Five Epochs Of Civilization World History As Emerging In Five Civilizations:

Five Epochs of Civilization William McGaughey, 2000 Based on the idea that communication technologies are a primary shaping force of civilizations Five Epochs of Civilization presents a new scheme of world history It identifies five epochs of historical experience and associates each with a civilization focused on particular institutions These are Civilization I focused on government ending in large political empires Civilization II focused on religion ending in the three world religions Civilization III focused on commerce and education within the nation state Civilization IV focused on the media of news and entertainment Civilization V focused on the internet and beyond The communication technologies which triggered these changes in culture and their approximate dates of introduction include ideographic writing 3100 B C alphabetic writing 800 B C printing 1450 A D electronic recording and broadcasting 1920 A D and computer networks 1990 A D McGaughey includes separate narratives for each of the four civilizations that have appeared to date in a developed form plus imaginative and plausible speculations concerning a possible fifth computer based civilization

The Axial Age and Its Consequences Robert N. Bellah, Hans Joas, 2012-10-31 This book makes the bold claim that intellectual sophistication was born worldwide during the middle centuries of the first millennium bce From Axial Age thinkers we inherited a sense of the world as a place not just to experience but to investigate envision and alter A variety of utopian visions emerged and led to both reform and repression

The Queen of the South in Matthew 12:42 Soleilmavis Liu, 2013-12-26 The Bible prophesies the Queen of the South will rise at the judgment but did not give her name or any other detail about her The Queen of the South in Matthew 12:42 authored by Soleilmavis Liu is a strong and well reasoned piece that demonstrates who the Queen of the South is by using plenty of historical facts It lets readers understand where the Ends of the Earth are how the Queen of the South will come from the Ends of the Earth and what the judgment is Ultimately readers will come to know God's great plan regarding the Queen of the South However Satan and his followers will persecute her Soleilmavis hopes that her presentation sheds new light on this important person who will play a decisive role in the history This book is a step in that direction

Y Max Ostrovsky, 2007 Combining history archaeology sociology political science and agricultural studies Y Arctg X The Hyperbola of the World Order presents a theory claiming that any political system with a firm agricultural foundation is pre destined to reach political unity and turn this state into the norm Using the circumscription theory the idea that the phenomenon of political unification was most explicit in areas of the world where agricultural land was in short supply and exhaustive historical evidence this timely work proposes the emergence of a single world state

K.

Venkatasubramanian,2010 Recent scholarship on the history of music in South Asia has examined the processes by which music as an art form was reinvented for nationalist purposes yet the disciplined study of music and its aesthetics remains only a few centuries old Studying music through a historical lens has opened new approaches to interdisciplinary studies Music as History in Tamilnadu examines how history can be interpreted through aesthetics and music and vice versa Musicologists focus on the study of musical activity while ethnomusicologists examine this activity first hand using the field research methods of cultural anthropology The historian s task then is to interpret the musical past as part of cultural production and thereafter relate music to general historical trends This collection of essays seeks to establish the interdisciplinarity between music the Karnatak system and the history of Tamilnadu south India *Business*
