Secularism and the Pursuit of Transcendence, Volume I Stanley E. Porter, Wendy J. Porter, 2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the

pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent's pursuit of us The Christian Advocate ,1920 **The American Journal of Psychology** Granville Stanley Hall,Edward Bradford Titchener,Karl M. Dallenbach,Madison Bentley,Edwin Garrigues Boring,Margaret Floy Washburn,1912 Essays on Kant Henry E. Allison,2012-06-28 This volume comprises seventeen essays by Henry E Allison one of the world's leading Kant scholars They cover virtually the full spectrum of Allison's work on Kant ranging from his epistemology metaphysics and moral theory to his views on teleology political philosophy the philosophy of history and the philosophy of religion But most of the essays revolve around three basic themes the nature of transcendental idealism and its relation to other aspects of Kant's thought freedom of the will and the concept of the purposiveness of nature The first two themes have been prominent in Allison's work on Kant since its inception The essays on the third theme constitute a major new contribution to the understanding of Kant's critical philosophy their primary concern is to demonstrate the central place of the third Critique in Kant's thought Among the notable features of Allison's essays is the presence of a significant comparative dimension which places Kant's views in their historical context and explores their contemporary relevance To this end these views are contrasted with those of his major predecessors and immediate successors as well as philosophers of the present day *Modern Political Philosophy* Richard Hudelson,2015-02-12 An introduction to the topics and issues in political philosophy from the Enlightenment to Postmodernism The author presents both the historical background of and a systematic discussion of contemporary issues relating to the major traditions within political philosophy British Idealism Colin Tyler,James Connelly,2020-04-30 Bertrand Russell G E Moore and other analytic philosophers of the early 20th century claimed to depart from the British idealists who dominated philosophical debate from the 1870s onwards The nature and extent of this departure is now widely questioned as philosophers return to the writings of Bernard Bosanquet F H Bradley R G Collingwood T H Green J M E McTaggart and others Nowadays the British idealist movement is mostly remembered for its seminal contributions to metaphysics ethics and political philosophy The contributors to this volume explore some of the movement's other equally insightful contributions to the philosophies of language aesthetics and emotions These chapters cover core philosophical issues including the relationship between the speech communities and the general will the role of emotions in the Absolute key differences between leading British idealists on the relationships between emotions and relations the nature of love the historical re-enactment of imagination and creativity expressivism in art and the actual idealism of the British idealists Italian counterparts This book was originally published as a special issue of the British Journal of the History of Philosophy **The later works, 1925 - 1953. 3. 1927 - 1928 : [essays, reviews, miscellany, and "Impressions of Soviet Russia"]** John Dewey,2008 *The Peerage of the United Kingdom of Great Britain & Ireland* ,1895 *International Journal of Ethics* ,1895
