Annotated Book List 1990 Olcott Library and Research Center, 1990      *West Coast Review of Books* , 1984      The Juvenile Magazine , 1883      **The Morning Star and Free Baptist** , 1899      **The Great Healer** Talee, 101-01-01 The Great Healer is classic fantasy set in a meticulously realized world of traveling witches powerful sorcerers warring kingdoms and scheming duchies Sorceress Olga the high council has decided to treat this as a sorcerers challenge since you defeated these two in open battle Challenge rules apply and you have claim to the power and property of the sorceress Fein and the wizard Jacques Do you wish to claim their power Olga was stunned by the situation and the question She looked at Francous and he smiled and nodded Yes The right to claim the power of another is part of the challenge as defined in the rules of the Council This ritual requires the assistance of two sorcerers of the first tier Before we

assist you with the ritual you must agree to submit to the authority of the council Are you willing to submit to the authority of the Council Again Olga was confused by the question She had never considered that she had a choice in accepting their authority Francous saw her confusion and spoke up I m sorry I should have explained this to you before bringing you here The council holds authority over this continent and the two island nations If you do not wish to live within the rules of the Council you will be given the option to move to the other continent but you would not be allowed to remain here So if I say no and refuse to leave Faras responded immediately Then we would be forced to either block you from the power or push you out There are many ways to have a say in the council rules but you must agree to live within them to stay in the territory we protect So I really have no choice if I want to see my family That s unfortunately correct To keep the peace we cannot allow any exceptions Olga looked up at Faras I am unwilling to leave my family and I need to retain the use of the power to protect myself and those I care about Therefore I will submit to the authority of the Council Faras nodded her understanding Very well Tem as the instrument in this case will you assist with the claim Yes I will assist Thank you Olga you have proven yourself as described by the Sorcerer Francous to be a Sorceress of the first tier Your defeat of Fein a Sorceress of the first tier and Jacques a Wizard who could have been a first tier sorcerer is the proof of that Tem and I will be the confirmation team but you must make the claim using the spell of claiming which is done as follows The DARTH Chronicles is an epic fantasy series perfect for fans of Patrick Rothfuss Sarah J Maas and Ursula K Le Guin [Healing is Here—Week 5](#) John W.
