Plato and Aristophanes Marina Marren, 2021-11-15 In *Plato and Aristophanes* Marina Marren contends that our search for communal justice must start with self examination The realization that there are things that we cannot know about ourselves unless we become the subject of a joke is integral to such self scrutiny Jokes provide a new perspective on our politics and ethics they are essential to our civic self awareness Marren makes this case by delving into Plato s *Republic* a foundational work of political philosophy While the *Republic* straightforwardly condemns the decadence and greed of a tyrant Plato s attack on political idealism is both solemn and comedic In fact Plato draws on the same comedic stock and tropes as do Aristophanes s plays Marren s book strikes up an innovative conversation between three works by Aristophanes *Assembly Women* *Knights* and *Birds* and Plato s philosophy prompting important questions about individual convictions and one s personal search for justice These dialogic works offer critiques of tyranny that are by turns brilliant scathing and exuberant making light of faults and ideals alike Philosophical comedy exposes despotism in individuals as well as systems of government claiming to be just and good This critique holds as much bite against contemporary injustices as it did at the time of Aristophanes and Plato An ingenious new work by an emerging scholar *Plato and Aristophanes* shows that comedy in tandem with philosophy and politics is essential to self examination And without such examination there is no hope for a just life
