Fortune Telling by Cards P.R.S Foli,2023-01-30 This goddess Fortune frustrates single handed the plans of a hundred learned men In this saying the Latin author has given us the key to all the restless striving to search out the Unknown and the Unknowable which marks our own age just as it has marked previous periods in history which we are apt to look back upon as being but little removed from the dark ages Of all the methods by which men and women seek to penetrate into the mysteries of Fate and Futurity Cartomancy is one that can claim the distinction of having swayed the

human mind from prehistoric times right down to this twentieth century of ours It may be that this book will fall into the hands of those who agree with the words of L Estrange there needs no more than impudence on the one side and a superstitious credulity on the other to the setting up of a Fortune teller This attitude of cynical superiority is sometimes genuine but in many cases if we could read what lies beneath the surface we should find that it is but a cloak worn to conceal a lurking fear an almost irritated condition of mind born of a half confessed faith in the power at which it is so easy to scoff

Mathematical Card Magic Colm Mulcahy,2013-09-04 Mathematical card effects offer both beginning and experienced magicians an opportunity to entertain with a minimum of props Featuring mostly original creations Mathematical Card Magic Fifty Two New Effects presents an entertaining look at new mathematically based card tricks Each chapter contains four card effects generally starting with simple applications of a particular mathematical principle and ending with more complex ones Practice a handful of the introductory effects and in no time you ll establish your reputation as a mathemagician Delve a little deeper into each chapter and the mathematics gets more interesting The author explains the mathematics as needed in an easy to follow way He also provides additional details background and suggestions for further explorations Suitable for recreational math buffs and amateur card lovers or as a text in a first year seminar this color book offers a diverse collection of new mathemagic principles and effects **Cribbage Made Easy - The Cribbage Player's Textbook** George

Walker,2018-09-15 Review from The Philidorian To the spectacled dowager or the gouty old bachelor to miss near her teens or master near his pinafore How could there be devised a better game It teaches the child arithmetic by a railroad process and soothes the aches of age by its gentle exercise of the brain Pasquin s Treatise long out of print was the best cribbage manual ever published and in the little volume before us Mr Walker has appended a good deal of interesting matter to a reproduction of the original We may take another opportunity to draw upon this work for extracts At p 41 we turned up an error which the publishers will thank us for pointing out in order to its being corrected in a second edition The author s words are A sequence of a six seven and eight combined with a pair of aces inclusive of a four card flush yield thirteen points
