Laughlin who initially presented some of Williams's verse in the New Directions anthology *Five Young American Poets* 1944  
before he had any reputation as a playwright and later published the individual volumes of Williams's poetry In the *Winter of*

Poets in Their Youth Eileen Simpson, 2024-03-26 This powerful memoir of a life among legendary poets never sensationalizes these brilliant but wildly erratic young men only seeks to understand them *The Washington Post* In 1942 Eileen Simpson then Eileen Mulligan married John Berryman Both were in their twenties Eileen had just graduated from Hunter College and John had but one slim volume of poetry to his name They moved frequently from New York to Boston then Princeton chasing jobs living simply relying on the hospitality of more successful friends like Robert Lowell and Jean Stafford or R P Blackmur and his wife Helen Rounding out their circle of intimates were other struggling poets like Randall Jarrell and Delmore Schwartz Berryman alternately wrote and despaired of writing Everyone stayed up late arguing about poetry *Poets in Their Youth* is a portrait of their marriage but it is also a portrait of a group of spectacularly intelligent friends at a particular time in a particular place all aflame with literature Simpson's recollections are so tender her narrative so generous it is almost possible to imagine the story has a different ending even as Schwartz's marriage crumbles as Lowell succumbs to a manic episode as her own relationship with Berryman buckles under the strain of his drinking his infidelity his depression Filled with winning anecdotes and moments of startling poignancy Simpson's now classic memoir shows some of the most brilliant literary minds of the second half of the twentieth century at their brightest and most achingly human and documents a whole doomed generation of writers the nights of wine dancing and brilliant talk giving way to paranoia envy madness and death *The Times Literary Supplement* John Berryman and Robert Giroux Patrick Samway S.J., 2020-10-31 This engaging study provides new perspectives on the lives and work of two major figures in American poetry and publishing in the second half of the twentieth century Robert Giroux 1914 2008 editor in chief of Harcourt Brace and Company and later of Farrar Straus and Giroux and John Berryman 1914 1972 Pulitzer Prize winning poet and Shakespearean scholar who also received a National Book Award and a Bollingen Prize for Poetry From their first meeting as undergraduates at Columbia College in New York City in the early 1930s Giroux and Berryman became lifelong friends and publishing partners Patrick Samway received unprecedented access to Giroux's letters and essays By incorporating either sections or whole letters of the correspondence between Berryman and Giroux into this book Samway makes available for the first time a historical account of their relationship including revealing portraits of their personal lives As Giroux edited over a dozen books by Berryman his letters to the poet were often filled with editorial details and pertinent observations emanating from his genuine affection for his friend whose talent he never doubted even as Berryman endured prolonged periods of hospitalization due to his alcoholism Giroux gave Berryman the greatest gift he could sustained encouragement to continue writing without trying to manipulate or discourage him in any way But Giroux also had a deep seated secret desire to surpass the essays written about Shakespeare by Berryman as well as the book on Shakespeare written by their mutual professor Mark Van Doren Giroux's volume *The Book Known as Q A Consideration of Shakespeare's Sonnets* was finally published in 1982 Samway's fascinating

account of a gifted but troubled poet and his devoted yet conflicted editor will interest fans of Berryman and all readers and students of American poetry
