Gazzard, 2015-04-28 You cannot be a Christian if you are cool The world supposedly admires coolness and has made cool into a term of admiration Not so with Jesus Christ He is saying that unless your commitment is hot unless it is passionate it has no relationship to Him Elton Trueblood's statement is compelling for Christians Only a passionate faith can confront the disturbing personal and social issues of our time Lukewarm lip service to the great promises of Scripture simply has no sustaining power and churches which adhere to a lukewarm faith will continue to decline Theologian Emil Brunner states The church exists by mission as a fire exists by burning How else can it grow The only way you know whether anything is on fire is whether it will start another fire The metaphor of fire is used to describe our relationship with Christ In the so called Gospel of Thomas found in the dry sands of Egypt Jesus says I came to cast fire upon the earth He who comes close to me comes close to the fire In this book Dr Gazzard seeks to inspire and empower individuals to grow into a passionate faith by sowing seeds of inspiration drawn from his *By the Way-side*, 1901 *Lord of the Fleas* Cassandra Lamb, 2020-04-17

**Mirror, Mirror** Kara Powell,Kendall Payne,2010-06-01 How teenage girls can combat the world s definition of self image through a biblical understanding of who they are If there is a teenage girl who feels comfortable with her body and appearance the authors have yet to meet her This book helps explain where that dissatisfaction comes from from media like MTV magazines and advertisements It then gives girls a healthy biblical perspective on physical appearance concluding that the only real way for girls to experience lasting acceptance of their bodies is to look at how God has created them and how he intends for them

to love others and themselves Through their own vulnerability and personal stories the authors help girls realize they are not the only ones who feel so poorly about themselves This revolutionary book is written more like a conversation than a lecture and presents the topics and the biblical passages about self image in new and fresh ways      *Knowledge for the Love of God* Timothy Pickavance,2022-08-25 What is the role of the intellect in the life of faith Jesus commanded us to love God with our minds but why Isn t simply believing enough Confused on this point many Christians choose to focus only on the role of their hearts in shaping their faith and consider that adequate Some Christians go even further arguing that knowledge exists in opposition to faith that one must choose either the truth of science or the truth of the Bible The reality is that our formation into Christlikeness relies heavily on our minds and that Christian belief is about thinking more not less Far from being a threat the intellect is central to faith so long as it is treated as an instrument of worship rather than as the object of worship Knowledge for the Love of God is for followers of Jesus needing to better understand the crucial connection between faith and rationality Timothy Pickavance shows how learning about who God is and what he has done is doing and will do draws us closer to him just as in any relationship With stories from his own experiences wrestling with this aspect of faith Pickavance relates a compelling vision of how cultivating the intellect strengthens our Christian worldview helps us gain freedom in Christ and enables us to love God with our whole being Discussion questions at the end of each chapter make this a book to be fruitfully shared among fellow believers desiring a deeper faith one of heart soul strength and mind      *Stop Being a Christian Wimp* M. A. Sears,Winsome Earle Sears,2009-09-16      **City Changers** Alan Platt,2018-01-01 The Bible is clear about God s love for the city be it Babylon Nineveh or Jerusalem Thousands of years later His lovehasn t changed and God still calls His people to speak truth to the cities of the world In City Changers Alan Platt shows how we need to be in the classrooms boardrooms and marketplaces of our communities engaged with society and ready to offer hope to the broken Alan gives practical answers and inspiration for influencing the spiritual social and cultural dimensions of where we live as he tells his remarkable story of watching God s church deeply affect cities around the world Generations of changed lives tell us that Christianity can radically transform society beginning with spiritual transformation in the lives of individual people As Alan writes the church is called as a missional presence to instill the character and presence of Christ into the core of the community
