**Culinary Tourism** Lucy M. Long, 2013-07-24 Well researched and original essays on the intersection between food and adventure Publishers Weekly Culinary Tourism is the first book to consider food as both a destination and a means for tourism The book's contributors examine the many intersections of food culture and tourism in public and commercial contexts in private and domestic settings and around the world The contributors argue that the sensory experience of eating provides people with a unique means of communication whether they're trying out a new kind of ethnic restaurant in their own town or the native cuisine of a place far from home Editor Lucy Long explains how and why interest in foreign food is expanding tastes and leading to commercial profit in America but the book also shows how tourism combines personal experiences with cultural and social attitudes toward food and the circumstances that allow for adventurous eating Contributors to the book are widely recognized food experts who encourage readers to venture outside the comforts of home and embark on new eating experiences Lexington Herald Leader

**The Underground Culinary Tour** Damian Mogavero, Joseph D'Agnese, 2017-01-24 The Underground Culinary Tour is a high octane behind the scenes narrative about how the restaurant industry historically run by gut and intuition is being transformed by the use of data Sixteen years ago entrepreneur Damian Mogavero brought together an unlikely mix of experts chefs and code writers to create a pioneering software company whose goal was to empower restaurateurs through the use of data to elevate and enhance the guest experience Today his data gathering programs are used by such renowned chefs as Danny Meyer Tom Colicchio Daniel Boulud Guy Fieri Giada De Laurentiis Gordon Ramsay and countless others Mogavero describes such restaurateurs as the New Guard and their approach to their art and craft is radically different from that of their predecessors By embracing data and adapting to the new trends of today's demanding consumers these innovative chefs and owners do everything more nimbly and efficiently from the recipes they create to the wines and craft beers they stock from the presentations they choreograph to the customized training they give their servers making restaurants more popular and profitable than ever before Finally Damian takes readers behind the scenes of his annual invitation only culinary tour for top chefs and industry CEOs showing us how today's elite restaurants embrace new trends to create unforgettable meals and transform how we eat From the glittering nightclubs of Las Vegas to a packed seasonal restaurant on the Long Island Sound
