Searching for Eternity Elizabeth Musser, 2007-10-01 Forced to move with his mother to the US from France a young man finds a new life and solves the riddles of his past The Existence and Attributes of God Stephen Charnock, 2022-11-13 In *The Existence and Attributes of God* Stephen Charnock presents a profound exploration of theological concepts that intertwine rigorous philosophical reasoning with rich Biblical exegesis Set against the backdrop of the 17th century a time of burgeoning Reformation thought Charnock's work employs a systematic approach meticulously dissecting the nature of God through the lens of His existence and inherent attributes His eloquent prose and logical structure resonate with the intellectual currents of his time skillfully addressing the needs of a society grappling with faith amidst skepticism The text is characterized by its persuasive arguments and detailed analysis making it a significant contribution to Reformed theology and apologetics Stephen Charnock was a prominent Puritan theologian whose deep commitment to scriptural truth and the pursuit of holiness profoundly influenced his writings Born in England in 1620 he navigated a tumultuous period of political and religious upheaval which likely shaped his desire to offer theological clarity amidst uncertainty Charnock's pastoral background and scholarly rigor culminate in this magnum opus where his passion for God's glory is palpable on every page This book is essential for anyone seeking to deepen their understanding of God's nature and attributes offering both spiritual enrichment and intellectual challenge Charnock's thorough investigations invite readers into a richer relationship with the divine making it an invaluable resource for students of theology clergy and laypersons alike who desire a robust engagement with the essence of God *Eternal Gold* Tim Dilella, 2024-09-26 To the athletes who have given body soul and mind to be the best in your field It's our honor to care for your spirit for the next 30 days All good athletes train hard They do it for a gold medal that tarnishes and fades You're after one that's gold eternally 1 Corinthians 9:25 MSG I love the word convergence At its simplest definition it is when everything comes together It is when the intense training dieting education mentoring and timing all come together The goal is clear the goal is simple It's what every athlete hopes and prays for That their converging moment will result in the prize The challenge however for the Christian athlete goes far beyond the prize Their ultimate recognition is not where they hear the national anthem but where they hear the voice of the Father say Well done good and faithful servant Matthew 25:21 NIV They understand the reality of their present race event match or game while at the same time never losing sight of the greater race The greater race does not converge around five circles but a crown of thorns It is a race that started the day we were born The victory was determined the day Jesus died and rose again The finish line is crossed in heaven when we see Jesus face to face **Driven By Eternity** John Bevere, 2016-10-18 One day you will stand

before God and give an account of your life The most important question you can ask yourself now is will you be ready Most Christians know their response to the cross determines where they will spend eternity But did you know that how you spend eternity is determined by what you do in this life God wants you to discover your calling He s not trying to keep you in the dark In fact He longs for you to find the meaning and purpose that comes with knowing why you ve been placed on this earth In *Driven by Eternity* best selling author John Bevere uses an eye opening allegory and extensive Scripture to unveil how our daily choices shape our eternal existence Life beyond the final breath is much more than a destination Don t wait until it s too late Discover your God given destiny and make your life count both today and forever God Now C. Fred Alford, 2019-11-07 In these short accessible essays Alford writes about the personal Why I Pray as well as the political Simone Weil and Donald Trump He makes some difficult theologians such as Karl Barth and S ren Kierkegaard accessible while not hesitating to criticize them Alford argues the genius of Christianity is in God making himself vulnerable so as to know what it is to be human otherwise God stands at a terrible distance from humanity From this perspective Christianity is about the teachings of Christ and God s willingness to suffer The resurrection so central to most Christians becomes less important Myriad religious thinkers are considered including Albert Camus Thomas Merton Reinhold Niebuhr Rudolf Bultmann and Paul Tillich among others including Simone Weil Also addressed is the relationship between religion and psychology as well as the status of natural law Notable is the author s attitude which combines respect for great thinkers and a willingness to call them out as wrong confused or misguided Unafraid of atheism Alford thinks many of the so called new atheists judge religion as though it were a science a confusion of categories Once a philosopher of science he knows the scope and limits of scientific explanation better than most

The Complete Works of Stephen Charnock Stephen Charnock, 1864 **The Existence and Attributes of God, Volume 7 of 50 Greatest Christian Classics, 2 Volumes in 1** Stephen Charnock, 2008-09 The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock 1628-1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God s attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God s existence and attributes Charnock displays God s attributes not as impersonal

abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more *The Perfection of God the Fountain of Good. J. Holmes,2007 Original Scholarly Monograph *The Existence and Attributes of God (Vol.1&2)* Stephen Charnock,2023-10-30 In The Existence and Attributes of God Stephen Charnock masterfully constructs a theological treatise that elucidates the nature of God through rigorous philosophical argumentation and profound scriptural

engagement Spanning two volumes this work synthesizes insights from classical philosophy with Protestant theology exploring God's existence infinite attributes and moral governance with a clarity that has influenced generations of theologians and philosophers Charnock's literary style is both didactic and contemplative inviting readers to engage deeply with complex doctrinal issues while grounding them in the rich tradition of Reformed theology Stephen Charnock 1628-1680 emerged as one of the leading figures in 17th century Puritan thought writing during a tumultuous period marked by the English Civil War and a climate of religious uncertainty His experiences as a preacher and his scholarly pursuits at Oxford undoubtedly shaped his profound conviction regarding the rational nature of faith as reflected in his meticulous approach to theology Charnock's legacy as a biblical thinker stems from his persistent quest to illuminate the character of God and understand divine attributes through reasoned discourse This seminal work is a must read for scholars theologians and anyone seeking a deeper understanding of God's nature Charnock's blend of intellectual rigor and spiritual insight provides a rich resource for contemplation and debate making it an enduring contribution to Christian philosophy and apologetics

Life in Christ William Robert West, 2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it **God's Final Plan for the World** Rev. Saint Jean Valcin, 2011-01-07 The World Our world suffers from constant unrest changes are taking place at all levels Politics and religion do not seem offering any hope No one knows where to turn to life is more and more threatening The solution seems to be farther The nuclear perspective is considered and it is gaining ground Nations are seeking for protection in sophisticated weapons and in their arsenals of murderous arms Man is looking for solutions all over the place Some specialists and scientists offer a utopian world a terrestrial paradise by means of modern technology Despite everything they are going more and more away from the true happiness Is there something to turn to for finding the solution The kingdom of God will come to sweep out the reign of Satan in the life of man to give to the world a tangible proof of his love Final Plan of God for the World gives the key to this problem the kingdom of God May your will be done *A Treatise of the Difference Betwixt the Temporal and Eternal* Juan Eusebio Nieremberg, 1793 **A treatise of the difference betwixt the temporal and eternal ...
