Dangerous Seduction Elizabeth Lennox, 2016-12-19 Betrayed by her first husband Samantha packed up her life and drove out west Never intending to stop in Montana she felt called to the DeBron ranch Landing a job as the cook was a life saver and with the warm sunshine and fresh hair she learned how to live again Not to trust though Charlie spotted the beautiful woman by the creek and couldn't get her out of his mind He had things to do He didn't have time to flirt So why was he riding by the creek again Because something about the beautiful woman called to him Unfortunately his strict moral code wouldn't allow him to have an affair with an employee So when he discovered that Samantha was none other than the new ranch cook Sam he couldn't allow himself to see her But he couldn't stay away Marriage was the only answer Being with Samantha wouldn't violate his moral code if they were married Now to convince the little lady to take a chance on him She didn't trust men Not after what her first husband put her through But failure was not an option **The Publishers Weekly**, 1972 *Runaways in Juvenile Courts* Melissa Sickmund, 1990 **Driven from Home** David Silkenat, 2016-10-15 Examining refugees of Civil War era North Carolina Driven from Home reveals the complexity and diversity of the war's

displaced populations and the inadequate responses of governmental and charitable organizations as refugees scrambled to secure the necessities of daily life In North Carolina writes David Silkenat the relative security of the Piedmont and mountains drew pro Confederate elements from across the region Early in the war Union invaders established strongholds on the coast to which their sympathizers fled in droves Silkenat looks at five groups caught up in this floodtide of emigration enslaved African Americans who fled to freedom white Unionists pro Confederate whites both slave owners who often forced their slaves to migrate with them and non slave owners and young women often from more besieged areas of the South who attended the state s many boarding schools From their varied experiences a picture emerges of a humanitarian crisis driven by mobility shaped by unprecedented economic pressures and disease vectors and exacerbated by governments unwilling or unable to provide meaningful relief For anyone seeking context to current refugee crises Driven from Home has much to say about the crushing administrative and logistical challenges of aid work the illusory nature of such concepts as home fronts and battle lines and the ongoing debate over links between relief and dependence Dangerous Essie Fox,2025-04-24 A plot as labyrinthine as the Venice backstreets told in dazzling prose suspenseful seductive stuff Erin Kelly Evokes all the grimy charisma of eighteenth century Venice and at its brooding heart the flawed yet seductive Byron enmeshed in a mystery as sinuous as the city s alleys and canals I was enthralled Elizabeth Fremantle Sumptuous entertaining and glorious C S Green Fox is the queen of darkly glittering gothic fiction and Dangerous is an electrifying mystery inspired by Lord Byron s life a tale so compelling I devoured it in one sitting Louisa Treger Many writers have tried and failed to capture the Byronic quintessence but the brilliant Essie Fox has succeeded admirably She proves that the poet and rake remains fascinating because he is indeed mad bad and Dangerous Alex Larman When fiction is fatal Living in exile in Venice the disgraced Lord Byron revels in the freedoms of the city But when he is associated with the deaths of local women found with wounds to their throats and then a novel called The Vampyre is published under his name rumours begin to spread that Byron may be the murderer As events escalate and tensions rise and his own life is endangered as well as those he holds most dear Byron is forced to play detective to discover who is really behind these heinous crimes Meanwhile the scandals of his own infamous past come back to haunt him Rich in gothic atmosphere and drawing on real events and characters from Byron s life Dangerous is a riveting dazzling historical thriller as decadent dark and seductive as the poet himself _____ A delicious dish of decadence fastidiously researched richly imagined full of wonderful descriptions of Venice Michael Stewart Fox s vivid sensual prose is as seductive as a siren s song Heat Exceptional storytelling Nydia Hetherington Lord Byron detective This romp through Venice in the company of the peerless peer has a rare swagger and panache to it that suits its charismatic dastardly poetic anti hero down to the ground Alex Larman Human Trafficking Mary C. Burke,2022-02-27 In Human Trafficking Interdisciplinary Perspectives experts from a wide range of disciplinary and professional backgrounds provide a uniquely comprehensive understanding of human trafficking in the twenty first century Chapter authors consider historical

sociocultural legal public health human rights and psychological aspects of this issue New chapters address important topics such as racism child soldiers organ trafficking and the role of technology and the banking industry in trafficking The third edition also explores the ways in which institutionalized oppression of people of color Native Americans and those in the LGBTQ community can underlie vulnerability of these populations to being trafficked Human Trafficking is essential reading for professionals in law enforcement human services and health care and for concerned citizens interested in human rights and making a difference in their communities This book is also intended for use in undergraduate and graduate interdisciplinary courses in human trafficking

Dangerous to Know Susanna Lobez, 2016-02-01 Dangerous to Know documents murders known and not so well known conmen and their victims street gangs of the early twentieth century crime lords of the 1920s dock wars of the 1970s bikers sex offenders and the drug gangs of today as well as the wrongly accused and wrongly convicted They re all here as well as some of the police lawyers and judges who have tried to deal with them

Controlling the Dangerous Classes Randall G. Shelden, Pavel V. Vasiliev, 2017-12-19 Throughout history the powerful have created laws developed agencies to enforce those laws and established institutions to punish lawbreakers Maintaining the social order to their advantage resulted in the systematic repression of disadvantaged groups the dangerous classes The third edition retains a historical approach to exploring patterns of social control and through current examples demonstrates how those strategies continue today The authors trace the roots of race class and gender bias in how laws are written interpreted and applied The management of dangerous classes is not a recent phenomenon there is a long history of keeping those who derive the least advantage from the status quo and therefore pose the greatest threat under control There was and is one system of justice for the privileged and a very different system for the less privileged The criminal justice system from the law to daily operations of the police courts and corrections generally comes down hardest on those with the least amount of power and influence and is the most lenient with those with the most power and influence The book raises critical questions What is a crime What is law Whose interests are served by the law and the criminal justice system What patterns are repeated generation after generation How does the criminal justice system relate to larger issues such as social inequality social class race and gender Contemplation of these topics contributes to informed public dialogue and careful deliberation about the present state and the future of criminal justice

Machoian, 2006-02-28 Adults are increasingly concerned about the rising rate of depression in teenage girls and the frequency of alarming behaviors including wild conduct, explosive outbursts, back talking, sexual escapades, drug experimentation, and even cutting, eating disorders, and suicide attempts. *The Disappearing Girl*, the first book on depression in teenage girls, helps parents understand why silence reflects a girl's desperate wish for inclusion, not isolation. Subtle differences between teen angst and problem behavior, vulnerabilities in dating, friendships, school, and families. How if untreated, girls will carry feelings of helplessness, anger, and depression into adulthood. Dr. Machoian also offers conversation topics to help girls navigate mixed messages, develop their identity, make healthy decisions, and build resilience that will empower them throughout life, as well as helping parents manage their own frustration. *Resources in Education*, 1997-10

The Strange Adventures of Captain Dangerous: Who was a Sailor, A Soldier, A Merchant, A Spy, A Slave Among the Moors (Complete) George Augustus Sala, I John Dangerous a faithful subject of his Majesty King George whose bread God bless him I have eaten and whose battles I have fought in my poor way am now in my sixty eighth year and live in My Own House in Hanover Square By virtue of several commissions both English and foreign I have a right to call myself Captain and if any man say that I have no such right he Lies and deserves the Stab It may be that this narrative now composed only for my own Pleasure will long after my Death see the light in Print and that some copper Captain or counterfeit critic or pitiful creature of that kidney will question my Rank or otherwise spitefully use my Memory Let such treachours and clapper dudgeons albeit I value not their leasing a bagadine venture it at their peril I have alas no heirs male but to my Daughter's husband and to his descendants or failing them to their executors administrators and assigns I solemnly commit the task of seeking out such envious Rogues and of kicking and firking them on the basest part of their base bodies The stab I forego I wish not to cheat the hangman of his due or the Rev Mr Villette of a sermon But let the knaves discover to the aching of their scald sides that even the Ghost of John Dangerous is not to be libelled There is a knot of these same cittern headed simpletons who meet at a coffee house in Great Swallow Street which I am sometimes minded to frequent and who imagine that they show their wit and parts by reviling their Church and their King and even by maligning the Honourable East India Company a corporation to which I am beholden for many Favours Fellow I said only last Saturday to a

whippersnapper from an Inn of Court a Thing I would not trust to defend my Tom Cat were he in peril at the Old Bailey for birdslaughter and who picks up a wretched livelihood I am told by scribbling lampoons against his betters in a weekly Review Fellow I said were I twenty years younger and you twenty years older John Dangerous would vouchsafe to pink an eyelet hole in your waistcoat Did I care to dabble in your polite conversation or your belles lettres of which I knew much more than ever you will know years before the Parish was at pains to fix your begetting on some one I would answer your scurrilities in Print but this I disdain sirrah Good stout Ash and good strong Cordovan leather are the things fittest to meet your impertinences with and so I held out my Foot and shook my Staff at the titivilitium coxcomb and he was so civil to me during the rest of the evening as to allow me to pay his clog shot for him The chief delight I derive from ending my days in Hanover Square is the knowledge that the house is Mine Own I bought it with the fruit of mine own earnings mine own moneys not gotten from grinding the faces and squeezing the vitals of the Poor but acquired by painful and skilful Industry and increased by the lawful spoil of War For booty as I have heard a great commander say in Russia is a Holy Thing I have not disdained to gather moderate riches by the buying and selling of lawful Merchandize albeit I always looked on mere Commerce and Barter as having something of the peddling and huxtering savour in them My notion of a Merchant is that of a Bold Spirit who embarks on his own venture in his own ship and is his own supercargo and has good store of guns and Bold Spirits like himself on board and sails to and fro on the High Seas whithersoever he pleases As to the colour of the flag he is under what matters it if it be of no colour at all as old Robin Roughhead used to say to me even Black which is the Negation of all colour So I have traded in my way and am the better by some thousands of pounds for my trading now That much of my wealth has its origin in lawful Plunder I scorn to deny If you slay a Spanish Don in fair fight and the Don wears jewelled rings and carcanets on all his fingers and carries a great bag of moidores in his pocket are you to leave him on the field prithee or gently ease him of his valuables Can the crows eat his finery as well as his carcase If I find a ship full of golden doubloons and silver candlesticks destined for the chapel of St Jago de Compostella am I to scuttle the ship and let her go down with all these good things on board or am I to convey them to mine own lockers giving to each of my Valiant Comrades his just and proper share The governor of Carthagenia will never get the doubloons St Jago of Compostella will never see his candlesticks why should not I and my Brave Hearts enjoy them instead of the fishes and the mermaids They have Coral enough down there I trow by the deep nini what do they want with Candlesticks If they lack further ornament there are pearls enow to be had out of the oysters unless there be lawyers down below ay and pearls too in dead men s skulls and emerald and diamond gimmels on skeleton hands among the sea weed sand and the many coloured pebbles of the great Ocean Exploitation of Runaways

,1906 The Romance Of Risk Lynn E Ponton,2008-08-06 Dr Lynn Ponton has devoted her clinical practice to a particular

community teenagers in trouble Whether these kids are struggling with peers experimenting with drugs stealing cars or having unprotected sex they have something in common they are all involved in unhealthy risk taking And their parents are scared How did my child get involved in this dangerous situation they ask And what can I do Their fears are justified today s teens have more opportunities for taking dangerous risks than ever before But in *The Romance of Risk* Dr Ponton refutes the traditional idea that risk taking is primarily an angry power struggle with parents so called teenage rebellion and re defines it as a potentially positive testing process whereby challenge and risk are the primary tools adolescents use to find out who they are and determine who they will become This new perspective is revealed in a series of mesmerizing tales about individual adolescents and their families Among others we meet Jill a 13 year old thrill seeking runaway Hannah a privileged daughter of suburbia who suffers from anorexia and Joe a high school senior with a serious drinking problem Through these stories we come to understand Dr Ponton s startling observation that teenagers must confront and experience challenge and risk along the path to self discovery For adolescents the powerful allure of the adult world is equaled only by the fear of failing to find a place in it Parents can ease that transition into adulthood however by promoting healthy risk taking so that dangerous options will be avoided In *The Romance of Risk* parents will learn how they can begin to understand rather than fear adolescent risk taking and how to communicate with their children about it After all teenagers will always romanticize risk But with the support and guidance of parents and other adults odds are the risks they take will be the right ones
