Fistful Of Sky:

A Fistful Of Sky Nina Kiriki Hoffman, 2004-05-25 Gypsum LaZelle had nearly given up She d already watched her two older siblings experience the transition the sudden debilitating process that turned them from ordinary children into mages gifted spellcasters like their beautiful mother Perhaps she was a late bloomer she thought until her younger siblings came into their powers as well Now at twenty Gypsum fears that she must accept her fate a mundane life without magic She can live with being ordinary an outsider After all someone in the family had to take after her father But one day alone at home wither family away Gypsum falls terribly ill And when the symptoms pass something has changed Something she s dreamed of for such a long time and suddenly isn t ready for at all One of the most original and important writers of fantasy working in America today The New York Review of Science Fiction **How High the Sky?** Thomas Gangale, 2018-11-26 In How High the Sky jurist Thomas Gangale explores the oldest and most important controversy in space law how far up does national airspace go and where does the international environment of outer space begin Even though nations did not object to the first satellites flying over their sovereign territory after more than six decades there is still no international agreement on how low the right of space object overflight extends nor are there agreed legal definitions of space object and space activity Dr Gangale brings his background as an aerospace engineer to bear in exploding long held beliefs of the legal community and he offers a draft international convention to settle the oldest and most intractable problems in space law The Sky Is Yours Chandler Klang Smith, 2019-01-29 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal NPR New York Public Library LitHub Mental Floss Influenced by the likes of Jane Austen and Rick and Morty Smith tackles timely issues while leaving room for some delicious reality TV references Entertainment Weekly In the burned out futuristic city of Empire Island three young people navigate a crumbling metropolis constantly under threat from a pair of dragons that circle the skies When violence strikes reality star Duncan Humphrey Ripple V the spoiled scion of the metropolis last dynasty Baroness Swan Lenore Dahlberg his tempestuous death obsessed betrothed and Abby a feral beauty he discovered tossed out with the trash are forced to flee everything they ve ever known As they wander toward the scalded heart of the city they face fire conspiracy mayhem unholy drugs dragon worshippers and the monsters lurking inside themselves In this bombshell of a novel Chandler Klang Smith has imagined an unimaginable world scathingly clever and gorgeously strange The Sky Is Yours is at once faraway and disturbingly familiar its singular chaos grounded in the universal realities of love family and the deeply human desire to survive at all costs Praise for The Sky is Yours It s a mesmeric world comic in the way teenage voyages of self discovery inevitably are but with an undertone of menace horror even hints of allegory Satire too Smith s imagination is inexhaustible The Sky Is Yours is a great and disturbing debut which colonizes a new realm of the magic city The Wall Street Journal Smith's gifts of imagination are staggering Much like Lev Grossman's The Magicians and Charlie Jane Anders s All the Birds in the Sky before it The Sky is Yours filters youth through a warped yet poignantly canny

speculative fiction lens At the same time it s funny as hell full of madcap detail firecracker dialogue and a healthy dose of absurdism in the face of darkness NPR Readers who love ambitious literary genre fiction should be on the lookout for Smith s first novel a vibrantly uncanny dystopia set on an island metropolis in the shadow of dragons that swoop overhead where income inequality and mass incarceration have spun out of control HuffPost An unmissable masterpiece PopSugar
