Five Little Ducks An Old Rhyme:

Five Little Ducks Pamela Paparone,1997-03-01 A charming nursery rhyme for little ones learning to count Five little ducks went out one day Over the hills and far away Mother duck said Quack quack quack quack But only four little ducks came back Pamela Paparone has transformed this traditional rhyme into a cozy charming counting book for very young children One by one the five little ducks disappear while mother duck is busy raking leaves washing the winter quilts picking apples and baking a pie In addition to the dwindling duck family there are lots of other creatures for children to identify and count in the bucolic early autumn landscape And there is a cause for celebration when finally all five errant little ducks come back
