She might have to accept him as the company V P but she doesn't have to trust him. Jason Bryant knows his leaving to enter the ministry cut Freddie deep but now he's returned to Headley Cross and wants to make amends. But Freddie's different, jaded, distant, distrustful. So what's he to think when a file claims Freddie is the traitor who's sabotaging the company? Thrown together on a case that could cost them everything, including their lives, Freddie and Jason must look beyond suspicion and innuendo to catch the real traitor before it's too late and maybe just maybe they'll find the love they once shared by listening to the still small voice that comes after the fire.
