

The background of the book cover features a photograph of two male runners in white tank tops competing on a track. The runner in the foreground is slightly out of focus, while the one behind him is more prominent. To the right, a large, golden Oscar statuette is partially visible, its base resting on a surface. The overall color palette is warm, with a strong orange and yellow glow, suggesting a sunset or sunrise setting.

Helmut Linzbichler, 2022-11-30. *Extreme Sport* distinguishes the life of Helmut Linzbichler. For decades, he's pursued ultrarunning, mountain climbing, climbing and skiing with a passion. He is the oldest European to stand on top of Everest, climbed all Seven Summits, ran 135 miles through Death Valley in the Badwater Ultramarathon and 2,600 miles across the USA in the Transamerica run. Exploring his own limits, physical as well as mental, is this Austrian's lifeblood. To what extent is his childhood responsible for his longing for extremes? Was sport just a way for him to be noticed, a replacement for the father's love he never experienced? Is his adventurous lifestyle more than anything else an escape after the death of his pregnant wife? How did Helmut's life change as a result of his cancer diagnosis and nearly losing his life on Everest? *Adventure Unlimited* tells of intense passions and of striving toward seemingly unreachable goals. It's a story of powerful successes but also of dealing with defeat and calamity. True to the motto "Life is way too short for someday," Helmut Linzbichler knows from his own experience: It is never too late to live your dreams, no matter how old you are. **Hearings** United States.
