where they made time for each other where they challenged each other to become better people and where they strengthened their relationship through mutual respect acceptance and understanding I won't ever get to see my father again and that hurts but at least I can share our relationship with you dear reader And when I miss my Dad I can turn to these pages Here I can hear his voice see him smile and talk to him He becomes alive again and I can feel his passion You'll share this experience with me while reading this book **Today Im Going Fishing with My Dad** Nancy L.
