Alessandro Pirolini, 2014-01-10 Most published works on writer director Preston Sturges 1898 1959 have focused on the elements that made him a symbol of classic Hollywood comedy or his contributions to the genre via such 1940s classics as *The Lady Eve* *Sullivan's Travels* and *Miracle of Morgan's Creek* In contrast this critical study asserts that there are enough unexplained incongruities fragmentations and contradictions in Sturges output to demand a re evaluation of his place in film history as a predecessor and perhaps progenitor of later postmodern filmmakers Four appendices offer a generous selection of previously unavailable material including an exclusive interview with the director's fourth wife Sandy Sturges

ReFocus: The Films of Preston Sturges Jeff Jaeckle, 2015-10-08 This first collection of critical essays on Preston Sturges director screenwriter comic genius of Hollywood reawakens interest in the filmmaker's life and works and reminds readers why his movies continue to be culturally significant and immensely enjoyable *Crooked, but Never Common* Stuart Klawans, 2023-01-10 In a burst of creativity unmatched in Hollywood history Preston Sturges directed a string of all time classic comedies from 1939 through 1948 *The Great McGinty* *The Lady Eve* *Sullivan's Travels* *The Palm Beach Story* and

The Miracle of Morgan's Creek among them all from screenplays he alone had written Cynical and sophisticated romantic and sexually frank crazily breakneck and endlessly witty his movies continue to influence filmmakers and remain popular to this day Yet despite this acclaim Sturges's achievements remain underappreciated he is too often categorized as a dialogue writer and plot engineer more than a director or belittled as an irresponsible spinner of laughs In *Crooked but Never Common* Stuart Klawans combines a critic's insight and a fan's enthusiasm to offer deeper ways to think about and enjoy Sturges's work He provides an in depth appreciation of all ten of the writer director's major movies presenting Sturges as a filmmaker whose work balanced slapstick and social critique American and European traditions and cynicism and affection for his characters Tugging at loose threads discontinuities puzzles and allusions that have dangled in plain sight and putting the films into a broader cultural context Klawans reveals structures motives and meanings underlying the uproarious pleasures of Sturges's movies In this new light Sturges emerges at last as one of the truly great filmmakers and funnier than ever

Koppes,Gregory D. Black,1990-08-16 The little explored story of how politics propaganda and profits were combined to create the drama imagery and fantasy that was American film during World War II 32 black and white photographs An Archaeology of Sympathy James Chandler,2024-05-31 In the middle of the eighteenth century something new made itself felt

in European culture a tone or style that came to be called the sentimental. The sentimental mode went on to shape not just literature, art, music, and cinema, but people's very structures of feeling, their ways of doing and being. In what is sure to become a critical classic, *An Archaeology of Sympathy* challenges Sergei Eisenstein's influential account of Dickens and early American film by tracing the unexpected history and intricate strategies of the sentimental mode and showing how it has been reimagined over the past three centuries. James Chandler begins with a look at Frank Capra and the Capraesque in American public life, then digs back to the eighteenth century to examine the sentimental substratum underlying Dickens and early cinema alike. With this surprising move, he reveals how literary spectatorship in the eighteenth century anticipated classic Hollywood films such as Capra's *It Happened One Night*, *Mr. Deeds Goes to Town*, and *It's a Wonderful Life*. Chandler then moves forward to romanticism and modernism, two cultural movements often seen as defined by their rejection of the sentimental, examining how authors like Mary Shelley, Joseph Conrad, James Joyce, and Virginia Woolf actually engaged with sentimental forms and themes in ways that left a mark on their work. Reaching from Laurence Sterne to the Coen brothers, *An Archaeology of Sympathy* casts new light on the long eighteenth century and the novelistic forebears of cinema and our modern world.

Not to be Missed Kenneth Turan, 2014-06-03. The images and memories that matter most are those that are unshakeable, unforgettable. Kenneth Turan's fifty-four favorite films embrace a century of the world's most satisfying romances and funniest comedies, the most heart-stopping dramas and chilling thrillers. Turan discovered film as a child, left undisturbed to watch *Million Dollar Movie* on WOR TV Channel 9 in New York, a daily showcase for older Hollywood features. It was then that he developed a love of cinema that never left him and honed his eye for the most acute details and the grandest of scenes. *Not to be Missed* blends cultural criticism, historical anecdote, and inside Hollywood controversy. Turan's selection of favorites ranges across all genres. From *All About Eve* to *Seven Samurai* to *Sherlock Jr.*, these are all timeless films, classic and contemporary, familiar and obscure, with big budgets and small, each underscoring the truth of director Ingmar Bergman's observation that no form of art goes beyond ordinary consciousness as
