Groes, 2015-12-04 London has become the focus of a ferocious imaginative energy since the rise of Thatcher *The Making of London* analyses the body of work by writers who have committed their writing to the many lives of a city undergoing complex transformations tracing a major shift in the representation of the capital city The Secret Cases of Sherlock Holmes Donald Thomas, 2013-07-14 For more than two decades Sherlock Holmes played a vital though secret role in solving the major crimes and scandals of his day some too damaging to the monarchy the government or the security of the nation to be fully revealed at the time Compiled in narrative form by Dr Watson soon after the great detective's death Holmes's notes have been kept under lock and key at the Public Record Office in Chancery Lane Now seventy years later we can finally open the secret casebook of Sherlock Holmes Seven stories about the greatest of all fiction detectives all told by Dr Watson in a

very credible imitation of the original style Birmingham Post

**Sherlock Holmes. Selected Stories** Arthur Conan Doyle, 2014-04-10 Detection is or ought to be an exact science For more than a century the Holmes stories have held a strange almost inexplicable grip on the popular imagination They are intimately associated with late Victorian and Edwardian society yet curiously timeless in their appeal The characters of Sherlock Holmes and Dr Watson together with their housekeeper Mrs Hudson and their address at 221B Baker Street are as familiar today as when they made their first appearance in the late 1880s The stories have been endlessly interpreted adapted and modernized but still it is to Arthur Conan Doyle's originals that we return This new selection of some of the best of them is designed to give readers a full sense of their world the brooding fog of London ruined heirs in creaking mansions and hidden crimes in the farthest flung corners of the British Empire The stories take Holmes's career from its early days to its close and include the book length Sign of the Four Barry McCrea's introduction investigates the currents that lie beneath their surface ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
