The cookbook for diabetics Tips and advice from experts, Guide with 70 recipes complete with nutritional details

Jideon Francisco Marques, 2024-09-13 In the first part of this book I describe issues, situations and problems that are part and parcel of daily life with diabetes and are sometimes things you would have never considered prior to being diagnosed. For each one I give you advice and tips on how to deal with them and share my personal experience of them. In Part 2 I explain the benefits of a healthy nutritionally balanced diet which is good for everyone, not just those with diabetes, and how to approach adjusting your diet accordingly. There is also a collection of recipes for breakfast, light meals and salads, main meals, sides and dips and desserts and treats. All have been designed to work with a diabetic diet and are recipes I would personally eat and enjoy.
