Potenziale haben junge russlanddeutsche SpätaussiedlerInnen heute Wie kann aus einer bisweilen unfreiwilligen Re Migration und häufig damit verbundenen Identitätskrisen dennoch symbolisches berufliches und gesellschaftliches Kapital erwachsen Im vorliegenden Band stellen Autorinnen und Autoren aus verschiedenen wissenschaftlichen Disziplinen und oft mit einschlägiger persönlicher Erfahrung die Rahmenbedingungen die mediale Vermittlung und das Sprachverhalten von Russlanddeutschen sowie Beweggründe für die Rückkehr von der Rückkehr vor Diese Aspekte werden in eine vergleichende Perspektive internationaler Migrationsforschung eingebettet die sowohl türkische Erfahrungen als auch solche von ethnischen RemigrantInnen aus den Nachfolgestaaten der Sowjetunion berücksichtigt
