## **Five Modern Canadian Poets:**

**Five Modern Canadian Poets** Eli Mandel, Thomas Roy Bentley, 1970 Collection of poems with an introduction to each poet *Five Modern Canadian Poets* Elias Wolf Mandel, 1970 Canadian Poets, 1960-1973 George Woodcock, 1976-01-01 Compiled in 1976 by George Woodcock this book lists works by 600 poets in 1200 books and booklets during the era leading up to Canada's literary coming of age This listing of the writings in verse of Canadian poets between 1960 and 1973 came into existence because I was invited by Carl F. Klinck the General Editor of the Literary History of Canada to write for a new edition of that work the chapter covering poetry published in Canada since 1960 It was obvious that my first need was an adequate list for I very soon realized that in quantity even more than in character the poetry published in Canada during the past decade has differed radically from what had appeared at any other time in the literary progress of our country

Introductory note by George Woodcock **Eight More Canadian Poets** Eli Mandel, 1972 **Keepers of the Code** Robert Lecker, 2013-02-07 *Keepers of the Code* explores the complex network of associations and negotiations that influenced the development of literary anthologies in English Canada from 1837 to the present Lecker shows that these anthologies are deeply conflicted narratives that embody the tensions and anxieties felt by their editors when faced with the challenge of constructing or rejecting national ideals He argues that these are intensely self-conscious works with their own literary mechanisms and architecture In reading the history of these anthologies he witnesses a complex narrative of nation a compelling story about the values and interests informing English Canadian literary history **15 Canadian Poets** Gary Geddes, Phyllis Bruce, 1978 **Literary History of Canada** Carl F. Klinck, Alfred G. Bailey, Claude Bissell, Roy Daniells, Northrop Frye, Desmond Pacey, 1976-12-15 Hailed as a landmark in Canadian literary scholarship when it was originally published in 1965 the *Literary History of Canada* is now being reissued revised and enlarged in three volumes This major effort of a large group of scholars working in the field of English language Canadian literature provides a comprehensive up to date reference work It has already proven itself invaluable as a source of information on authors genres and literary trends and influences It represents a positive attempt to give a history of Canada in terms of writings which deserve attention because of significant thought form and use of language Volume 3 has been newly written for this edition of the History and covers the years from about 1960 to 1974 The contributors to this volume are Claude Bissell Desmond Pacey Lauriat Lane Jr Michael S. Cross Thomas A. Goudge John Webster Grant John H. Chapman William E. Swinton Henry B. Mayo Malcolm Ross Brandon Conron Clara Thomas Sheila A. Egoff John Ripley William H. New George Woodcock and Northrop Frye *15 Canadian Poets X2* Gary Geddes, 1988 This collection now reaches back to include E. J. Pratt A. M. Klein F. R. Scott Miriam Waddington and Ralph Gustafson and forward to include a representative sampling of the best writing of Anne Szumigalski Robert Kroetsch Bronwen Wallace Robert Bringhurst and Robyn Sarah A selection of Gary Geddes's own work is also included There are not only short lyrics by these poets but a strong selection of longer poems by Pratt Livesay
