Consuming Fire of God James Mitchell, 2013-10-02 The word fire appears in the King James Version of the Bible 111 times Fire has a natural and spiritual meaning The natural meaning can be understood by anyone but the spiritual meaning has to be discerned through the Holy Spirit Spiritual discernment makes His word exclusive Exclusion of the meaning of God's word is to limit spiritual understanding and its practical application to those who are born of Him Those who are born of Him have opportunity to gain understanding as they read study examine and meditate on God's word This process positions us to be able to receive understanding and revelation You are invited to take a journey with me to examine a fire in the Scriptures in a light that few have seen but many should be given the opportunity to trek We have all been exposed to the traditional views of everlasting fire according to preachers and theologians Most of us have heard or read of accounts given by people who have had visions or dreams of eternal fire Many of us have taken for granted that these traditional views and teachings must be correct as they are preached and taught by mainstream Christianity You and I have heard and accepted these views with very little investigation A challenge is being issued to those who would like to dig deeper than the surface of traditionalism Let this book challenge you to investigate meditate and formulate an understanding of one aspect of the Consuming Fire of God The Hell fire you find may not be measured in degrees of Fahrenheit or Celsius but may be measured in degrees of consequences Open the cover to discover **Embracing the Divine Flame: A Journey Through God's**
