# FLAMES *after* MIDNIGHT

MURDER, VENGEANCE, AND THE  
DESOLATION OF A TEXAS COMMUNITY

Where Three Negroes were burned at the stake  
The scene was a terrible sight  
The fire was a terrible sight  
The scene was a terrible sight

# Flames After Midnight Murder Vengeance And The Desolation Of A Texas Community

**David Ponton**

## **Flames After Midnight Murder Vengeance And The Desolation Of A Texas Community:**

*Flames After Midnight* Monte Akers,1999 What happened in Kirven Texas in May 1922 has been forgotten by the outside world It was only a co worker s whispered words Kirven is where they burned the Negroes that set Monte Akers on a quest to find out what happened and more important why After years of following clues found in old newspaper clippings NAACP reports and the memories of the few remaining witnesses who would talk Akers here pieces together the story of a young white woman s brutal murder and the burning alive of three black men who were almost certainly innocent of it This was followed by a month long reign of terror as white men hunted down and killed blacks while local authorities concealed the real identity of the white probable murderers and allowed them to go free Akers paints a vivid portrait of a community desolated by race hatred and its own refusal to face hard truths

*Flames After Midnight* Monte Akers,2011-05-25 What happened in Kirven Texas in May 1922 has been forgotten by the outside world It was a coworker s whispered words Kirven is where they burned the Negroes that set Monte Akers to work at discovering the true story behind a young white woman s brutal murder and the burning alive of three black men who were almost certainly innocent of it This was followed by a month long reign of terror as white men killed blacks while local authorities concealed the real identity of the white probable murderers and allowed them to go free Writing nonfiction with the skill of a novelist Akers paints a vivid portrait of a community desolated by race hatred and its own refusal to face hard truths He sets this tragedy within the story of a region prospering from an oil boom but plagued by lawlessness and traces the lynching s repercussions down the decades to the present day In the new epilogue Akers adds details that have come to light as a result of the book s publication including an eyewitness account of the burnings from an elderly man who claimed to have castrated two of the men before they were lynched

**Flames after Midnight** Monte Akers,2011-05-25 The well written and compelling history of a 1922 racist reign of terror in a small Texas town now updated with a shocking deathbed confession USA Today What happened in Kirven Texas in May 1922 has been forgotten by the outside world But in *Flames After Midnight* historian Monte Akers uncovers the true story behind a young white woman s brutal murder and the burning alive of three black men who were almost certainly innocent of it This was followed by a month long reign of terror as white men killed blacks while local authorities concealed the identity of the white murder suspects and allowed them to go free Akers paints a vivid portrait of a community desolated by race hatred and its own refusal to face hard truths He sets this tragedy within the story of a region prospering from an oil boom but plagued by lawlessness and traces the lynching s repercussions down the decades to the present day In an epilogue Akers reveals new information that came to light as a result of this book s publication including an eyewitness account of the burnings from an elderly man who claimed to have castrated two of the men before they were lynched

**The American South** William J. Cooper Jr.,Thomas E. Terrill,Christopher Childers,2016-11-17 In *The American South A History* Fifth Edition William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the South from

the history of the United States The authors analysis underscores the complex interaction between the South as a distinct region and the South as an inescapable part of America Cooper and Terrill show how the resulting tension has often propelled section and nation toward collision In supporting their thesis the authors draw on the tremendous amount of profoundly new scholarship in Southern history Each volume includes a substantial bibliographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South This volume contains updated chapters and tables

Globalizing Lynching History M. Berg,S. Wendt,2011-11-15 The study of lynching in US history has become a well developed area of scholarship However scholars have rarely included comparative or transnational perspectives when studying the American case although lynching and communal punishment have occurred in most societies throughout history

**"We Return Fighting"** Mark Robert Schneider,2002 The first history of the dramatic civil rights battles fought by the National Association for the Advancement of Colored People NAACP in the 1920s struggles that paved the way for advances made in the 1950s and 1960s

The American South William James Cooper (Jr.),Thomas E. Terrill,2009-01-16 In *The American South* William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the south from the history of the United States Each volume includes a substantial biographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South Coverage now includes the devastation of Hurricane Katrina in 2005 up to date analysis of the persistent racial divisions in the region and the South s unanticipated role in the 2008 presidential primaries

**Rethinking Zion** Mary Beth Swetnam Mathews,2006 *Rethinking Zion* documents the process by which the South received its fundamentalist label and chronicles the forces at work in creating the image of the South as the Bible Belt

**The African American Experience in Texas** Bruce A. Glasrud,James Smallwood,2007 *The African American Experience in Texas* collects for the first time the finest historical research and writing on African Americans in Texas Covering the time period between 1820 and the late 1970s the selections highlight the significant role that black Texans played in the development of the state Topics include politics slavery religion military experience segregation and discrimination civil rights women education and recreation This anthology provides new insights into a previously neglected part of American history and is essential reading for anyone interested in the history of black Texans

*African Americans in the Jazz Age* Mark Robert Schneider,2006 The victorious end to the first World War offered hope to African Americans who had fought for freedom abroad and hoped to find it at home In this new work historian Mark R Schneider analyzes the dynamic 1920s that saw the enormous migration of African Americans to Northern urban centers and the formation of important African American religious social and economic institutions Yet even with considerable efforts to promote civil rights and advancements in the arts many African Americans in the rural south continued to live under conditions unchanged from a century before African Americans in the Jazz Age recounts the history of this turbulent era paying particular attention to the ways in which African Americans actively

challenged Jim Crow and firmly expressed pride in their heritage Supplemented by primary sources this work serves as an ideal introduction to this critical period in U S history and allows students to examine the issues first hand and draw their own conclusions

**Popular Justice** Manfred Berg,2011-03-16 Lynching has often been called America s national crime that has defined the tradition of extralegal violence in America Having claimed many thousand victims Judge Lynch holds a firm place in the dark recesses of our national memory In *Popular Justice* Manfred Berg explores the history of lynching from the colonial era to the present American lynch law he argues has rested on three pillars the frontier experience racism and the anti authoritarian spirit of grassroots democracy Berg looks beyond the familiar story of mob violence against African American victims who comprised the majority of lynch targets to include violence targeting other victim groups such as Mexicans and the Chinese as well as many of those cases in which race did not play a role As he nears the modern era he focuses on the societal changes that ended lynching as a public spectacle Berg s narrative concludes with an examination of lynching s legacy in American culture From the colonial era and the American Revolution up to the twenty first century lynching has been a part of our nation s history Manfred Berg provides us with the first comprehensive overview of popular justice

**Discovering Texas History** Bruce A. Glasrud,Light Townsend Cummins,Cary D. Wintz,2014-09-09 *Discovering Texas History* is a historiographical reference book that will be invaluable to teachers students and researchers of Texas history Chapter authors are familiar names in Texas history circles a who s who of high profile historians Conceived as a follow up to the award winning but increasingly dated *A Guide the History of Texas* 1988 *Discovering Texas History* focuses on the major trends in the study of Texas history since 1990 In part one topical essays address significant historical themes from race and gender to the arts and urban history In part two chronological essays cover the full span of Texas historiography from the Spanish era to the modern day In each case the goal is to analyze and summarize the subjects that have captured the attention of professional historians so that *Discovering Texas History* will take its place as the standard work on the history of Texas history

**Lynching and Leisure** Terry Anne Scott,2022-03-04 Winner 2022 Ottis Lock Endowment Best Book Award from the East Texas Historical Association In *Lynching and Leisure* Terry Anne Scott examines how white Texans transformed lynching from a largely clandestine strategy of extralegal punishment into a form of racialized recreation in which crowd involvement was integral to the mode and methods of the violence Scott powerfully documents how lynchings came to function not only as tools for debasing the status of Black people but also as highly anticipated occasions for entertainment making memories with friends and neighbors and reifying whiteness In focusing on the sense of pleasure and normality that prevailed among the white spectatorship this comprehensive study of Texas lynchings sheds new light on the practice understood as one of the chief strategies of racial domination in the nineteenth and twentieth century South

**Anti-Black Violence in Twentieth-Century Texas** Bruce A. Glasrud,2015-09-18 *Anti Black Violence in Twentieth Century Texas* provides an arresting look at the history of violence against African Americans in Texas From a

lynching in Paris at the turn of the century to the 1998 murder of Jasper resident James Byrd Jr who was dragged to death behind a truck this volume uncovers the violent side of race relations in the Lone Star State Historian Bruce A Glasrud has curated an essential contribution to Texas history and historiography that will also bring attention to a chapter in the state's history that for many is still very much a part of the present My Soul Is a Witness Mari N. Crabtree, 2023-01-10 An intimate look at the afterlife of lynching through the personal stories of Black victims and survivors who lived through and beyond its trauma Mari N Crabtree traces the long afterlife of lynching in the South through the traumatic memories it left in its wake She unearths how African American victims and survivors found ways to live through and beyond the horrors of lynching offering a theory of African American collective trauma and memory rooted in the ironic spirit of the blues sensibility a spirit of misdirection and cunning that blends joy and pain Black southerners often shielded their loved ones from the most painful memories of local lynchings with strategic silences but also told lynching stories about vengeful ghosts or a wrathful God or the deathbed confessions of a lyncher tormented by his past They protested lynching and its legacies through art and activism and they mourned those lost to a mob's fury They infused a blues element into their lynching narratives to confront traumatic memories and keep the blues at bay even if just for a spell Telling their stories troubles the simplistic binary of resistance or submission that has tended to dominate narratives of Black life and reminds us that amid the utter devastation of lynching were glimmers of hope and an affirmation of life **Lone Star Lawmen** Robert M. Utley, 2007-03-05 Hailed as a rip snortin six guns blazin saga of good guys and bad guys who were sometimes one and the same Robert M Utley's Lone Star Justice captured the colorful first century of Texas Ranger history Now in the eagerly anticipated conclusion Lone Star Lawmen Utley once again chronicles the daring exploits of the Rangers this time as they bring justice to the twentieth century West Based on unprecedented access to Ranger archives this fast paced narrative stretches from the days of the Mexican Revolution where atrocities against Mexican Americans marked the nadir of Ranger history to the Branch Davidian saga near Waco and the recent bloody standoff with Republic of Texas militia Readers will find in these pages one hundred years of high adventure Utley follows the Rangers as they pursue bank robbers bootleggers moonshiners and horsebackers smugglers who used mule trains to bring liquor across the border We see these fearless lawmen taming oil boomtowns springing the ambush of Bonnie and Clyde facing down angry lynch mobs and tracking the Phantom Killer of Texarkana Utley also highlights the gradual evolution of this celebrated force revealing that while West Texas Rangers still occasionally ride the range on horseback and crack down on smugglers and rustlers East Texas Rangers who work mostly in big cities now ride in high powered cars and contend with kidnappers forgers and other urban criminals But East or West today's Rangers have become sophisticated professionals backed by crime labs and forensic science Written by one of the most respected Western historians alive here is the definitive account of the Texas Rangers a vivid portrait of these legendary peace officers and their role in a changing West Houston and the Permanence of Segregation David

Ponton,2024-02-06 A history of racism and segregation in twentieth century Houston and beyond Fifty Years of Good Reading University of Texas Press,2000 50 year since founding the University of Texas they have witnessed major evolutions in the world of publishing African Americans in Central Texas History Bruce A. Glasrud,Deborah M. Liles,2019-02-19 Bruce A Glasrud and Deborah M Liles have gathered over thirty years of scholarship articles book excerpts and new original essays to offer for the first time an overview of the history of African Americans in Central Texas From slavery and agriculture in the nineteenth century to entrepreneurship and the struggle for civil rights in the twentieth century African Americans in Central Texas History From Slavery to Civil Rights fills in the critical missing pieces of an often overlooked region in the state s history African Americans first entered Central Texas with Spanish explorers but few remained White slave holders later brought black residents as slaves to this region With the end of the Civil War slavery may have ended but the brutalities of racial prejudice persisted During Reconstruction new attempts to ensure civil and political rights were resisted through terror racial violence and systemic denial of justice Well into the twentieth century segregation persisted but years of individual and mobilized protest finally led to significant reform Organizations such as the NAACP provided vital support Before efforts to disenfranchise the black vote became successful some politicians even courted black voters to further their own political agendas African Americans in Central Texas History is a rare source that sheds light on the African American experience in the heart of the state *Forgotten Dead* William D. Carrigan,Clive Webb,2013-05-30 *Forgotten Dead* uncovers a neglected chapter in the story of American racial violence the first comprehensive study of lynching of hundreds of persons of Mexican origin or descent

As recognized, adventure as well as experience nearly lesson, amusement, as skillfully as concurrence can be gotten by just checking out a books **Flames After Midnight Murder Vengeance And The Desolation Of A Texas Community** also it is not directly done, you could resign yourself to even more on the subject of this life, almost the world.

We manage to pay for you this proper as competently as easy quirk to acquire those all. We give Flames After Midnight Murder Vengeance And The Desolation Of A Texas Community and numerous books collections from fictions to scientific research in any way. among them is this Flames After Midnight Murder Vengeance And The Desolation Of A Texas Community that can be your partner.
