Fishing Dogs:

Fishing Dogs Raymond Coppinger, 2014-02-04 If you're familiar with the world of hunting you know how important dogs are in the field. Less known, however, is how vital these canines are to fishermen. For many anglers, packing your tackle and wading through the river without a trusted fishing dog is a recipe for disaster. In *Fishing Dogs*, Raymond Coppinger sheds light on the true value of fishing dogs of every size, shape, and color. Monsoon dogs, for example, lay in the bilge of boats until they are disturbed by the shipping of water. At that point, they rise up out of the bilge and unleash with tremendous power a series of epicentric rotational reciprocations, thus expelling inches of boat-threatening water. Coppinger also introduces readers to the Maine bowplunk dog, which received its name from its deeply ingrained habit of standing proud and brave on the bow of his master's boat as it moves through the choppy waters off Maine's coast. As a biologist, distinguished fisherman, and a known storyteller and fan of satire, Coppinger is more than qualified to discuss the various breeds of fishing dogs in addition to topics as the evolution of dogs from wolves, the dangers of crossbreeding, and finding a fisherman's perfect fishing dog. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Fishing Dogs Raymond Coppinger, 1996-04-01 Raymond Coppinger, famous fisherman and teller of fish tales, brings to light the useful and devoted dogs specially bred and trained as fishing dogs: from the bilge-clearing Monsoon Dog to the shade-casting Floating Mat Dog, useful as a throw rug, to the quilted Tippet for ice fishing. Coppinger uses his droll wit and lifetime of expertise to remedy the sad obscurity of these dogs and to illuminate such subjects as the evolution of dogs from wolves, the perils of crossbreeding, the strange habits of hunters, and the impossibility of finding a good fishing partner after 40. Whether you are a fisherman, a dog fancier, or simply a lover of satire, you'll agree that this is more fun than a barrel of Bilge Pups.

Dogs, Past and Present Ivana Fiore, Francesca Lugli, 2023-09-07 This volume gathers contributions from scholars from a variety of disciplines to provide a comprehensive assessment of the importance of dogs through history. There is a focus on the necessity of an interdisciplinary perspective to fully understand the fundamental role that dogs have played in our past.

Waders John Gierach, 2001-02-21 Brilliant, witty, perceptive essays about fly fishing, the natural world, and life in general by the acknowledged master of fishing writers. *Death, Taxes, and Leaky Waders* collects forty of John Gierach's finest essays on fishing from six of his books. Like all his writing, these essays are seasoned by a keen sense of observation and a deep

knowledge and love of fishing lore leavened by a wonderfully wry sense of humor Gierach often begins with an observation that soon leads to something below the surface which he finds and successfully lands As Gierach says writing is a lot like fishing This is the first anthology of John Gierach s work a collection that is sure to delight both die hard fans and new readers alike To enter Gierach s world is to experience the daily wonder challenge and occasional absurdity of the fishing life from such rituals as the preparation of camp coffee for best results serve in a tin cup to the random revelatory surprises such as the flashing beauty of a grayling leaping out of the water Whether he s catching fish or musing on the ones that got away Gierach is always entertaining and enlightening writing with his own inimitable blend of grace and style passion and wit
