sustainable habits that become automatic over time

Identify Your Triggers

What situations or times of day make you more likely to exercise Maybe it s after work before breakfast or with a workout buddy Schedule your workouts around these triggers to increase the chances of sticking to them

Stack Habits

Pair exercise with an existing habit you already do consistently For example listen to your favorite podcast only while walking or jogging or do some bodyweight exercises while waiting for your coffee to brew

Reward Yourself Strategically

Celebrate your achievements but with non food rewards Treat yourself to a massage after a successful week watch an episode of your favorite show after a tough workout or buy some new workout clothes to stay motivated

Prioritize Sleep

The Unsung Hero of Fitness Sleep deprivation disrupts hormones that regulate hunger and metabolism making it harder to lose weight and build muscle Aim for 7 8 hours of quality sleep each night

Create a Sleep Sanctuary

Ensure your bedroom is dark cool and quiet Invest in blackout curtains a comfortable mattress and eliminate electronic distractions before bed

Develop a Relaxing Wind Down Routine

Take a warm bath read a book or practice light yoga or meditation before bed to calm your mind and prepare for sleep

Optimize Your Diet for Sleep

Avoid heavy meals caffeine and alcohol close to bedtime Opt for sleep promoting foods like cherries almonds and chamomile tea

Whether an administrator faculty member classroom teacher or special area teacher everyone wants to see their students learning improve

Improved learning

validates the roles and influences of educators and administrators

The purpose of this book is to assist educators in how to create a physically active school

Understanding the role physical activity and or movement

plays in the gymnasium and the classroom will contribute significantly to this effort

Movement

helps to differentiate instruction by increasing retention motivation attention and engagement in the learning process

It should be

utilized for its full potential benefits in both the classroom and gymnasium The solution begins and ends with the decisions we make Children are not getting as much physical activity as they should despite the many benefits It is important to establish good physical activity habits as early as possible So how do we do that By making physical activity and quality physical education a part of your schools culture by increasing the amount of physical activity students participate in throughout the day every day It is critical that we take the steps now to educate and make a change in our students lives to help them lead a healthier more productive life
