An anthology of sensual short stories with erotic themes *Pornology* Ayn Carrillo-Galley, 2005-04-08 When Ayn Carrillo Gailey confronted her boyfriend about his porn habit he pronounced her pornophobic Determined to prove she wasn't phobic simply more enlightened Ayn set out to learn all she could about this phenomenon Like any good researcher she added her new quest to her daily To Do list 1 Drop off dry cleaning 2 Call Mom 3 Visit sex toy store on Melrose Acting as an amateur anthropologist introduced Ayn to a world populated by everyday people Her quest aroused the curiosity of her female friends her knitting group quickly turned into informal information sessions as the women single or married involved or not were desperate for information What does XXX mean vs unrated What's the difference between topless dancers and strip clubs Why is some of it actually not that stimulating And why are men obsessed with it Along the way Ayn ditched the porn obsessed boyfriend and learned that one should not try to make change from a stripper's G string tips nor is the Hustler store the best place to make a first impression on a hot guy Pornology is the result of one woman's quest to pierce the veil that modestly covers something many women actually want to know about Surprising hilarious informative and ultimately non judgmental this narrative is one readers won't put down once they admit they're curious enough to pick it up **Adult**
