Since the 1980s a prolific second wave of Chicano writers and artists has tremendously expanded the range of genres and subject matter in Chicano literature and art Building on the pioneering work of their predecessors whose artistic creations were often tied to political activism and the civil rights struggle today's Chicano writers and artists feel free to focus as much on the aesthetic quality of their work as on its social content They use novels short stories poetry drama documentary films and comic books to shape the raw materials of life into art objects that cause us to participate empathetically in an increasingly complex Chicano identity and experience This book presents far ranging interviews with twenty one second wave Chicano poets fiction writers dramatists documentary filmmakers and playwrights Some are mainstream widely recognized creators while others work from the margins because of their sexual orientations or their controversial positions Frederick Luis Aldama draws out the artists and authors on both the aesthetic and the sociopolitical concerns that animate their work Their conversations delve into such areas as how the artists or writers life experiences have molded their work why they choose to work in certain genres and how they have transformed them what it means to be Chicano in today's pluralistic society and how Chicano identity influences and is influenced by contact with ethnic and racial identities from around the world **Devil's Tango** Cecile Pineda, 2013-03-01

Urioste, María Joaquina Villaseñor, 2016-12-27 U S Latino Literature is defined as Latino literature within the United States that embraces the heterogeneous inter groupings of Latinos For too long U S Latino literature has not been thought of as an integral part of the overall shared American literary landscape but that is slowly changing This dictionary aims to rectify some of those misconceptions by proving that Latinos do fundamentally express American issues concerns and perspectives with a flair in linguistic cadences familial themes distinct world views and cross cultural voices The Historical Dictionary of U S Latino Literature contains a chronology an introduction and an extensive bibliography The dictionary section has cross referenced entries on U S Latino authors and terms relevant to the nature of U S Latino literature in order to illustrate and corroborate its foundational bearings within the overall American literary experience This book is an excellent access point for students researchers and anyone wanting to know more about this subject *Accessible Citizenship* Julie Avril Minich, 2013 *Accessible Citizenship* examines Chicana o cultural representations that conceptualize political community through images of disability Working against the assumption that disability is a metaphor for social decay or political crisis Julie Avril Minich analyzes literature film and visual art post 1980 in which representations of non normative bodies work to expand our understanding of what it means to belong to a political community Minich shows how queer writers like Arturo Islas and Cherr e Moraga have reconceptualized Chicano nationalism through disability images She further addresses **Entry Without Inspection** Cecile Pineda, 2020-11-15 Cecile Pineda award winning Chicana novelist memoirist theater director performer activist felt rootless throughout much of her life Her father was an undocumented Mexican immigrant and her mother was a French speaking immigrant from Switzerland Pineda born in New York City felt culturally disconnected from both of her parents while also ill at ease in U S culture In her life we see the strange intersection of immigrant politics troubles with ethnic identity and the instability of family ties In *Entry Without Inspection* Pineda brings it all together reconciling her past much of which she had to piece together from vague memories and parental clues while tracing how she formed her own identity through prose and theater in the absence of known roots But as Pineda discovers her life story doesn't belong solely to her but is interwoven with those of her families whether biological or chosen and of the world around her Because of this Pineda's memoir features parallel stories that of her life running alongside and being informed by those of other immigrants Pineda traces her story while also documenting the work of the first whistleblower to reveal an immigrant death in detention in 2009 with the storylines converging to reveal the lasting consequences of U S immigration policy She explores the ripple effects of these policies over generations revealing the shocking truths of marginalization and deportation Pineda exposes both the cultural losses and the traumatic aftereffects of misguided U S immigration policy *Entry Without Inspection* is a truly American story in all its historical and emotional complexity one in which personal ethics and political

commentary are necessarily and inextricably interwoven *One-legged Dancer* Pamela Uschuk,2002 Another stunning collection of poetry from Pamela Uschuk Parabola Magazine called the author of One Legged Dancer a knowing observer of animal and human ways gifted with a sure eye and the master of an idiom charged with meaning and feeling **The Greenwood Encyclopedia of Multiethnic American Literature: N - S** Emmanuel Sampath Nelson,2005 Alphabetically arranged entries in five chronological volumes focus on individual authors works and topics related to multiethnic American literature **Psst-- I Have Something to Tell You, Mi Amor** Ana Castillo,2005 Comprised of both a one act and a two act play this powerful dramatic pairing centers on Sister Dianna Ortiz who was kidnapped raped and tortured by U S sponsored Guatemalan security forces in 1989 *This Side of Skin* Deborah Parédez,2002 Julia Alvarez says that This Side of Skin is full of poems that get under your skin and work their magic Her voice is smart full of surprises a blending of old myths with new meanings Latina rhythms and a USA American beat Spanish and English These are powerful mixtures I will be listening for her poems for years
