

The book cover features a central white rectangular area with a thin black border containing the title and author information. This central area is set against a background of a stylized, colorful illustration. The illustration depicts a scene of conflict and destruction, with large, swirling orange and red flames rising from the ground. In the foreground, several Native American figures are shown in various poses of action, some running and others fighting. The background is filled with dark, swirling patterns that suggest smoke or a chaotic battlefield.
