# Germany And The Middle East

**Wolfgang G. Schwanitz**

## Germany And The Middle East:

Germany and the Middle East H. Goren, 2003 The articles deal with diverse aspects of the changing complex and charged relationships of Germany with the Middle East in general and with certain of its states in particular since the 1830s until the end of the 20th century

*Germany and the Middle East* Shahram Chubin, 1992 The Federal Republic's relationship with the Middle East in the post war period has been largely informed by the legacy of the Hitler period and the division of Germany as a result of the war The need to expunge the past manifested itself in the special relationship with Israel which included substantial reparations development assistance and military support for the Jewish state until the 1970s The Federal Republic's foreign policy in the post war period centred largely on Europe and to the extent that Germany retained a policy in other areas of the world it was more a product of commercial interests

**Germany and the Middle East** Rolf Steininger, 2018-12-17 For over a century the Middle East has weathered seemingly endless conflicts ensnaring political players from around the world And perhaps no nation has displayed a greater range of policies toward and experiences in the region than Germany as this short and accessible volume demonstrates Beginning with Kaiser Wilhelm's intermittent support for Zionism it follows the course of German Mideast relations through two world wars and the rise of Adolf Hitler As Steininger shows the crimes of the Third Reich have inevitably shaped postwar German Mideast policy with Germany emerging as one of Israel's staunchest supporters while continuing to navigate the region's complex international religious and energy politics

Germany and the Middle East, 1871-1945 Wolfgang G. Schwanitz, 2004 This volume examines relations between Germany and the Near East between 1919 and 1945

**Germany's Covert War in the Middle East** Curt Prüfer, 2017-12-11 Ultimately these cross purposes brought disaster pulling a fatally weak and woefully unprepared Ottoman state into a global war and unleashing vicious internal ethnic repression that brought it defeat and dismemberment The diaries and official reports of German spy and propagandist Curt Prufer translated here into English in their entirety for the first time chronicle the complexities of the fragile Ottoman German alliance from the perspective of a participant Much like fellow soldier scholar T E Lawrence Prufer and his colleagues tried to steal the loyalties of the Muslim subjects of the opposing sides The book explores these episodes of sabotage subversion and subterfuge from managing spies to preparing for the attack on the Suez Canal in 1915 and in the process sheds light onto the ways World War I played out across the Middle East Complemented throughout by in depth and meticulously researched footnotes this primary source collection is an invaluable addition to the extant corpus of late Ottoman and World War I historical documents

**Germany and the Middle East** Volker Perthes, 2002

**War by Revolution** Donald M. McKale, 1998 Cover Copyright Contents Preface Acknowledgments Maps Abbreviations 1 Introduction Britain Germany and the Middle East 1871 1904 2 The Specter of Muslim Unrest and German Support 1905 1914 3 Germany as Wartime Revolutionary Fall 1914 4 The Thickening Plot and Holy War Fall 1914 5 Failed Expectations on Both Sides 1915 6 The German Threat on the Periphery 1915 7 A Sense of

Crisis on Both Sides Fall 1915 8 Britain as Wartime Revolutionary The Arab Revolt 1916 9 Toward an Allied Victory 1917 10 Epilogue The War's End 1918 Notes Bibliography Index      *Germany and the Middle East, a Study of the Post-war Political, Cultural and Economic Relations of the German Federal Republic with the Countries of the Middle East* Wilfried Braje, 1958

**Nazi Germany and the Arab World** Francis R. Nicosia, 2015 This book investigates the intent and policy of Nazi Germany in the Arab world from 1933 to 1944 It analyzes Germany's support for continued European domination of the Arab states of North Africa and the Middle East and Germany's rejection of truly sovereign Arab states in those regions

**Germany's Interests and Policy in and Toward the Middle East in the Context of the Arab - Israeli Conflict** Thomas H. Papenroth, 2001-06-01 Over the years Bonn and Berlin's policy and decision makers adopted a pragmatic multilateral attitude that serves Germany's interests best Today Germany executes the concept of a civilian power Supranationalism and institutional cooperation followed by integration are the key ideas to formulate and represent power and national interests As one of the largest industrial and trading nations Germany is dependent upon a stable and well functioning economic system that is committed to free trade relying largely on imported raw materials and energy i.e. low cost oil from the Middle East In this context German politics has an interesting and unique position Germany's policy in the Middle East is somewhat ambiguous The Federal Republic's dependency on oil inclines Germany toward the Arab states The second factor is the historical moral burden bequeathed by the Third Reich that tends to tilt German diplomacy toward Israel Germany's dilemma is its polarized Middle Eastern policy German leadership carefully maintains a political neutral position keeping the country's economic interests in mind along with considerations of an evenhanded approach toward the Middle East

**The Special Relationship between West Germany and Israel** Lily Gardner Feldman, 2025-04-30 First Published in 1984 The Special Relationship between West Germany and Israel stresses the uniqueness of the historical ties between Germans and Jews but attempts to set the implementation of post war German Israeli policy relations in the context of a general theory of bilateral ties between states Lily Gardner Feldman has articulated the concept of the special relationship and indicated its relevance for other international partnerships including those between France and Germany and the United States and Israel It is difficult to imagine a less likely bilateral relationship of friendship and mutual support after World War II than one between Germans and Jews Yet in their simultaneous efforts to establish legitimacy in the family of nations the Federal Republic of Germany and Israel turned to each other And so in one of history's greatest ironies West Germany looked to Israel for the Nazi victims to acknowledge the moral acceptability of the successor state and Israel looked to as Germany as the lone industrial state with both the means and the will to provide a measure of economic security This book reveals the intricacies of the German Israeli policy relationship in a setting of extensive and complicated ties between German and Israeli societies and individuals It is based on more than 100 interviews with key actors in erstwhile West Germany and Israel The innovative combination of theory and practice about such dramatic historical and contemporary importance should

appeal not only to academics but also to the policy communities

### **EU Foreign Policymaking and the Middle East**

**Conflict** Patrick Müller, 2012-02-27 This book examines the interplay between the national and the European levels in EU foreign policymaking focusing on the Middle East European engagement in peacemaking in the Middle East dates back to foreign policy cooperation in the early 1970s Following the launch of the peace process in 1991 the EU and its Member States further stepped up their involvement in conflict resolution focusing on one central area of EU engagement the Israeli Palestinian conflict This book covers the period from the beginning of the peace process in 1991 until 2008 and focuses on the actions of the big three Member States Germany France and the UK Using the Europeanization concept as framework of analysis the book examines the problematic dynamics between these Member States national foreign policy models and the construction of a common European conflict resolution policy It also provides interesting new insights into the EU's international role and potential addressing the often neglected question of how Europeanization effects help to mitigate some of the classical limitations of European foreign policymaking The book will be of great interest to students of EU policy Middle Eastern Politics peace and conflict resolution security studies and IR

### **Germany's Uncertain Power**

H. Maull, 2006-01-26 This comprehensive in depth assessment of the German foreign policy record under the Red Green government of Gerhard Schröder and Joschka Fischer from 1998 to 2005 produced by a team of German and international experts explores the idea of continuity and the sources depths and directions of German foreign policy

**Germany's Relations with Israel** Paul Belkin, 2007 Along with the United States Germany is widely considered one of Israel's closest allies Germany's commitment to Israel's sovereignty and security has historically been the strongest influence on its policy in the Middle East and a key factor in its cooperation with the United States in the region However debate surrounding Israel's August 2006 request for German ground troop participation in a United Nations UN mission on the Israeli Lebanese border increasing German advocacy for a more proactive European Union EU role in the Middle East and shifting perceptions of Israel in the German public have brought attention to what many consider a changing role for Germany Indeed the October 2006 deployment of a German naval contingent off the Lebanese coast marks the first time German troops have been stationed so close to Israeli soil and German leaders have announced their intention to work toward reviving European and international engagement in the Israeli Palestinian peace process during Germany's EU presidency in the first half of 2007

**Islam and Nazi Germany's War** David Motadel, 2014-11-30 Winner of the Ernst Fraenkel Prize Wiener Holocaust Library An Open Letters Monthly Best History Book of the Year A New York Post Must Read In the most crucial phase of the Second World War German troops confronted the Allies across lands largely populated by Muslims Nazi officials saw Islam as a powerful force with the same enemies as Germany the British Empire the Soviet Union and the Jews Islam and Nazi Germany's War is the first comprehensive account of Berlin's remarkably ambitious attempts to build an alliance with the Islamic world Motadel describes the Mufti's Nazi dealings vividly Impeccably researched and clearly written his book will

transform our understanding of the Nazi policies that were Motadel writes some of the most vigorous attempts to politicize and instrumentalize Islam in modern history Dominic Green Wall Street Journal Motadel's treatment of an unsavory segment of modern Muslim history is as revealing as it is nuanced Its strength lies not just in its erudite account of the Nazi perception of Islam but also in illustrating how the Allies used exactly the same tactics to rally Muslims against Hitler With the specter of Isis haunting the world it contains lessons from history we all need to learn Ziauddin Sardar The Independent

**Germany and the Middle East 1835-1939** ,1975      **Germany's Covert War in the Middle East** Curt Max Prüfer,2019 On the brink of World War I Germany was often depicted as an evil puppetmaster manipulating the Ottoman Empire Behind closed doors however the Ottomans worked hard to exploit their alliance with Germany as a means of reviving the empire's former strength and glory Ultimately these cross purposes brought disaster pulling a fatally weak and woefully unprepared Ottoman state into a global war and unleashing vicious internal ethnic repression that brought it defeat and dismemberment The diaries and official reports of German spy and propagandist Curt Prüfer translated into English in their entirety for the first time chronicle the complexities of the fragile Ottoman German alliance Much like fellow soldier scholar T E Lawrence Prüfer and his colleagues tried to steal the loyalties of the Muslim subjects of the opposing sides The book explores these episodes of sabotage subversion and subterfuge and sheds light onto the ways World War I played out across the Middle East Complemented by in depth and meticulously researched notes this primary source collection is an invaluable addition to the extant corpus of late Ottoman and World War I historical documents      *Political Faultlines in the Middle East* Kingshuk Chatterjee,2023-06-14 The region of the Middle East is beset with a structural crisis of which particular crises confronting the component countries happen to be merely subsets The real questions revolve round the issue of how long can the present dispensations of power and social structures in the region forged in the twentieth century first half or second can last in the twenty first when they no longer reflect the realities on the ground This volume aims to look at some of the issues to see how the faultlines in the region appear in 2020 to both those in the region and those outside it The volume limits itself to only Levant and the Gulf and looks at the tensions within and policies both foreign and domestic of some of the key regional players which have regional repercussions It also looks at the policies of some of the global players operating in the region that have bearing on the regional faultlines Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan      **Germany and the Middle East, 1919-1945** ,2002      The Week in Germany ,1993

### Germany And The Middle East Introduction

In the digital age, access to information has become easier than ever before. The ability to download Germany And The Middle East has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Germany And The Middle East has opened up a world of possibilities. Downloading Germany And The Middle East provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Germany And The Middle East has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Germany And The Middle East. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Germany And The Middle East. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Germany And The Middle East, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Germany And The Middle East has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Germany And The Middle East Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
