Five Houses, Ten Details Edward R. Ford,2012-04-17 Edward Ford s forty years of practicing and teaching architecture have focused on one area the architectural detail Yet despite two hugely influential books The Details of Modern Architecture volumes 1 and 2 numerous articles and lectures given from Vancouver to Vienna there are two questions Ford has remarkably never answered What is a detail and more importantly What is a good detail Ford is an architect as well as a writer so it is not surprising that rather than answering these questions in a third book he spent six years on the design and construction of a house Building it was not an exercise in the application of ideas about detail it was rather a mechanism for answering those two simple questions **The Houses** Bradley A.
