Susan Griscom has created a great supernatural romance in A Gypsy s Kiss The main characters are well developed

especially Breena as she struggles to cope with her gift She is resourceful though and knows how to handle herself Hawk is a good match for her and the chemistry between them is great The plot line for both of them is a novel way to keep the two of them apart and ramp up the tension I think this book will do very well because it is easy to get into and the characters are relatable A good start to the series and I look forward to reading more from this author Readers Favorite Book Reviews Buy A Gypsy s Kiss Today and start reading this stand alone supernatural gem **Bewitched by a Vampire** Susan
