Fishing American Edition:

Fishing in American Waters Genio C. Scott, 2015-08-06 Excerpt from *Fishing in American Waters A New Edition* Containing Parts Six and Seven on Southern and Miscellaneous Fishes As it might not be deemed kind in me to inflict upon the reader my thousand reasons for writing and illustrating this book with pencil sketches copied from life I will therefore merely state that my experience of many years in the practice of the gentle art which has led me through so many scenes of beauty and loveliness has made me wish that all the world might learn the enjoyment conferred by the practice of angling I have endeavored to portray the recreations of the angler in America with his implements and his game adding a small tribute to the temperate and industrious class of men who follow for a livelihood the hazardous business of fishing on the broad seas An outline of the progress of fish culture in Europe and America is also given with pencil sketches illustrative of the art of hatching and rearing fishes including stairs and fish passes for enabling fishes to surmount mill dams and falls The fishes of our coast and estuaries and the peculiar methods adopted for their capture form not only a sealed book to Europeans but to those anglers in America also who confine their recreations to fresh water attractions Each game fish affords a distinct interest with peculiarities worth studying My sketches may lack artistic finish but possess the merit of correct outline and in the words of Raphael The outline is the picture The reader may be assured that fishing whether for recreation or gain entices its votaries to unexplored sources of revenue and pleasure About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Sport Fishing USA.**

Michael Walker, 1971 Forest and Stream, 1895 *The American Angler* William Charles Harris, 1887 **Early American Sport** Robert William Henderson, 1977 An indispensable guide and checklist for sports historians and collectors of sports publications It has attempted to include everything printed concerning sports by both American and foreign authors that was published in the United States or Canada prior to 1860 *The American Angler*, 1916 *An American Edition of the Treatise of Fishing with an Angle: From the Book of St. Albans (1875)* Juliana Berners, 2009-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work **Check List of Books on Angling, Fish, Fisheries, Fish-culture, Etc. in the Library of Daniel B.**
