The little old kitchen had quieted down from the bustle and confusion of mid day and now with its afternoon manners on presented a holiday aspect that as the principal room in the brown house it was eminently proper it should have It was just on the edge of the twilight and the little Peppers all except Ben the oldest of the flock were enjoying a breathing spell as their mother called it which meant some quiet work suitable for the hour All the breathing spell they could remember however poor things for times were always hard with them nowadays and since the father died when Phronsie was a baby Mrs Pepper had had hard work to scrape together money enough to put bread into her children s mouths and to pay the rent of the little brown house But she had met life too bravely to be beaten down now So with a stout heart and a cheery face she had worked away day after day at making coats and tailoring and mending of all descriptions and she had seen with pride that couldn t be concealed her noisy happy brood growing up around her and filling her heart with comfort and making the little brown house fairly ring with jollity and fun Poor things she would say to herself they haven t had any bringing up they ve just scrambled up And then she would set her lips together tightly and fly at her work faster than ever I must get schooling for them some way but I don t see how Once or twice she had thought Now the time is coming but it never did for winter shut in very cold and it took so much more to feed and warm them that the money went faster than ever And then when the way seemed clear again the store changed hands so that for a long time she failed to get her usual supply of sacks and coats to make and that made sad havoc in the quarters and half dollars laid up as her nest egg But Well it ll come some time she would say to herself because it must And so at it again she would fly brisker than ever To help mother was the great ambition of all the children older and younger but in Polly s and Ben s souls the desire grew so overwhelmingly great as to absorb all lesser thoughts Many and vast were their secret plans by which they were to astonish her at some future day which they would only confide as they did everything else to one another For this brother and sister were everything to each other and stood loyally together through thick and thin Polly was ten and Ben one year older and the younger three of the Five Little Peppers as they were always called looked up to them with the intensest admiration and love What they failed to do couldn t very well be done by any One Oh dear exclaimed Polly as she sat over in the corner by the window helping her mother pull out basting threads from a coat she had just finished and giving an impatient twitch to the sleeve I do wish we could ever have any light just as much as we want You don t need any light to see these threads said Mrs Pepper winding up hers carefully as she spoke on an old spool Take care Polly you broke that thread s dear now I couldn t help it said Polly vexedly it snapped everything s dear now it seems to me I wish we could have oh ever an ever so many candles as many as we wanted I d light em all so there and have it light here one night anyway Yes and go dark all the rest of

the year like as anyway observed Mrs Pepper stopping to untie a knot Folks who do so never have any candles she added sententiously How many d you have Polly asked Joel curiously laying down his hammer and regarding her with the utmost anxiety Oh two hundred said Polly decidedly I d have two hundred all in a row Two hundred candles echoed Joel in amazement My whockety what a lot      *Five Little Peppers Grown Up (Esprios Classics)* Margaret Sidney,2021-08-24
