Journal of Constitutional and Parliamentary Studies ,2003 **US-Indian Strategic Cooperation Into the 21st Century** Sumit Ganguly,Andrew Scobell,Brian Shoup,2007-01-24 In this edited book leading scholars and analysts trace the origins evolution and the current state of strategic cooperation between India and the United States the world s two largest democracies Indo-US Relations in a Changing World Jasjit Singh,1992 The Present Phase Of Steady Upgradation Of The Relations Between The Worlds Most Powerful Democracy And The World S Largest Democracy Is Qualitatively And Quantitatively Different From The Previous Experiences This Volume Contains Papers Presented At The Second Indo Us Strategic Symposium In Washington In 1989 And 1990 **International Relations Theory and South Asia (OIP)** E. Sridharan,2014-11-13 Bringing together scholarship from several South Asian countries this volume understands conflict resolution and cooperation building in the region The essays cover three inter related issues security political economy domestic politics and the construction of identities and normative frameworks They employ broader social science theorizing particularly in relation to political economy to go beyond conceptualizations based on international relations theory The volume takes a fresh look at the inter relationships between issues and their analyses and eschews stand alone topics such as Kashmir nuclear policies or regional cooperation Combining theory with fieldwork it provides diverse perspectives and arguments for a more nuanced picture of international relations in South Asia IAS Mains Paper 2 Governance Constitution, Polity Social Justice & International Relations 2021 Mohit Sharma,Rohit Raj,Tushar Shukla,Priya Goyal,2020-10-01 **India-Russia Post Cold War Relations** Chandra Rekha,2017-04-28 Post Cold War international relations have undeniably been a litmus test for the bilateral relations between India and Russia With the emergence of a new international system the foreign policies of both countries vacillated to explore new avenues of partnerships with other international players an opportunity that otherwise proved effective to a large extent National priorities and the geo political architecture remodelled by the US thus compelled New Delhi and Moscow to pursue a foreign policy that moved away from serving the interests of each other While defining the trends in the bilateral relations between the two countries the strategic community has questioned whether the relationship can remain as special and strategic as it had been in the past Are both countries still as relevant to one another as they once were As the constant debate revolves around these questions the two entities have however indicated a certain level of distinguishing characteristics in order to address the complexities and challenges in the partnership and have acknowledged that their relationship is not only special but also indispensable What has also continued to remain undamaged and an integral part of the bilateral relations is mutual trust understanding and concern thus resulting in maturity and pragmatism irrespective of the uncertainties that the two countries face It is in this context that the new stage in the bilateral relations between the two countries requires a thorough assessment It stands to reason that with the developments that are taking place in the current international milieu there is a need for India and Russia to reemphasise their strong strategic partnership goodwill and diplomatic trust that have stood the test of time This

book undertakes a serious assessment of the strategic partnership in the contemporary international set up The seven chapters of the book attempt to address the myriad challenges through detailed analyses and evaluation of the partnership between India and Russia in various spheres including the political defence economic nuclear energy science and technology security and strategic engagement Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **India's Strategic Defense Transformation** Brian K. India-US Relations in the Age of Uncertainty B.M. Jain,2016-04-20 In the initial phase of the Obama administration India's ruling class and strategic community formed a perception that the spirit of strategic partnership between the two countries might be diluted on account of China looming large in the priorities of this administration Despite occasional hiccups in their relationship this perception was overshadowed by the administration's recognition of India's role as counterweight to China in the Asia Pacific region This book addresses and re-evaluates the perceptions policies and perspectives of public policy makers and bureaucratic elites in both India and the US in setting and articulating the tone tenor and substance of the multifaceted ties between the two countries The scope of the book is not exclusively limited to the bilateral relationship in the critical areas such as the Indo US nuclear deal defence security and strategic partnership Its concerns and ramifications are much wider in global and regional contexts covering involving security architecture in the Asia Pacific region the interface between terrorism and weapons of mass destruction WMDs China as a factor in India US relations and the fallout of the New Delhi Washington partnership on South Asia , **The Book Review** ,2006 **India's Maritime Strategy** Shishir Upadhyaya,2019-09-05 The first book by a former Indian naval intelligence officer on Sino India relations India's Maritime Strategy provides a unique insight into the Indian Navy tracing its post independence growth and discussing its transformation and future in the 21st century In the context of the rise of China's maritime power in the Indian Ocean this book provides a nuanced view of the extent and scope of India's maritime reach and the effect of this on Sino Indian competition Challenging the view that by developing a favourable environment alone India could seek to maintain its balance of power with China it is argued that despite durable bilateral security ties with most regional states India's maritime aspirations to be the primary net security provider for the region are unsustainable in the long term This book presents a comprehensive coverage of India's bilateral maritime security engagements with all the Indian Ocean regional states as well as the US France UK and Russia As such it will be useful to students and scholars of Indian and South Asian politics international relations and maritime security *India News* ,2002 **Defense Issues** ,1993
