Fist Of Steel:

Muhammad Ali: Fist of Steel, Soul of Gold Fabricio Sales Silva, 2025-03-14 When I was a kid I used to say that I would be the greatest of all time Most people laughed at me You know it s easy to laugh when you re comfortable when you don t know the internal battles that someone faces But believe me I knew from an early age that to get where I wanted I would have to fight hard more than anyone could have imagined I ve always said I m the greatest I said that before I knew I was And I believed it And this is what I want you to understand believing in yourself is not arrogance it is a statement of purpose People will doubt you they will tell you that you are not capable But the real battle the most important one is not against them It s against your own mind the one that tells you that maybe you re not capable But you are You always have been You will fall Oh come on I fell But I never stayed on the ground No matter how many times life has knocked me down I have always stood up Always Float like a butterfly stung like a bee It s not just about boxing It s about life You need to be agile know when to move forward and when to retreat You need to be strong because the world will hit you with everything it has But what will define who you are is not how many punches you throw but how many you can handle and keep standing
