Random Families Rosanna Hertz, Margaret K. Nelson, 2019 The ready availability of donated sperm and eggs has made possible an entirely new form of family Children of the same donor and their families with the help of the internet can now locate each other and make contact Sometimes this network of families form meaningful connections that blossom into longstanding groups and close friendships This book is about unprecedented families that have grown up at the

intersection of new reproductive technologies social media and the human desire for belonging Random Families asks Do shared genes make you a family What do couples do when they discover that their children shares half their DNA with a dozen or more other offspring from the same sperm donor What do kids find in common with their donor siblings What becomes of these chance networks once parents and donor siblings find one another Based on over 350 interviews with children ages 10 28 and their parents from all over the U S Random Families chronicles the chain of choices that couples and single mothers make from what donor to use to how to participate or not in donor sibling networks Children reveal their understanding of a donor the donor s spot on the family tree and the meaning of their donor siblings Through rich first person accounts of network membership the book illustrates how these extraordinary relationships woven from bits of online information and shared genetic ties are transformed into new possibilities for kinship Random Families offers down to earth stories from real families to highlight just how truly distinctive these contemporary new forms of family are **Family**

Worlds Gerald Handel,2017-07-05 How does a family function How does a family make a distinctive life of its own while living according to the values of society In what ways is a family a unit when all its members have personalities of their own How can we understand diversity among families Robert D Hess and Gerald Handel sensitively explore the dynamics of family life in five narrative case studies The Clarks Lansons Littletons Newbolds and Steeles are all typical families with representative social cultural and psychological problems By simultaneously studying each family as a small group and as a set of individual personalities the authors have captured the interplay between personality and family as each group works out its own special way of coping with its problems Further they have formulated several principles of family functioning that help focus comparison Family Worlds was the first and is still one of the few studies to interview each member of the family giving equal weight to children as well as to adults so each family member s perspective is factored into Hess and Handel s family portraits A new introduction to the Transaction edition illuminates just how significant this ground breaking study still is today and highlights the new implications it has for today s families as well as emerging approaches *Pens Down,*

the USA **The Westminster Review** ,1881 **An Illustrated History of the Mandala** Kimiaki Tanaka,2018-12-04

Everyone s heard of mandalas now we have a uniquely rich history and explanation of their history and meaning This book is a history of the genesis and development of the mandala from the fifth and sixth centuries when the mandala first appeared in India to the eleventh century when the Kalacakratantra appeared just before the disappearance of Buddhism in India The 600 years of Indian esoteric Buddhism that concluded the 1 700 year history of Indian Buddhism could be said to have been the history of the development of the mandala The Kalacakratantra integrated earlier mandala theories into a single system and established a monumental system unprecedented in the history of esoteric Buddhism It was thus the culmination of the development of Indian Buddhism over a period of 1 700 years The analysis is at the micro level and includes numerous illustrations and charts Particular attention is paid to proper names mudras and mantras that have been overlooked by scholars in philosophy and doctrine and the author tackles issues that cannot be explained solely from a historical viewpoint such as geometric patterns the arrangement of deities the colors and their meaning in Buddhist doctrine The

Tarahumara Rebellion of 1690 Joseph P. Sánchez,2025-09-23 The Tarahumara Rebellion of 1690 examines a seventeenth century Indigenous uprising in northern Mexico aimed at driving out Spanish miners missionaries and settlers from Tarahumara Rar muri and Tepehuanes homelands Previous histories have interpreted this revolt and other borderlands uprisings as localized and spontaneous events aimed at rectifying specific grievances Historian Joseph P S nchez argues that the revolts of the Tepehuanes and the Tarahumaras in northern New Spain or Nueva Vizcaya were well planned inspired by outside events and drew in multiple communities and ethnicities Drawing on a wealth of primary sources including Jesuit accounts and archival documents S nchez offers a comprehensive narrative that challenges conventional interpretations of colonial Mexican uprisings Far from localized the Indigenous rebellions in the northern Mexican borderlands during the colonial period were part of the overall Indigenous struggle for defense of homeland throughout the Americas The Tarahumara Rebellion of 1690 brings together a rich history of localized events and broader historical trends and offers a compelling narrative that enriches our understanding of the colonial experience in northern New Spain **Research on the**

Development and Education of 0-3-Year-Old Children in China Xin Liu,Xiumin Hong,Wanzhen Feng,Xiaowei Li,Xinghua Wang,Yuejuan Pan,2019-08-28 This book reports on the findings of a series of studies on the development of zero to three year old Chinese children supported by the Fundamental Research Funds for the Central Universities The studies were conducted by a research group at the Institute of Early Childhood Education Beijing Normal University In the first part of the book findings concerning the developmental trajectory are presented including physical and motor development cognitive development language development social and emotional development The focus of the second part is on the effect of family environment and practices Specifically the authors provide empirical evidence allowing readers to better understand how the home environment and educational practice in the family impact the psychological development of children in their early

years In the last part culture specific issues like the new universal two child policy in China are discussed Most of the parts are based on large scale investigations and analysis of the status quo complemented by small sample studies and case studies The findings presented here will promote theory building and public understanding of early care and education in China Moreover the behavior observation scales and assessment tools developed by the research group are cultural appropriate and may serve as a foundation for further studies on early care and education in the Chinese cultural context Family Expenditures in Selected Cities, 1935-36 ,1941 **Foundations of Mixed Methods Research** Charles Teddlie, Abbas Tashakkori,2009 The authors have successfully integrated a technical and well rounded discussion of the evolution of mixed methods research balanced with practical application examples of using mixed methods for the pragmatic researcher
