Why do scientists drill the ground beneath our feet? Renato Somma,Daniela Blessent,Margarita Caballero,Thomas Wiersberg,Blas Lorenzo Valero Garcés,2024-08-30 Drilling a hole into the crust of our planet can help scientists unravel some of the many secrets that otherwise would remain hidden in its interior Burning questions related to global climate change evolution of ecosystems and species including our own the dangers posed by volcanoes and seismically active zones and the sustainable extraction of heat and raw materials demands answers that scientists can provide only using insights from scientific drilling For most people drilling into the Earth means laying the foundation for extracting natural resources from under our feet Recent discussions about new drilling related technologies such as exploitation of unconventional gas resources carbon capture and storage and geothermal energy brought deep drilling into the focus of public s attention With this collection we want to point out that drilling also serves other scientific goals of high social relevance to face global environmental climate and economic crises With this volume we celebrate the 25 anniversary of the community under the leadership of the International Continental Scientific Drilling Program ICDP

Peters,Alicia de Alba,2015-10-23 *Subjects in Process* investigates the human subject in the first decade of the twenty first century in relation to changing social circumstances and belongings The concept of subjectivity in the Western tradition has focused on the figure of the autonomous self conscious and rooted individual This book develops a conception of the subject that is nomadic and fluid rather than grounded and complete

Written from a perspective that takes account of globalisation and the pressures that it places upon individuals and communities this book draws upon Nietzsche and the post modern thinkers that followed him Arguing that a modern conception of the subject must be one based on cultural exchanges and transformations this book is sure to provide new insights for anyone concerned with or interested in the identity of the individual now and in the future **The Nanny's Secret** Grace Green,2014-08-15 Living together by necessity Jordan dotes on his little daughter and can't refuse her anything When she begs for Felicity Fairfax as her live in nanny Jordan gives in despite having a grudge against the Fairfax family Loving each other in secret Both are astonished when their enforced intimacy leads to a fiery attraction How can they be falling for each other And living under the same roof means nothing can be hidden not their growing passion nor a family secret that is about to turn everything upside down **The Getaway** Nicola Martin,2024-11-07 Welcome to Keeper Island the private Caribbean paradise where the cocktails are chilled the guests are not and new manager Lola is hoping nothing messes up her badly needed fresh start Her previous job in Hong Kong ended in tears and quite a lot of blood so she's come to Keeper to lie low as well as to provide the gold star service the resort's spoiled one percenters expect Her only connection to her previous life now is her old mentor and new boss Mike Moxham But nothing is that simple and no secret is truly safe forever When Moxham is found dead less than a day after her arrival on the island the rules Lola uses for working with the super rich quickly become rules for survival Be prepared for anything Trust no one Because she might be next Bella Mackie meets Below Deck in this twisty escapist thriller as gulpable as rum punch and just as deadly Works Israel Zangwill,1925
