Spiers, 2005-11-01 *Gissing and the City* Cultural Crisis and the Making of

Books in Late Victorian England addresses the late Victorian cultural crisis and aesthetic revolt in urban life politics literature and art by special reference to the experience of the shocks of the new urban environment and literary and artistic responses It does so through interdisciplinary discussion of the novels of George Gissing whose work is particularly linked to the city and the crisis of urban experience especially in the archetypal modern imperial city **Writing the Breakout Novel Workbook** Donald Maass,2004-06-14 Make Your Novel Stand Out from the Crowd Noted literary agent and author Donald Maass has done it again His previous book Writing the Breakout Novel offered novelists of all skill levels and genres insider advice on how to make their books rise above the competition and succeed in a crowded marketplace Now building on the success of its predecessor Writing the Breakout Novel Workbook calls that advice into action This powerful book presents the patented techniques and writing exercises from Maass s popular writing workshops to offer novelists first class instruction and practical guidance You ll learn to develop and strengthen aspects of your prose with sections on Building plot layers Creating inner conflict Strengthening voice and point of view Discovering and heightening larger than life character qualities Strengthening theme And much more Maass also carefully dissects examples from real life breakout novels so you ll learn how to read and analyze fiction like a writer With authoritative instruction and hands on workbook exercises Writing the Breakout Novel Workbook is one of the most accessible novel writing guides available Set your work in progress apart from the competition and write your own breakout novel today **The Strangler** William Landay,2007-12-26 In 1963 Boston a city wracked by a mob war people are terrified by a mysterious killer known as the Boston Strangler stalking the city but when the serial murderer strikes all too close to home the three Daley brothers Joe a cop Michael a prosecutor and Ricky a master thief join forces to track down a killer with ties to their family s own lethal secrets Reprint Literature of Crisis, 1910-22 Anne Wright,1984-06-07 *Peerless Flats* Esther Freud,2008-06-02 From the acclaimed author of Hideous Kinky Peerless Flats confirms Freud as one of the best writers about childhood we have Threatened Masculinity from British Fiction to Cold War German Cinema Joseph Willis,2019-05-30 The impact of the Cold War on German male identities can be seen in the nation s cinematic search for a masculine paradigm that rejected the fate centered value system of its National Socialist past while also recognizing that German males once again had become victims of fate and fatalism but now within the value system of the Soviet and American hegemonies that determined the fate of Cold War Germany and Central Europe This monograph is the first to demonstrate that this Cold War cinematic search sought out a meaningful masculine paradigm through film adaptations of late Victorian and Edwardian male writers who likewise sought a means of self determination within a hegemonic structure that often left few opportunities for personal agency In contrast to the scholarly practice of exploring categories of modern masculinity such as Victorian imperialist manliness or German Cold War male identity as distinct from each other this monograph offers an important comparative corrective that brings forward an extremely influential century long trajectory of threatened masculinity For German Cold War masculinity lessons were to be learned

from history namely from late Victorian and Edwardian models of manliness Cold War Germans like the Victorians before them had to confront the unknowns of a new world without fear or hesitation In a Cold War mentality where nuclear technology and geographic distance had trumped face to face confrontation between East and West Cold War German masculinity sought alternatives to the insanity of mutual nuclear destruction by choosing not just to confront threats but to resolve threats directly through personal agency and self determination **The Michigan Alumnus** ,1993 In v 1 8 the final number consists of the Commencement annual Contemporary Chinese Fiction Writers Laifong Leung,2016-07-28 In the years since the death of Mao Zedong interest in Chinese writers and Chinese literature has risen significantly in the West In 2000 Gao Xingjian became the first Chinese writer to receive the Nobel Prize for Literature followed by Mo Yan in 2012 and writers such as Ha Jin and Da Sijie have also become well known in the West Despite this progress the vast majority of Chinese writers remain largely unknown outside of China This book introduces the lives and works of eighty contemporary Chinese writers and focuses on writers from the Rightist generation Bai Hua Gao Xiaosheng Liu Shaotang writers of the Red Guard generation Li Rui Wang Anyi Post Cultural Revolution Writers as well as others Unlike earlier works it provides detailed often first hand biographical information on this wide range of writers including their career trajectories major themes and artistic characteristics In addition to this each entry includes a critical presentation and evaluation of the writer s major works a selected bibliography of publications that includes works in Chinese works translated into English and critical articles and books available in English Offering a valuable contribution to the field of contemporary Chinese literature by making detailed information about Chinese writers more accessible this book will be of interest to students and scholars Chinese Literature Contemporary Literature and Chinese Studies Saturday Review of Literature ,1925 The Reality Record and Builder ,1907 **The Best Novels of the Nineties** Linda Parent Leshner,2015-11-17 This reader s guide provides uniquely organized and up to date information on the most important and enjoyable contemporary English language novels Offering critically substantiated reading recommendations careful cross referencing and extensive indexing this book is appropriate for both the weekend reader looking for the best new mystery and the full time graduate student hoping to survey the latest in magical realism More than 1 000 titles are included each entry citing major reviews and giving a brief description for each book **South African Literature After the Truth Commission** Shane Graham,2009-04-15 In the wake of apartheid South African culture conveys the sense of being lost in time and space The Truth Commission provided an opportunity for South Africans to find their bearings in a nation changing at a bewildering pace the TRC also marked the beginning of a long process of remapping space place and memory In this groundbreaking book Shane Graham investigates how post apartheid theatre makers and writers of fiction poetry and memoir have taken this project forward using their art to come to terms with South Africa s violent past and rapidly changing present THE LADIES' TREASURY AND TREASURY OF LITERATURE ,1870
