Lost & Found Alex Andre, 2021-07-22 In a world shattered by loss of technology, survivors live off the scraps of the fallen civilization. Ambitious young scavenger Yun mi is thrilled that her mentor is finally taking her. Trading events take a horrific turn when his murder leads to her being sold to slavers. Driven by her ferocious determination, Yun mi fights against her abductor. Survival depends on aligning herself with powerful allies yet whom can she trust in the fractured society? His first assignment as a recruit in the religious confederation military leads Buck into the fabled City. The brutal reality he finds along the way destroys any fairy tale notions he clings to. Rocked by the revelations Buck sees, all the fundamental ideas he's been raised on crumbling before his eyes. Is he truly one of the good guys? Or part of the problem plaguing the land? As Yun mi and Buck's paths cross, they must work together on a mission that could alter the course of history. Forced to rely on one another, can they grant their decaying world another chance? Or will Yun mi and Buck become collateral damage? *Lost Found* is Book 1 in *The E Apocrypha* series. Content warnings: coarse language, non-gratuitous violence, mild implied sensual descriptions. Please note this title is also available as a professionally narrated audiobook on Audible. Readers' Favorite: Alex Andre has written a thought-provoking book with *Lost and Found*, Book 1 of *The E Apocrypha*. The elements of technology and religion echo today's society. And if it did come to that, it would unfortunately be easy to imagine people acting the way they do in this book. The story moved at a good pace and kept my interest throughout. The descriptions of the world and how it looks after the events of the apocalypse are both imaginative and chilling. Knowing how much we rely on technology, if it were to be taken away, things could look very bleak. Yun mi is a great character. I would definitely recommend it.

Drunken Sword Fu GuangFangZhang, 2020-06-09 Martial arts are long, and you travel alone for me. Using a kitchen knife as a weapon and a brush as a companion. Escape. Who am I to fight for? A kitchen knife to make delicious food. A paintbrush copying your life as a painting. Dressed in green, dyed a tree. Two sleeves breeze, the breeze tells the peerless elegance. I remembered that there was a figure that was worth pursuing. I remembered that there was a place waiting for my return. There was once such a promise: I will wait for you to be crowned and be crowned. Drunk eyes of the world, but I vaguely returned you to the vast sea of stars. I tracked your footprints.
